**Rural Youth Loans****Overview**

The U.S. Department of Agriculture's Farm Service Agency (FSA) makes operating loans of up to \$5,000 to eligible individual rural youths age 10 through 20 to finance income-producing, agriculture-related projects. The project must be of modest size, educational, and initiated, developed and carried out by rural youths participating in 4-H clubs, FFA, or a similar organization.

The project must be an organized and supervised program of work. It must be planned and operated with the assistance of the organization advisor, produce sufficient income to repay the loan, and provide the youth with practical business and educational experience in agriculture-related skills.

Who May Borrow

To qualify for a loan, the applicant must:

- comply with FSA's general eligibility requirements;
- reside in a rural area, city or town with a population of 50,000 or fewer people; and
- conduct a modest income-producing project in a supervised program of work.

How Loan Funds May Be Used

These loans can finance many kinds of income-producing agricultural projects. The loan fund may be used to:

- buy livestock, seed, equipment and supplies;
- buy, rent or repair needed tools and equipment; and
- pay operating expenses for the project.

What Details to Know

To apply, the applicant must submit completed plans and budgets signed by the project advisor and parent or guardian along with the FSA application for loan assistance. These loans:

- have a maximum loan amount of \$5,000 (total principal balance owed at any one time cannot exceed this amount);
- have an interest rate which is determined periodically, based on the cost of money to the federal government;
 - after the loan is made, the interest rate for that loan will not change;
- will be secured, in addition to promissory notes, by liens on the products produced for sale and on chattel property, including livestock, equipment and fixtures purchased with loan funds; and

- have a repayment schedule which varies depending on the type of project for which the loan is made,
 - for example, if it involves raising livestock or crops, the loan is paid when the animals or produce are normally sold.

For More Information

To apply or find out more, visit your local USDA Service Center. A listing of centers, and more information about youth and other loan programs, are available on the FSA website at <http://www.fsa.usda.gov>. USDA Service Center offices are also usually listed in telephone directories under "U.S. Department of Agriculture."

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its program and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). Requesting Review and Comments on Hualapai Water Quality Standards

Date: November 15, 2012

To: The Hualapai Tribal members and the community at large

From: The Hualapai Department of Natural Resources
Water Resource Program

Regarding: Public review and comments are requested on the Hualapai Tribes Water Quality Standards revisions to Appendix A: Table 1. Human Health and Agricultural Designated Use, Numeric, Water Quality Criteria. Most of the criteria numbers to protect human health are being made fairly modestly more stringent because the national average fish consumption value was amended from 6.5 grams/day to 17.5. The revisions have incorporated recommendations from the U.S. Environmental Protection Agency (EPA) for inclusion in our latest triennial review (2012) of the Tribe's Water Quality Standards.

In accordance with water quality management regulations in 40 CFR 130.3 (b)(6) and public participation regulation 40 CFR part 25, the Water Resource Program is receiving comments on revisions to the

Tribe's Water Quality Standards for 30 days. Commencing November 15, 2012 and ending at the close of business December 14, 2012. A public scoping meeting is scheduled for December 14, 2012 at the Multi-purpose building in Peach Springs, AZ from 8:00 a.m. to 4:30 p.m. Upon completion of the review and public meeting we will respond to comments received with the assistance of U.S. EPA and will compile a list of the comments and our responses. Then we will submit to the Hualapai Tribal Council the final revised water quality standards for ratification and adoption.

Copies of the revisions will be placed in different community buildings in Peach Springs and will also be available at the Hualapai Department of Natural Resources, P.O. Box 300, Peach Springs, AZ 86434, telephone (928) 769-2254, fax (928) 769-2309, email contact for Water Resource Manager: acabillo@hotmail.com

Housing Choice Vouchers Fact Sheet

What are the housing choice vouchers?

The housing choice voucher program is the federal government's major program for assisting very low-income families, the elderly, and disabled to afford decent, safe and sanitary housing in the private market. Since housing assistance is provided on behalf of the family or individual, participants are able to find their own housing, including single family homes, townhouses and/or apartments.

The participant is free to choose any housing that meets the requirements of the program and is not limited to units located in subsidized housing

project. Housing choice vouchers are administered locally by public housing agencies (PHAs). The PHAs receive federal funds from the U.S. Department of Housing and Urban Development (HUD) to administer the voucher program.

A family that is issued a housing voucher is responsible for finding a suitable housing unit of the family's choice where the owner agrees to rent under the program. The unit may include the family's present residence. Rental units must meet minimum standards of health and safety; as determined by the PHA. A housing subsidy is paid to the landlord directly

by the PHA on behalf of the participating family. The family then pays the difference between the actual rent charged by the landlord and the amount subsidized by the program. Under certain circumstances, if authorized by the PHA, a family may use the voucher to purchase a modest home.

Contact the following agencies to find out what assistance may be available to help with your rent payments. Contact William Shaw, One North Central Ave., Suite 600, Phoenix, AZ 85004; or call at (602) 379-7100.

**Farewell
and
Good Luck**

Flavor of the Year My year as the last Hualapai VISTA

I am truly sorry to see the years end! Having had the most wonderful and exciting year of my life. As women we lose ourselves, the individual, as we become partners, mothers and grandmothers. This year has shown me who the person Linda is. Coming to terms with my strengths, accepting my weaknesses, and learning so much about the differences we all have

"I have proven to myself that life is exciting and there are so many things to draw interest into beneficial pathways that help our great nation"

that make us all the unique individuals that we become along life's path.

I came here with the first snows, December first 2011, and I leave here the December first to go to the Navajo and Hopi Nations for my next term of service. I have made some really great friendships. Being only five hours away I can still come to visit. It has been my distinct pleasure and honor to have been a key player with the women of the Hualapai Education and Training Center.

Where else in the world could an old broad come and traverse the Grand Canyon on the Skywalk, go white water rafting in spring on the Colorado River, fly over the canyon in a helicopter, let alone peer into the layers of the earth through volcanic plugs and the Caverns. Even though I look at the world through thirty year old eyes, with a sixty year old body; I have proven to myself that life is exciting and there are so many things to draw interest into beneficial pathways that help our great nation.

I am so thankful for all that have been a part of this year, most especially for showing that cultural diversity is not a bad thing. Indeed it is what makes all of us special and we have something to share with each other in learning the wisdoms of all races.

Always your VISTA,
Linda Banks

TAKE SOME CREDIT

and Help Peach Springs School District!

Arizona Tax Credit

Where do you want your tax dollars to go?

State law (A.R.S. 43-1089.01) allows you to get a tax credit when you pay up to \$200 for single filers and \$400 for married filers to a public school for extracurricular activities that require enrolled students to pay a fee. This means taxpayers may help Peach Springs School –not the state treasury – and reduce their tax bill at the same time.

For a tax credit to be claimed for 2012, the donation must be postmarked or delivered to the school district by December 31st. The school district will issue you a receipt that will allow you to claim the tax credit. You will receive the receipt at your mailing address by January 31, 2013.

Donations to public schools have always been tax deductible. A **tax deduction** allows you to subtract the contribution amount from your taxable income. If you work in Arizona and pay state taxes, the **tax credit** will save you dollar for dollar on the amount of taxes you owe.

What will the funds be used for?

Eligible activities include: **field trips** to fine arts activities, such as the Phoenix Zoo, **science and art events**, **overnight trips** for fine arts programs, and **athletic programs** such as volleyball, basketball, and cross country meets.

Extracurricular activities such as sports, band, speech and debate, or field trips generally cannot be fully funded by school district revenues and depend on fees from students. Thus, your donation allows the school to offer additional enrichment programs.

Who can take advantage of this opportunity?

Anyone who pays Arizona State Income tax can do this. You may use this credit up to five years after the year of donation. Please note: corporate and/or business checks are not eligible. No Refunds are issued by the school. You will receive your tax credit after you file your state income taxes.

IF YOU MUST PAY TAXES ANYWAY, WHY NOT HELP THE STUDENTS AT THE SAME TIME?

CONTRACT HEALTH SERVICE STAFF

focus on my life with or without you. We've been through "so much" within these 3 1/2 years. No matter what, you were a man of your word and stood by my side regardless the situation. Thank you for being here for me through thick and thin. I will never forget you and all that you've done for me and my family.

Please don't give up on life, live life to it's fullest, be strong for your kids and many God be with you. Remember, one hundred and for life. No matter what no one can change the love I have for you. I will always love you 'til the end and you know that. Remember our song by Smokey Robinson, "I don't like you, but I love you" and Future, "Turn on the lights".

P.S. I will always be here for you as a friend and a BREAD MAKER!
Don't forget.

Love you always,

Dear Fletchard Wescogame,

I want to apologize for everything I've done to hurt you. I never meant for anything to get this ugly. I have no hard feelings toward you and trust and believe me when I tell you this. No matter what happens between you and me, you will always hold a special place in my heart, whether or not we stay together. It has been such a pleasure to treasure such precious memories with Taima and Rondo Wescogame (our children).

You will always be their daddy, no one can change that, it is up to you, whether you want to be a part of their lives or not. Only you know what you really want and it lies within your heart, don't let anyone tell you any different.

People will manipulate you but please be strong and please don't give up on Taima & Rondo, they need their day. Don't let them feel the pain you felt growing up with a dad.

Fletch, now is the time for me to
