CANYONS

From the Office of the Chairperson

Submitted by: Christine Lee | Hualapai Tribal Administration

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other; in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person; for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times.

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible - plants don't grow - there will be no life - nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name Hualapai - PEOPLE OF THE TALL PINES -

Message to community about Passing of Employees and Memorials

It has come to our attention that there was a request to help a former employee that passed away a couple of months ago. At that time, the Council provided monetary support for the family. The employee was with the Tribe for quite some time, and since that was the case the Council supported this request.

Just recently another request was made to help support a memorial. Due to the fact that the request was made prior to the event, the Council supported this request. In view of these two requests the Council became aware there was going to be more requests of the same nature in the near future. Little did we realize it was going to be things that occurred after- the- fact of the events and/or memorials. Along with the two events being supported, the Council later found out that the budget did not allow for these issues.

So, as of this, the Council cannot support any more requests of this nature until next budget year. We are going to budget an amount that will be available for events and at that time we are looking to realize that only one request will be honored at that time for the event.

We apologize for any inconvenience this may cause, but we must understand that there is a limit in what has occurred and therefore we must cease. If you have any questions, please do not hesitate to contact me or Mr. Philbert Watahomigie, Sr. at the Tribal Administration.

Secretarial Election Results Meeting

Submitted by: Kevin Davidson | Hualapai Planning Department

United States Department of the Interior
BUREAU OF INDIAN AFFAIRS
WESTERN REGIONAL OFFICE
2600 North Central Avenue, 4th Floor
Phoenix, Arizona 85004

IN REPLY REFER TO
Tribal Government Services MS 369

JUN 14 2016

Honorable Dr. Damon R. Clarke
Chairman, Hualapai Indian Tribe
P.O. Box 179
Peach Springs, Arizona 86434

Dear Chairman Clarke:

The Hualapai Indian Tribe (Tribe) submitted a Secretarial election request enacted under Resolution No. 79-2015, which was adopted October 1, 2015, to amend the Constitution of the Hualapai Indian Tribe of the Hualapai Indian Reservation (Constitution) to add a Section 3 to Article XVI-Sovereign Immunity. Resolution No. 12-2016 was also submitted to correct a typographical error in the proposed amendment language.

On March 21, 2016, the Superintendent, Truxton Canon Agency, received authorization to call and conducted a Secretarial election pursuant to the updated Title 25 of the Code of Federal Regulations, Part 81 (25 C.F.R. § 81), which went into effect November 18, 2015. The Secretarial election was conducted by mail out ballot and concluded on May 23, 2016.

As evidenced by the Certificate of Results of Election, signed by the Election Board Members on May 23, 2016, the proposed amendment A to the Constitution was adopted by a vote of 24 "for" and 23 "against", and 4 cast ballots found to be spoiled or mutilated in an election in which at least thirty percent (30%) of the 84 members registered and entitled to vote cast their ballots.

There were no challenges to the result of the Secretarial election, therefore, by my signature on the enclosed Certificate of Approval, the proposed amendment A is hereby approved pursuant to the authority delegated to me by the Secretary of the Interior by 3 IAM 4. Proposed amendment A is now designated as Amendment No. 1 to the Constitution of the Hualapai Indian Tribe of the Hualapai Indian Reservation.

Enclosed with this letter are the amendment document, the original Certificate of Approval and the Certificate of Results of Election for your files. As a last note, my decision to approve this amendment is a final agency action 25 C.F.R. §§ 81.45; 81.45(f). Pursuant to the revised Secretarial election regulations, this decision is a final agency action that is not "subject to appeal to a superior authority in the Department." 25 C.F.R. § 2.6.

Congratulations on a successful Secretarial election and should you have any questions please contact Ms. Sharlot Johnson, Regional Tribal Operations Officer, or Ms. Sophia Torres, Tribal Operations Specialist, for assistance at (602) 379-6786.

Sincerely,

Regional Director

AMENDMENT I

Article XVI – Sovereign Immunity

The following Section 3 will be added as follows:

Section 3. Limited Waivers of Sovereign Immunity by Certain Tribal Entities

Notwithstanding Section 2 of this Article, a limited waiver of sovereign immunity otherwise within the scope of that Section shall require only the approval of the Tribal Council if the Tribal Council determines that such waiver would facilitate the advancement of the economic or commercial interests of the Tribe and its members. Only those tribal entities formed and governed pursuant to ordinances of the Tribal Council may, with Tribal Council approval, grant limited waivers of sovereign immunity as prescribed in this Section 3.

CERTIFICATE OF APPROVAL

Amendment A, to the Constitution of the Hualapai Indian Tribe of the Hualapai Indian Reservation which was adopted by the qualified voters of the Tribe on May 23, 2016, is hereby approved and designated as Amendment I pursuant to the authority delegated to the Secretary of the Interior by the Act of June 18, 1934 (48 Stat. 984), as amended and re-delegated to me under 3 IAM 4. This approval is effective as of this date; provided that nothing in this approval shall be construed as authorizing any action under this document that would be contrary to Federal Law.

Public Meeting to Discuss the Results of the Secretarial Election and the Amendment

The Planning Department invites Tribal Members to a public meeting to discuss the May 23, 2016, Secretarial Election Results concerning the addition of Section 3 to Article XVI of the Hualapai Constitution.

Two meetings will be held at:

Hualapai Multi-Purpose Building

470 Hualapai Way, Peach Springs

Wednesday, July 27, 2016

Time 12:30 PM

Refreshments will be served

Tuesday, August 2, 2016

Time 5:30 PM

Refreshments will be served

Questions about the Secretarial Election process have been raised by the community as to the procedure followed by the BIA. The new language in Section 3 would allow the Hualapai Tribal Council to vote to fund projects through financing in excess of \$250,000 and to enter into contracts which require a limited waiver of sovereign immunity.

25th Annual Cultural Monitoring River Trip
Submitted by: Dawn Hubbs | Hualapai Cultural Department

COLORADO RIVER

The Colorado River (Hagavde), also known as Ha'yidada *The Backbone*, encompasses parts of seven U.S. and two Mexican states. Starting in the central Rocky Mountains in the U.S., the river flows generally southwest across the Colorado Plateau and through the Grand Canyon before reaching Lake Mead on the Arizona-Nevada border. The Colorado is a vital source of water for agricultural and urban areas in much of the southwestern desert lands of North America. The river and its tributaries are controlled by an extensive system of dams, reservoirs, and aqueducts, which in most years divert its entire flow to furnish irrigation and municipal water supply for almost 40 million people both inside and outside the watershed.

The Hualapai Cultural Department will have 20 participants heading down the Colorado River (July 7-18, 2016) as a part of the 25th Annual Cultural Monitoring River Trip. They will be monitoring ethnobotany and cultural areas which are significant to the Hualapai people. The participants will be learning and assisting staff on monitoring the effects of the Glen Canyon Dam, such as changes to fish, plants, water, bugs, and traditional cultural places. This is sponsored by the Bureau of Reclamation as a part of the Colorado River Management Process. With the help of Travis Hamilton recording the sounds of the Colorado River, the participants will also be listening to soundscapes of the environment around them while on the river.

If you would like to see a short video from HDCR River Trip 2010, click on the barcode.

This Barcode will take you to the Cultural page on the Tribal website where you can also find the link to the video:

Hualapai Empowerment Program • Starts Friday, July 15th
Submitted by: Lyndee Duwylene-Hornell | Hualapai Department of Cultural Resources

Hualapai Empowerment

Gam-yu Hwal'bay ba:ja, A new program in the community of Peach Springs is emerging from the Cultural Department, and we are seeking participants to be involved in the **Hualapai Empowerment Program**, co-sponsored by the Health Department. These are the age groups we are looking for:

- Youth 10 yrs - 18 yrs
- Young Adults 19 yrs - 29 yrs
- Adults 30 yrs -54 yrs
- Elders 55 and Above

The **Hualapai Empowerment Program** is a mentorship program designed to motivate Elders, Adults, Young Adults and Youth, who would like to create mentorship relationships but are in need of structure. In the early stages of the project, all of the participants will ask each other general questions about their lives, their reasons for living, and their connections to Hualapai Culture. The object of the questions is not to get through as many questions as possible, but rather to get elders talking and to create a connection between the other participants.

Together we'll focus on how to become more involved with community activities to better understand Hualapai self-care traditions that can help reduce forms of negative social behavior through learning about Hualapai cultural core values, and creating partnerships. Working with Hualapai community members who participate in the program (that will include cultural site visits, Hualapai Language learning and other hands-on-activities) participants may find new ways of healing by finding hope and learning about positive cultural core values through caring for the land, themselves, and their families. The goal is to build a relationship so that the youth and elders feel comfortable with each other using Hualapai Language skills. Some of the activities are:

- **Hualapai traditional cultural landscape site visit at Indian Point, Keepers of the Wild, and other areas (ancestral lands)**- Speaking Hualapai, discuss landscapes and compare how one can learn from the land and use that knowledge for living daily lives.
- **Cooking Class- Native Foods**- Hualapai did seasonal gathering and hunting. Discuss plants and how one can learn from the plants. Gathering plants at Keepers of the Wild (starts July 1, 2016).
- **Genealogy Family Tree**- Mentor and student will collect family pictures and family documents beforehand in order to display immediate and past family members. Learn about Hualapai Leaders
- **Cultural Mapping**- Maps transmit information for the understanding of geography, history, and people.
- **Facebook Page**- Use as an outreach to the Hualapai Community and other tribes interested in the program, to share and show the activities being done.

If you are interested in becoming a participant in the Hualapai Empowerment Program, please come fill out an application at the Cultural Center starting July 15, 2016.

July 1st activity has been cancelled until further notice

For More Information, Please call Lyndee Duwylene-Hornell or Marcie Craynon at 769-2223.

FOR IMMEDIATE RELEASE

OPERATION PASSENGER CARRIER STRIKE FORCE

On July 20-21 and July 27-28, 2016 from 7:00 am to 6:00 pm the Hualapai Nation Police Department in partnership with Arizona Department of Public Safety, Arizona Department of Transportation, and Federal Motor Carrier Safety Alliance (FMCSA) will be conducting Motor Coach Inspections and Traffic Enforcement along with speed enforcement in a collaborative effort to deter aggressive/reckless driving, and to promote passenger safety, on East Diamond Bar Road, Pierce Ferry Road, North Stockton Hill Road and the Hualapai Nation Tribal Reservation, which lead up to the Hualapai Nation Tribe's Grand Canyon West Skywalk.

The mission of Operation "Passenger Carrier Strike Force" is to ensure that passenger commercial vehicles and drivers are in compliance with the Federal Motor Carrier Safety Regulations, State and Tribal Regulations. Research has demonstrated that driver behavior and fatigue are the most common factors in crashes amongst passenger commercial motor vehicles.

The Hualapai Nation Police Department encourages drivers to slow down and buckle up, the life you save may be your own. For further information, contact Sergeant Brian Frayer at (928)769-6626 or ADOT Public Information Officer Harold Sanders (602)712-7033.

KRMC Setting New Rules for Access*Submitted by: Lana Keller-Robinett | Grand Canyon Resort Corporation**From the Kingman Daily Miner, July 3, 2016***KRMC setting new rules for access**

KINGMAN - Beginning Friday, Kingman Regional Medical Center will restrict access to the main hospital through the emergency department from 5:30 a.m. to 8 p.m.

KRMC Chief Operations Officer Ryan Kennedy said the restricted access is necessary to free up parking outside the emergency department. "We realize the convenience of going through the ED to get to certain hospital services," Kennedy said. "However, we have very limited ED parking space and people who need emergency care are being impacted."

Patients and guests who do not need emergency services are asked to use the parking lot near the hospital's main entrance, located off Beverly Avenue. KRMC volunteers offer complementary shuttle service for anyone who would like a ride from their car to any building on the KRMC campus. Additionally, volunteers provide wheelchair assistance within KRMC facilities for anyone who may have trouble walking to their appointments.

Call (928) 263-3330 for courtesy shuttle service or volunteer assistance. This information will also be posted on signs in KRMC parking lots. The above restrictions only apply during hospital visiting hours. After 8 p.m., KRMC's main entrance is closed and the only access to the hospital is through the emergency department. After-hours visitors must check in at the ED admitting desk to obtain a pass for entry into the hospital.

**Community Notice • Per Capita***Submitted by: April Siewijumptewa | Hualapai Tribe***NOTICE****COMMUNITY NOTICE**

The Accounting Department would like to remind Tribal members that Per Capita time is soon approaching.

Please make sure you have a correct address on file. Call April at the Tribal Office and double check!

Also, Minor Per Capita applications will be available soon. The deadline will be November 15, 2016. Also, be sure to include any custody documents that are needed. **NO EXCEPTIONS WILL BE MADE IF YOU MISS THE DATE.**

Please note that starting this year all Minor Per Capita Applications turned in for 2016 will be in effect permanently. This will eliminate you having to turn in an application every year. However, if you wish to change it then you must fill out a new application for that year.

If you have any questions, please call April or Wanda at the Tribal Office (928) 769-2216.

Important Message • Per Capita*Submitted by: April Siewijumptewa | Hualapai Tribe*

Important Message

The Accounting Department would like to inform the community and all Tribal members that we must have a social security number on file in order for you to receive your check in December. The social security number is for sending out the IRS 1099 forms in which a social security number is required. A list of those we are missing is attached.

The Per Capita deadline for this year is November 15, 2016. We must have your social security number by that date or your check will be held until we receive it. We will not mail out a check until a social security number is received and a current address is on file.

Also, we received many of the IRS 1099 forms back in the mail due to bad addresses so if you did not receive a 1099 for 2015, please call April at the Tribal Office (928) 769-2216.

Minor Per Capita statements were also recently mailed out and many were returned. If you did not receive a statement for your child(ren) this year, please call April at the Tribal Office to verify your address. If you need to update your address, then the address change form must be filled out.

Lastly, address change forms are available online and at the Tribal Office. These forms must be filled out entirely and be notarized or they will not be accepted. If your check is mailed and we don't have a current address on file, you will be responsible for any bank fees associated with reissuing another check, so please take the time to call and double check!

Thank you.

Tournament Of Tall Pine Chiefs Physical Challenge Course

Tournament of Tall Pine Chiefs

On Saturday March 12, 2016 the Youth Council held its first Tournament of Tall Pine Chiefs Physical Challenge Course. This was a busy weekend in Peach Springs which left the Youth Council scrambling to find alternate locations for the event. Although there were location modifications the weather conditions were perfect.

The physical challenge course included a tricycle run, laps around rodeo circle, hiking Bumble Bee Mountain, a 3 on 3 basketball and a chair volley ball tournament. For each category the winning teams were awarded medals.

There were three teams that showed up to take on the challenge, The Gonzo's, The Iron Squirrels and the Sullivan Family. The following are the winners in each challenge:

Chair Volleyball Tournament

- 1st Place—The Gonzo's
- 2nd Place—Sullivan Family
- 3rd Place—The Iron Squirrels

3 on 3 Basketball Tournament

- 1st Place—The Iron Squirrels
- 2nd Place—The Gonzo's
- 3rd Place—Sullivan Family

Tricycle Run

- 1st Place—The Gonzo's
- 2nd Place—The Iron Squirrels
- 3rd Place—Sullivan Family

Laps Around Rodeo Circle

- 1st Place—The Iron Squirrels
- 2nd Place—The Gonzo's
- 3rd Place—Sullivan Family

Bumble Bee Mountain Hike

- 1st Place—The Iron Squirrels
- 2nd Place—The Gonzo's
- 3rd Place—Sullivan Family

The Youth Council would like to thank the Healthy Heart Program for preparing the delicious chicken wraps for lunch and coordinating and facilitating the tricycle run. In an effort to reduce trash build up at this event at lunch the Youth Council broke in their reusable tableware. We would like to remind ...

...our readers of the Youth Council's challenge to reduce the use of disposable tableware and opt to use reusable tableware at home, office and community dinners.

The Youth Council did this activity to promote teambuilding, family outings, and to get everyone moving physically and to start making healthy choices at dinner time. To also promote our tribal programs and the services they provide.

Spring Break Trip

To expose community youth to something new and exciting in March the Youth Council offered a spring break trip which offered visits to the Heard Museum, The Pueblo Grande Museum and a watching a live play at Gammage Auditorium, A Gentlemen's Guide To Love and Murder.

We started out at the Heard Museum where we walked through exhibits that showcased the tribes of Arizona. Watched video's on pottery making, how certain tribal arts are fading away due to lack of interest and the hard work that does go into creating pottery, from harvesting clay for river beds to processing it to be prepared into clay then molding a pot, curing and firing then painting. Using paints that are made through the same process. Not only is pottery a fading art in tribes but also basket weaving, carving, textile weaving. Even in our own community of Peach Springs, we don't see these arts being passed on. After touring the Heard Museum, we did spend some time and cash in the gift shop and bookstore.

Hualapai Tribal Youth Council

Spring Break Trip cont.

Our next stop was to the Pueblo Grande Museum and Archaeological Park. The archaeological site left by the Hohokam culture, just east of downtown Phoenix, next to Sky Harbor Airport and is a National Historic Landmark and Phoenix Point of Pride. It is the largest preserved archaeological site in Phoenix. A 2/3 trail takes you through prehistoric Hohokam archeological site with a platform mound, ball court and replicated houses. Three galleries display artifacts and information on the Hohokam and village site.

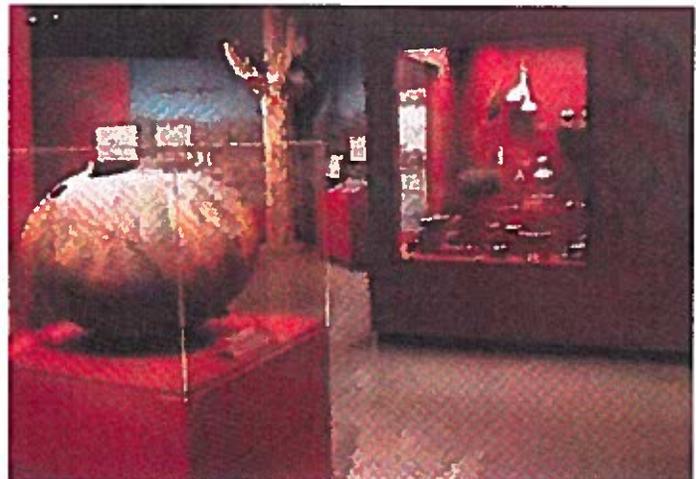

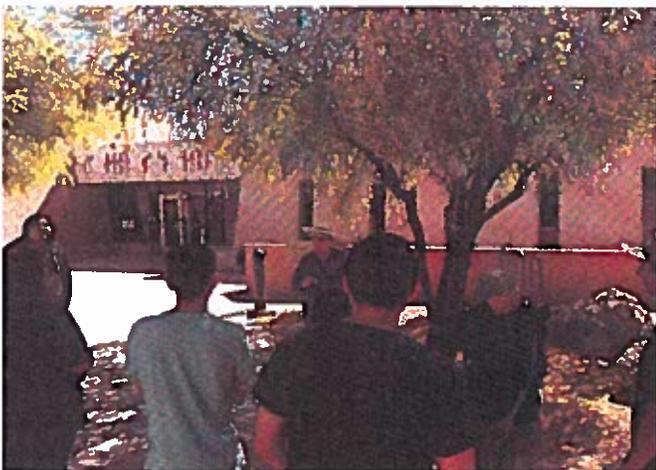

We learned that many of today's water canals that continue to feed water into the city of Phoenix were made by the Hohokam. These canals were dug by hand only with sticks. In the replicated homes we saw they also shared many hand tool items we were taught were used by Hualapai's as well.

Finishing our day we watched a live play at ASU Gammage auditorium, *A Gentleman's Guide To Love and Murder*. The play was the story of Monty Navarro who jumped his way

To succession by eliminating eight other relatives who stood in his way. He also had to juggle his mistress and fiancé, who was also his cousin! This comedy play had live actors and a full live orchestra performing the music throughout the play.

This is an experience that we will never forget, as each of us dressed to impress for the evening and took in the crowd that showed to watch along side us and purchased snacks during the intermission. We can't wait to see our next play!

Recycled Crafts Projects

Turning what would be trash into simple treasures is an easy project to accomplish. In March, with the assistance and instruction of Madelena Cesspooch, Youth Services Assistant the Youth Council hosted a couple of craft sessions using recyclables.

The craft sessions featured soda can baskets where grocery bags and soda cans can be used to make baskets. Soda cans and plastic grocery bags build up easy as waste and can be in abundance.

Another item that builds up quickly in waste are plastic soda and water bottles. With wire, paint or markers and a little creativity these items can be fashioned into flowers.

There are just two simple ways that everyday items that build up in our trash or recycle bins can be transformed into gifts, decorative items and treasures!

City of Kingman Youth Commission

In April the Youth Council appeared before the City of Kingman's Youth Commission. This was a time of sharing history, current activities and the differences between the Youth Council and City Youth Commission.

The Youth Council shared a potential collaboration project idea with the Youth Commission. The project idea is to create a living tribal village where the tribes of Arizona are featured. Where the youth and families of the City of Kingman can walk through and experience and learn the culture of the Arizona tribes represented by the other tribal youth council's in Arizona.

The Youth Council is excited about building and continuing a working relationship with the City of Kingman's Youth Commission. When the Youth Commission is up again for the school year they will visit one of our meetings.

Day of The Young Child

The State of Arizona is full of a variety of ethnic groups, each with their own culture and community. The City of Phoenix Parks and Recreation Latino Institute along with Fiesta Mexicana Dance Company have invited the Youth Council to represent the vibrant tribal communities of Arizona at the Day of the Young Child event.

This event was held at the Margaret T.

Hance Park in downtown phoenix. A interactive village where over 3,000 elementary school age students could experience and participate in dance performance, play instruments of different cultures and walk away with a handmade craft was created. The Youth Council shared a sand project where the children learned about and created a petroglyph.

Participating in this event gave the Youth Council an opportunity to experience other cultures that call Arizona home and interact with children from various ethnic backgrounds. Working with over 3,000 elementary school age children is no easy task. This allowed us to put into practice and learn social skills, patience, how to instruct and teach. To also ease out of our comfort zone as we took the stage to perform Hualapai bird singing and dancing and leading a pow-wow two step with everyone who felt like dancing.

Tribal Council Election Forums and Inauguration

This was an election year in the tribe for the chairman, vice chairman and for three council members on the Hualapai Tribal Council.

This gave Youth Council members an opportunity to see tribal members in action campaigning for these tribal council seats.

Youth Council President and Vice President Elaena Bravo and Isaiah Havatone acted as moderators for two election forums. Tribal members submitted questions for candidates while the moderators asked the questions while keeping time on the candidates responses. Questions ranged from water rights to elder issues.

Saturday June 4, 2016 was election day and June 8, 2016 was the inauguration ceremony. Tribal leaders in attendance were President Delbert Ray, Sr., from the Salt River Pima Maricopa Indian Community and President Bernadine Burnette and Councilman

Councilman Paul J. Russell from the Fort McDowell Yavapai Nation. Special speakers were President

Delbert Ray, Sr. and Hualapai Appellate Chief Justice Joseph T. Flies-Away. Chief Judge Jan Morris delivered the oath of office. The former council members were presented with a Pendleton blanket to honor their term off service to the tribe. The newly elected council members were presented with a oath of office plaque.

Soon we will be the ones having the opportunity to run for council seats and serve our people ... but, we choose to serve our people and community now.

Incident Report Form

Youth Council Members strive to be role models in the community. The Bylaws of the Youth Council require that members stay drug and alcohol free and set a positive example for themselves and each other. That each member shall stay away from illegal activities that may get them incarcerated (jail). Fighting is prohibited. Each member is not to participate in or promote any gang related activity, such as, fights, tagging, claiming gang affiliation, hand-signs, constant wearing of identified gang related colors, in the community or on any internet website/page. Each member shall respect each other, community members and, in general, the community itself.

Apart of being a leader and maturing is learning accountability for our actions. No one is perfect, but should you see a Youth Council Member commit or conduct themselves in a manner that is not becoming of a member attached is a incident report form.

When youth hear adults judge and criticize them, it hurts and gives the youth a sense of no hope. Yes, youth are finding their identity, are looking for direction, purpose and belonging and in the process make mistakes. That's when we need correction, mentorship, and encouragement from the adults and elders of our community. Remember, "It takes a village to raise a child." We are your children.

Re: Notice of 2016-17 Educational Scholarships

On behalf of the Southwest Tribal Housing Alliance (SWTHA) Board of Directors, I am pleased to announce the availability of educational scholarship grants for Region VIII (Arizona, New Mexico, and West Texas) funded under the AMERIND Risk Management Corporation's Annual Scholarship Program. The goal of the scholarship grant is to assist in the education of American Indians and Alaskan Natives. The grant may be used for post-secondary or graduate level courses at an accredited educational institution for a course of study that will result in an accredited vocational certification or degree.

Please review the attached application and guidelines carefully. Also note the deadline for receipt of applications is **August 30, 2016**. The announcement of the scholarship recipients will be made during the SWTHA Membership Meeting at the Wild Horse Pass Hotel in Chandler, Arizona on September 28, 2016.

The SWTHA Board is committed to assisting in the continued and progressive education of our Native American students, and we are pleased to offer this scholarship opportunity to our Region VIII post-secondary and graduate level students.

If you have any questions, please feel free to contact me at Pascua Yaqui Housing Department at (520) 879-5894, or email Linda.R.Alvarez@pascuayaqui-nsn.gov; or Jaime B. Navenma, SWTHA President, at Hualapai Housing at (928) 769-2274 Ext. 28, or email JNavenma@Hualapai-nsn.gov.

HEALTH & SAFETY INFORMATION

HUALAPAI ANIMAL CONTROL

Office Number: (928) 769-2810 Fax Number (928) 769-2883 E Mail Address: hualapai_animalcontrol@hotmail.com

CONTACT ANIMAL CONTROL: Animal Control office is located at the Department of Emergency Services; to contact Animal Control you may call the Emergency Services Dispatch at 769-2810. The Animal Control Program is a 24 hours a day 7 days a week program.

ENFORCEMENT: As pet owners of the Hualapai Nation, the Tribal Council passed strict ordinances regarding Animal Care, all dogs must be confined to your yard at all times, pet owners should never allow their dog to roam free. Pet owners who allow their pet to run at large will be cited for violations according to Chapter 15 of the Hualapai Law and Order Code. A maximum penalty of FIVE HUNDRED DOLLARS for every violation cited maybe imposed upon pet owners who violate the ordinance. Animals picked up in serious incidents i.e.: dog bite incidences will be held for a mandatory 10 days observation in accordance to the ordinance with fees applied for observation, transportation, and vaccinations.

SPAY or NEUTER: You are asked to help control the pet population on the Hualapai Nation by having your pet spayed or neutered, this will help with the over population of unwanted pets and decrease the Public Nuisance complaints of pack of male dogs chasing after a female dog that is in heat. The Animal Control Program recommends the following animal clinics:

1. Low Cost Spay/Neuter Clinic, 1520 E. Andy Devine, Kingman AZ. 86401 (928)692-5226
2. Manzanita Animal Hospital, 2323 Detroit Ave. Kingman, AZ 86401 (928)753-6138

Housing and Tribal Ordinance: It is also a reminder according to the Hualapai Housing Policy, you are only allowed two (2) dogs a residence, this is being enforced by the Housing Department, the Law and Order Code also has an ordinance *Sec.15.2(H)* that prohibits the owning of no more then two dogs per residence, owners who violate the code with multiple dogs are being referred to the Hualapai Tribal Courts.

ANIMAL ABUSE: If you witness or have any information of an animal owner who is teaching their animal to fight or provoke any such action against another person or animal or conduct such illegal business of animal gaming. Contact Hualapai Animal Control Dispatch 769-2810

REGISTRATION LICENSING: According to the Animal Care and Control Ordinance, all pets must be registered through the HUALAPAI ANIMAL CONTROL program, the registration is easy, Registration is \$10.00 per animal with complimentary (FREE) Rabies vaccination. Animals Running at Large will be picked up and transported to the Hualapai Tribe Kennel. All animals that are transported are held at the kennel for a mandatory 72 hours for owner reclaim. For any time past 72 Hours the animals will be considered abandoned and a stray animal. They will then be considered for the adoption process.

MISSING ANIMALS: To report your animal missing, you may contact the Emergency Service Dispatch and give a brief description, tag Number, Owner name and Phone Number.

HUALAPAI ANIMAL CONTROL

Office Number: (928) 769-2810 Fax Number (928) 769-2883 E Mail Address: hualapai_animalcontrol@hotmail.com

****DISEASE CONTROL:** A high number of canine deaths have been reported to animal control, most have been young dogs contacting the Parvovirus. Parvovirus is a viral disease of dogs, it affects puppies more frequently than it affects adult dogs, and in young puppies it can infect the heart muscle and lead to "sudden" death. Parvovirus is probably the most common viral illness of dogs. Veterinarians recommend vaccinating puppies every three to four weeks for this virus, starting at 6 weeks of age, until they are at least 20 weeks of age. The parvovirus attacks the lining of the digestive system. It causes dogs and puppies to not be able to absorb nutrients or liquids. Puppies are especially prone to it because they have an immature immune system. When dogs and puppies contract parvo, they usually stop eating and develop a bloody, foul-smelling, liquid stool, symptoms include high fever, depression, loss of appetite, vomiting and bloody diarrhea, in many case dehydration, shock, followed by death. More information contact your veterinarian and vaccination information for your pet.

SCHOOL and WORK: Animal Control reminds pet owners, please keep your pet at home, Also remind your children not to walk their dog to school, keep all pets at home, properly confined with food and water. Any Violations will be submitted through Tribal Courts.

DOG BITE REPORTS: It is our goal to be dog bite free, but this is not always the case, about half of all children are bitten by a dog, before their 18th birthday, here are some tried-and-true tips that all children should keep in mind when man best friend is near. **MOTHER, may I? Rule number one:** ALWAYS ask permission before petting someone's dog, approach slowly and quietly, and allow the dog to sniff the back of your hand. Pet the dog's sides or back gently.

THEY THINK THEY OWN EVERYTHING Stay away from any dog who may be protecting something. That means not petting a dog that's eating, playing with a toy, tied up, behind a fence or in a car. **PREPARE FOR THE WORST:** If a dog growls at you or chases you, be still and quiet. Avoid eye contact with dogs; dogs often see this as a threat. Protect yourself with a backpack or bikes as a shield.

REPORT ANY DOG BITE INCIDENT TO ANIMAL CONTROL OR HUALAPAI NATION POLICE.

~DOGS IN HOT WEATHER! ~

If you're Hot, your dog is Hotter. Dogs will naturally do less in the heat—Leave them to relax in a cool, shady spot with lots of water to drink.

1. Dogs need shade in the hot weather. They also benefit from a breeze.
2. Dogs need lots of clean water **ALL THE TIME.**
3. If you tie your dog, always do it in the shade with at *least* 8 feet of Leash.
4. **NEVER** leave your dog in your car or truck. Dogs don't have sweat glands and can die quickly. Metal truck beds get very hot in the sun. If it feels hot to you, it feels even hotter to your dog.
5. Remember that bugs are just as annoying to your dog as they are to you. Don't leave your animal in a bug infested area.

Signs of heat stroke include excessive panting, drooling, lethargic and even unconsciousness. Call your veterinarian right away if your dog exhibits any of these signs of heat stroke.

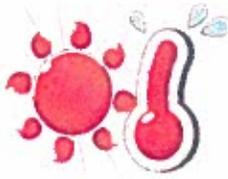

Things you could do to help your animal:

1. Put your dog in a cool well-ventilated area;
2. Wet his fur with a cool towel with cool water (NOT COLD WATER—you have to lower their body temperature slowly.)
3. Stay with the animal, and give it fresh, cool water to drink when he has recovered.

COMMUNITY MESSAGES

Letter to the Community

Submitted by: Joseph Flies-Away | Chief Justice, Hualapai Nation Court of Appeals

To: Hwal'bay Baj
 From: 
 Joseph Thomas Flies-Away
 Chief Justice, Hualapai Nation Court of Appeals

Jo Gamyuje, today I was planning on attending the Administration's barbecue, however, circumstances both personal and professional prevented from making the trip. I hope the community enjoyed the event and thought about the issues it was meant to raise attention. As I have said many many times before both publicly as in these letters and in other writings, in Court, in meetings, and conferences, we and all Indigenous nations fight a war with a mighty adversary. While to many the adversary is named alcohol and other substances, I consider the adversary as the unsettled state of mind and body that many of us cannot control and consumes us until we are no more. We feel bad about a lot of things that happened to us or other people we are close to. We are unable to let things go and move on. The easiest way to deal with the "pain" is by drowning and deferring our thoughts by drink and drug. There is not one family in our community who is not affected by all of this, and as stated at the Inauguration we are one big family, a big Royal Family at that!

Despite the detriments, destruction and despair of drink and drugs, Hwal'bay Baj - Hualapai Nation - all our citizens and relatives should be proud of all we have done over the past 200 years or so. While we are stifled by alcoholism and substance abuse, we have still been able to grow our nation by our wits and natural resources. We have done so to the extent that others wish it was theirs. Do not forget this. It is one way or one thing to think about that perhaps might keep some from doing ourselves in by unhealthy thoughts and conduct. Each of us have contributed in different ways. And I might even say that even those that cause trouble or are naughty force the rest of us, our government, to find ways to deal with it, which then makes it a little bit easier the next time it happens.

As a judge for many years at Hualapai and other places, I had to deal with all sorts of negative behavior and conduct. I had to impose penalties on people, even take away freedom from folks, which I did not like to do. Many of you should remember, however, and I think Tammy and the clerks might, how I tried talking to you about trying to get past the problem and thinking about things that might cause better feelings in your heart. I did this so much to the point of one of the clerks saying to me, "Judge, you talk too much." But to me it was important because I do not think many of the people I saw in court heard before the things I tried to convey. I have to say it was tiring to keep doing that over and over again, trying to think positively about things. Unfortunately, I am unable to do much of that now as I'm worn and tired. I still know however that Hualapai's descend from and are strong and powerful people. I look forward to what the young people will do in the future that will move us into an even stronger and more powerful future. What I do now as Chief Justice is not as draining as sitting as a trial judge. It does require though much thinking and consideration of Hualapai law.

In fact, one of the professional circumstances that came up this week is I was asked to teach another class called Tribal Law. So I am busy putting together the syllabus for that, which as you might guess will discuss Hualapai law as one of the main examples of tribal law. I am a teacher, and I hope my very first students still consider me as such, the 7th graders, who were at first very, very mean to me. Over time they got use to me though and we spent the year together. It saddens me that we lost a few to the issues mentioned above, but I will remember them the rest of my life and I still have their work saved in my papers because they were and are very, very important to me. Well I hope you have a great summer. Ma, Ha:nk Wayo:hiyu!
