Condolences to the Family of Senator John McCain

Submitted by: Dr. Damon Clarke, Chairman | Hualapai Tribe

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other, in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person, for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times.

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible - plants don't grow - there will be no life - nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name Hualapai - PEOPLE OF THE TALL PINES.

Seeking New Board Member for the Hualapai Tribal Utility Authority (HTUA)

On September 24, 2014, the Hualapai Tribal Council adopted the Hualapai Tribal Utility Authority Governing Ordinance. This is a significant step toward self-determination in the realm of public utilities for the Hualapai Tribe.

Established as an institution of Tribal government, the five members of the Hualapai Tribal Utility Authority board are chosen by Council. As noted in Section 107.b.3, of the Ordinance, the HTUA Board is authorized to acquire, construct, operate, maintain, promote, and expand electric power service, and eventually water service, and sewage service at Grand Canyon West and on such other locations within the Hualapai Reservation and on other Tribal lands under the jurisdiction of the Hualapai Tribe as the Tribal Council may deem appropriate. The HTUA board is delegated full authority and responsibility for the management and operation of HTUA consistent with the Ordinance.

At this time, the Tribe is seeking a new candidate to apply for Board membership to maintain this important function of Tribal government. This Board position may be filled by members or non-members of who have not less than ten years' experience in business management of substantial character and have had experience in the management and operation of an electric utility. No employee of the Bureau of Indian Affairs, employee of the HTUA or member of the Tribal Council shall be a member of the Board. The new board member will be appointed for a three-year term.

Please prepare a typed narrative offering your qualifications (resume) and general motivation to be a member of the Hualapai Tribal Utility Authority Board and what you hope to achieve while on the Board. Please bring or e-mail your letter of interest to the Tribal Office, 941 Hualapai Way, Peach Springs, Arizona, attention Christine Lee, by Friday, October 26, 2018, at 5:00 PM. Thank you for your thoughtful consideration of this offer and desire to enhance utility services on the Hualapai Reservation.

Open House Review of Kingman Travel Management Plan • Tuesday, September 11th
Submitted by: Peter Bungart | Hualapai Department of Cultural Resources

Public invited to open house for review of Kingman Travel Management Plan

KINGMAN, Ariz. – The Bureau of Land Management (BLM) Kingman Field Office (KFO) invites the public’s participation in the review of the KFO Travel Management Plan and Environmental Assessment. Travel management is an approach to establishing networks of roads for travel and transportation including areas for both motorized and non-motorized uses.

Travel management planning is necessary for designating and providing appropriate access to and across public lands for a variety of uses. This Travel Management Plan and Environmental Assessment includes Bagdad, Black Mountains, Cerbat Mountains, Crozier, Goodwin Mesa, Hualapai Mountains, Music Mountains and Poachies. It will also include the White Hills Travel Management Areas and encompasses Kingman, Bullhead City, Golden Valley, Chloride, Wikieup, Meadview, Dolan Springs, White Hills, and Wayside in Mohave, Yavapai and La Paz counties.

The Hualapai Department of Cultural Resources requested an open house public meeting be scheduled in Peach Springs. Staff from the BLM will display maps of the proposed travel network, as well as other alternatives that will be available for review. BLM staff will be available to answer questions and receive comments on the project.

**The open house will be held Tuesday, September 11, 2018
at the Hualapai Cultural Center from 3:00 - 6:00 pm.**

The Kingman Field Office travel network encompasses much of the historic Hualapai Homeland. This will be an opportunity to learn about the Travel Management Plan and how it may affect cultural and natural resources, and to provide comments. We encourage everyone to attend and participate.

The public comment period will be for a period of 30-calendar days from Aug. 20 to Sept. 18, 2018. More information can be found on-line at: <https://go.usa.gov/xUsPq>

If you wish to remain on the project mailing list and made aware of the documents’ availability, please notify us: blm_az_kfo_tmp_comment@blm.gov.

Native American Veterans Income Tax Settlement Fund

Pub 706 Revised: August 2017

This publication issued jointly by the Arizona Department of Revenue and the Arizona Department of Veterans' Services is intended to provide general information about the Native American Veterans Income Tax Settlement Fund. For complete details, refer to Arizona Laws 2016, Chapter 125, § 19-29. In the case of inconsistency or omission in this publication, the language of the Arizona law will prevail.

Background

On November 22, 2000 the United States Justice Department issued a memo declaring that the taxation and withholding of state income taxes from active duty military pay of Native Americans domiciled on their reservation was impermissible. The United States Department of Defense began mandatory Arizona income tax withholding on all active duty military pay on September 1, 1993 and continued withholding Arizona income tax through December 31, 2005. Beginning January 1, 2006 Arizona no longer taxed active duty military pay and therefore discontinued state income tax withholding on this type of income. The Native American Veterans Income Tax Settlement Fund was established on July 1, 2016 to refund Arizona income tax erroneously withheld from Native Americans who served in the military while claiming tribal land as their domicile from September 1, 1993 through December 31, 2005. During the 2017 Arizona legislative session House Bill 2158 was introduced to amend the original legislation when it was discovered the Department of Defense may have withheld Arizona income tax prior to September 1, 1993. Effective August 9, 2017 refunds may be claimed for years 1977 through 2005.

Q1. Why was the Native American Veterans Income Tax Settlement Fund established?

A1. Arizona income tax may have been withheld from Native American active duty military pay in years 1977 through 2005. Those tax years are currently closed by the statutes of limitations. Therefore, in an effort to refund Arizona income tax withholding from active duty military pay of Native Americans veterans domiciled on their reservation, the Arizona legislature established the Native American Veterans Income Tax Settlement Fund.

Q2. What years did the Department of Defense withhold Arizona income tax from active duty military pay?

A2. The Department of Defense may have withheld Arizona income tax from 1977 through 2005. Arizona entered into an agreement with the United States Department of Defense to withhold Arizona income tax from active duty military pay beginning September 1, 1993. Arizona continued to withhold income tax on active duty military pay through 2005. Beginning January 1, 2006 Arizona no longer subjected active duty military pay to its income tax and accordingly stopped withholding state income tax. After the Native American Veterans Income Tax Settlement Fund was established it was discovered the Department of Defense may have withheld Arizona income tax prior to September 1, 1993. As a result, the Native American Veterans Income Tax Settlement Fund was amended to allow refunds for years 1977 through 2005.

Q3. How much money is allocated to the Native American Veterans Income Tax Settlement fund?

A3. The Arizona Legislature allocated two million dollars to fund. Of the two million dollars 5 percent is allocated to the Department of Veterans' Services and 5 percent is allocated to Department of Revenue to cover administrative costs.

Q4. What years are refunds available?

A4. Refunds may be claimed for years 1977 through 2005. Mandatory withholding of Arizona income taxes by the Department of Defense on active duty military pay did not begin until September 1, 1993, however there may have been withholding prior to that date.

Q5. May I amend my old Arizona state income tax returns to recover my Arizona income tax withholding for years 1977 through 2005?

A5. No, 1977 through 2005 are closed tax years under Arizona's statute of limitations. The only way to recover withholding from tax years 1977 through 2005 is by making a claim under the Native American Veterans Income Tax Settlement Fund.

Q6. How long is the Native American Veterans Income Tax Settlement Fund open?

A6. The Native American Veterans Income Tax Settlement Fund was established July 1, 2016. The Department of Veterans' Service may not accept claims after December 31, 2019. The Department of Revenue will not grant refunds after June 30, 2021. Any money

left in the Native American Veterans Income Tax Settlement Fund on July 1, 2021 will be swept into the general fund.

Q7. What does the claimant have to demonstrate?

A7. Produce DD-214 or other proof of military service provided by the United States Department of Defense, B. Sign a statement declaring they were an enrolled member of their tribe while serving in the military, C. Produce evidence of domicile while serving in the military, D. Show Arizona income tax was withheld (W-2) and E. Sign a statement that the Arizona income tax was **not** refunded.

Q8. What must a claimant do in addition to the general requirements if the veteran is deceased?

A8. In addition to the requirements listed in Question and Answer #7 above, a claimant who is a surviving spouse or personal representative must produce the veteran's death certificate to make a claim. A personal representative must also sign a statement confirming they are the decedent's personal representative and produce a copy of the claimant's appointment. If the claimant is a not a surviving spouse or personal representative they must sign a statement that the estate is worth less than \$30,000, that 30 days have passed since the decedent's death and that they are the rightful successor.

Q9. How does the application process work?

A9. The claimant sends their completed forms along with any relevant paper work to the Department of Veterans' Services. Veterans' Services has 210 days to accept or reject the claim. Claims accepted by the Department of Veterans' Services are then sent to the Department of Revenue. The Department of Revenue has 210 days to approve or reject claims. The Department of Revenue will issue refunds to claimants with valid claims.

Q10. What forms are used to make a claim?

A10. Arizona Form NASF is used for general claims, Arizona Form NASF-D is an additional form for claimants if the veteran is deceased and Arizona Form NASF-RS is a form used to substantiate the veteran's residency.

Q11. Where do I find the application forms?

A11. The application forms are available to download online at <https://dvs.az.gov> or <https://www.azdor.gov>

Q12. Where do I mail my completed forms?

A12. Arizona Department of Veterans' Services
Attention: NASF
3839 N. 3rd Street, Suite 209
Phoenix, AZ 85012

Q13. Who may make a claim?

A13. Native American veterans who had Arizona income tax withheld from their active duty military pay while domiciled on their reservation. If the veteran is deceased the surviving spouse or personal representative may make a claim. If anyone other than the surviving spouse or personal representative (e.g., child of the veteran) makes a claim they must show the value of decedent's estate was less than \$30,000.

Q14. How are claims paid?

A14. On a first-come, first-served basis until the fund is exhausted.

Q15. Is interest paid on the refunds?

A15. Yes, settlement payments shall include interest computed on a daily basis from the date of a timely filed return.

Q16. Are refunds subject to setoffs?

A16. Yes, the refunds are subject to setoffs consistent with A.R.S. § 42-1122. Examples of setoffs would include back taxes, overdue child support and unpaid court fees.

Q17. What if I do not have my DD-214 or other proof of military service?

A17. Arizona Form NASF includes a check box allowing the claimant to authorize the Arizona Department of Veterans' Services to obtain their DD-214 or other proof of military service on their behalf from the United States Department of Defense. Please attach and sign Form SF-180 and attach it to your application.

Q18. What if I do not have my old W-2's?

A18. Arizona Form NASF includes a check box allowing the claimant to authorize the Arizona Department of Revenue to obtain prior year W-2's on their behalf from the United States Department of Defense.

Q19. What if I had Arizona withholding from my active duty military pay while I was domiciled on my reservation, but did not file an Arizona income tax return for those years?

A19. Even if you did not file an Arizona return during those years you are still eligible for a refund of your active duty military pay withholding including accrued interest, however any refunds paid are subject to setoffs consistent with A.R.S. § 42-1122.

Q20. What if my claim is denied?

A20. If the claim is denied by the Arizona Department of Veterans' Services the appealed case will go to the Office of Administrative Hearings. If the claim is denied by the Department of Revenue the appealed case will be considered a contested case heard by the Department of Revenue's Hearing Officer.

**Q21. What is the status of my refund claim?**

If you do not have and cannot obtain the information for an item, show "NA," meaning the information is "not available". Include as much of the requested information as you can. Incomplete information may delay response time. To determine where to mail this request see Page 2 of the SF180 for record locations and facility addresses.

Online requests may be submitted to the National Personnel Records Center (NPRC) by a veteran or deceased veteran's next-of-kin using eVetRecs at <http://www.archives.gov/veterans/military-service-records/>.

2. Personnel Records/Military Human Resource Records/Official Military Personnel File (OMPF) and Medical Records/Service Treatment Records (STR). Personnel records of military members who were discharged, retired, or died in service LESS THAN 62 YEARS AGO and medical records are in the legal custody of the military service department and are administered in accordance with rules issued by the Department of Defense and the Department of Homeland Security (DHS, Coast Guard). STRs of persons on active duty are generally kept at the local servicing clinic. After the last day of active duty, STRs should be requested from the appropriate address on page 2 of the SF 180. (See item 3, Archival Records, if the military member was discharged, retired or died in service more than 62 years ago.)

a. **Release of information:** Release of information is subject to restrictions imposed by the military services consistent with Department of Defense regulations, the provisions of the Freedom of Information Act (FOIA) and the Privacy Act of 1974. The service member (either past or present) or the member's legal guardian has access to almost any information contained in that member's own record. The authorization signature of the service member or the member's legal guardian is needed in Section III of the SF180. Others requesting information from military personnel records and/or STRs must have the release authorization in Section III of the SF 180 signed by the member or legal guardian. If the appropriate signature cannot be obtained, only limited types of information can be provided. If the former member is deceased, the surviving next-of-kin may, under certain circumstances, be entitled to greater access to a deceased veteran's records than a member of the general public. The next-of-kin may be any of the following: unmarried surviving spouse, father, mother, son, daughter, sister, or brother. Requesters **MUST** provide proof of death, such as a copy of a death certificate, newspaper article (obituary) or death notice, coroner's report of death, funeral director's signed statement of death, or verdict of coroner's jury.

b. **Fees for records:** There is no charge for most services provided to service members or next-of-kin of deceased veterans. A nominal fee is charged for certain types of service. In most instances, service fees cannot be determined in advance. If your request involves a service fee, you will receive an invoice with your records.

3. Archival Records. Personnel records of military members who were discharged, retired, or died in service 62 OR MORE YEARS AGO have been transferred to the legal custody of NARA and are referred to as "archival records".

a. **Release of Information:** Archival records are open to the public. The Privacy Act of 1974 does not apply to archival records, therefore, written authorization from the veteran or next-of-kin is not required. In order to protect the privacy of the veteran, his/her family, and third parties named in the records, the personal privacy exemption of the Freedom of Information Act (5 U.S.C. 552 (b) (6)) may still apply and may preclude the release of some information.

b. **Fees for Archival Records:** Access to archival records are granted by offering copies of the records for a fee (44 U.S.C. 2116 (c)). If a fee applies to the photocopies of documents in the requested record, you will receive an invoice. Photocopies will be sent after payment is made. For more information see <http://www.archives.gov/st-louis/archival-programs/military-personnel-archival/ompf-archival-requests.html>.

4. Where reply may be sent. The reply may be sent to the service member or any other address designated by the service member or other authorized requester. If the designated address is NOT registered to the addressee by the U.S. Postal Service (USPS), provide BOTH the addressee's name AND "in care of" (c/o) the name of the person to whom the address is registered on the NAME line in Section III, item 3, on page 1 of the SF 180. The COMPLETE address must be provided, INCLUDING any apartment/suite/unit/lot/space/etc. number.

5. Definitions and abbreviations. DISCHARGED – the individual has no current military status; SERVICE TREATMENT RECORD (STR) – The chronology of medical, mental health, and dental care received by service members during the course of their military career (does not include records of treatment while hospitalized); TDRL – Temporary Disability Retired List.

6. Service completed before World War I. National Archives Trust Fund (NATF) forms must be used to request these records. Obtain the forms by e-mail from inquire@nara.gov or write to the Code 6 address on page 2 of the SF 180.

PRIVACY ACT OF 1974 COMPLIANCE INFORMATION

The following information is provided in accordance with 5 U.S.C. 552a(e)(3) and applies to this form. Authority for collection of the information is 44 U.S.C. 2907, 3101, and 3103, and Public Law 104-134 (April 26, 1996), as amended in title 31, section 7701. Disclosure of the information is voluntary. If the requested information is not provided, it may delay servicing your inquiry because the facility servicing the service member's record may not have all of the information needed to locate it. The purpose of the information on this form is to assist the facility servicing the records (see the address list) in locating the correct military service record(s) or information to answer your inquiry. This form is then retained as a record of disclosure. EAGLE EYES

August 30, 2018

Field Trip Forms DUE!!!

Our students have a fantastic opportunity to visit the Mohave County Fairgrounds and be taken on a tour of the exhibits (including the animal exhibits) by senior 4-H leaders. We have scheduled this as a school-wide field trip for Thursday, September 13, 2018.

As a reminder, this is a tour of the exhibits only. Students are not there to ride rides, play carnival games or purchase anything. We will return to school for them to eat lunch.

Permission slips must be turned in by next Wednesday, September 5, so we can give an accurate count to the trip organizers.

Conference Date Moved

In order to make this field trip work, we have moved our family conferences (and the early release day) to the following Thursday, September 20.

Breakfast Update

We are averaging between 35-45 students a day in the cafeteria each morning for breakfast. Tardies and absences are down from last year, as have been discipline incidents.

We will continue to have cereal, fruit, and milk available each morning until we are able to get our kitchen built and expand the variety of our breakfast offerings.

FAIR ENTRIES

If students plan to enter items into the Mohave County Fair, the projects need to be turned in to Mr. Byrne by Monday, September 10, 2018.

HOW CAN I HELP MY STUDENT?

- Check the communication binder daily – Within the first three weeks, we have already had instances where students are not remembering to take home or bring back their communication binders. These white 3-ring binders are designed to keep you up-to-date with information about your student and your student’s school. Make it part of the daily routine to go through the binder with your student, so important information and paperwork is not missed.
- Plan appointments for non-school days – Whenever possible, plan appointments and out-of-ton trips for the 3 days a week that students are not scheduled for school. Every day of instruction missed puts a student potentially further and further behind academically.
- Talk to your students daily about what they did in school each day – Ask specific questions—ones that cannot be answered with a simple yes/no or a shoulder shrug. Ask about what they did in their Singapore math lesson that day. The more students communicate about their learning, the more likely it is that they will remember what they have learned.

Picture Day

Our school picture day is scheduled for October 9, 2018. After that date, packets will go home with the proofs for families to place orders. Orders can be sent back to the school or placed online.

EMERGENCY DRILLS

We are required periodically to conduct emergency drills, such as fire drills, bus evacuations, etc. We ran our first fire drill yesterday. Ask your students about it.

Experience a "deep history" of the Hualapai Tribe

KINGMAN – The Hualapai Department of Cultural Resources is partnering with the Kingman Center for the Arts in hosting a five-week long, "Bringing Us Together – A Cultural Art Event," Hualapai exhibit that Dawn Hubbs, program manager, described as "an adventure and experience in deep history of the Hualapai."

Marcelene Craynon, administrative assistant at the Hualapai Cultural Center, said one purpose of the exhibit is to bring together the Hualapai Tribe and the City of Kingman. She explained Kingman is considered a part of the Hualapai Tribe ancestral homeland, which at one point spanned 7 million acres from the Santa Maria River to the San Francisco Peaks, and down to the Colorado River. Hubbs and Craynon said the new faces turning up in Kingman can be largely unaware of the Hualapai Tribe and the influence it has had on the region, and its continued efforts to preserve culture, language and knowledge.

"I also feel that the overall non-native communities think of natives in the past, and so there's a lack of knowledge of what we still do to maintain the ongoing process and preservation of culture," Craynon said. "So in gathering together, it also tells the community that we still thrive as Native American Hualapai with our incentives to continue our preservation of language, our knowledge of plants, and our traditional ecological knowledge of the fundamentals of what makes Hualapai unique. These things are still very much a part of Hualapai knowledge that we continue with our community."

The exhibit kicks off when the gallery at 208 E. Beale St. opens at noon Friday. It will run for five weeks during the gallery's normal operating hours from 9 a.m. to 3 p.m. Tuesday through Thursday, noon to 8 p.m. Friday and 9 a.m. to 3 p.m. Saturdays.

"It comes down to a holistic viewpoint that everything is sacred, everything is important," Hubbs said. "That information gets passed through the generations of yesterday, today and tomorrow. So hopefully this show will impart that concept of continuity, preservation and partnership." Bringing Us Together is organized as a historic chronology of the Hualapai Tribe. Upon entering the building, attendees will learn about history and archeology prior to the arrival of Europeans, with each subsequent station moving through time, with the last focusing on the tribe today. There will be art, pottery, singers, dancers, drummers and an ongoing video highlighting the importance and sacredness of water featuring a tribal elder.

The exhibit opens at noon Friday, but at 6 p.m. traditionalist Ivan Bender will perform a Blessing Ceremony, which will likely include a sage blessing and three to four songs ensuring the event is properly blessed. There will be no photography permitted during the ceremony. Then from 9 a.m. to 2 p.m. Saturday, there will be a coil pottery demonstration where attendees will learn the process

of how those pots are made from beginning to end. Hubbs and Craynon noted that Hualapai pottery has in the last 10 years been revitalized with the help of the tribe's relatives, the PaiPai of Baja, California. Exhibit-goers have the opportunity to get hands-on experience with yucca twining, pottery and pine needle medallions.

"Everything has a story here, that's what gets me," said Center for the Arts board member Pat Evans. "It's more than what you see, there is so much depth behind what you see. We're going to see a pretty dress, but there's so much meaning behind that dress. We're going to see a pretty work of art, but there's so much meaning behind it. There's a story behind it all."

Tribe That Owns Grand Canyon Skywalk to Improve Airport

The northern Arizona tribe that owns the Grand Canyon Skywalk is getting nearly \$2 million in federal grant funding to improve its airport.

PEACH SPRINGS, Ariz. (AP) — The northern Arizona tribe that owns the Grand Canyon Skywalk is getting nearly \$2 million in federal grants to fix up its airport. The U.S. Department of Transportation announced the funding Thursday for the Hualapai (WAHL'-uh-peye) Tribe. It's part of more than \$3 billion in airport improvement funding from the Federal Aviation Administration.

The tribe's airport is at Grand Canyon West, a tourism venture outside the boundaries of the national park. It features a horseshoe-shaped glass bridge known as the Grand Canyon Skywalk, zip lines, rafting trips and aerial tours. The tribe received five separate grants. It will use the funding to rehabilitate the heliport, install perimeter fencing, and repair the apron, taxiway and runway.

Budget Change Threatens Future of Colorado River

Budget change threatens future of Colorado River

The Bureau of Reclamation's \$23 million budget will be transferred to the United States Treasury next fiscal year, impacting the continued health of the Colorado River and the many entities that depend on it.

The funds originally come from the power revenue created by the Glen Canyon Dam, which was then retooled by the bureau to ensure the safety of the water downstream. Without funding, the water, aquatic life and archaeological sites in the Colorado River area will be left unprotected and unmonitored. This change could affect Native American tribes including Havasupai, Hualapai, Hopi and Navajo, seven states of the Colorado River Basin and two states in Mexico -- all places that the river runs through. The Office of Management and Budget initiated the movement of funds from the bureau to the treasury.

In the meantime, the bureau is examining options to support their projects until a permanent solution is found.

"Reclamation is not going to walk away from these programs," said Marlon Duke, spokesperson for the Bureau's Upper Basin Region. "We're working with our stakeholders and our partners to find ways to continue to do the work to find a more permanent solution."

According to the Bureau, the Grand Canyon Protection Act of 1992 originally diverted the \$23 million from the treasury to the Glen Canyon Dam. In diverting the money, the dam was intended to "protect, mitigate adverse impacts to and improve the values for which Grand Canyon National Park and Glen Canyon National Recreation Area were established."

Environmentalists have opposed Glen Canyon Dam since the water-storage and hydroelectric project was proposed in the 1940s. - Cronkite News

KWLP "The Peach" Volunteer of the Month - August • Chris Quasula AKA "The King of All Metal"

WE LOVE OUR VOLUNTEERS

"The Peach."

The Hualapai Nation's Live and Local Radio Station

Proudly Announces and Congratulates

2018 Volunteer of the Month:

Chris Quasula, aka "The King of All Metal!"

"The King of All Metal" is none other than Hualapai Tribal Member, Chris Quasula. He has graced the Peach airways with his presence and rocked KWLP listeners with his awesome playlist for two full hours every Tuesday evening, 6 to 8 pm during TNT: a heavy metal and classic rock show. Chirs has been a volunteer DJ with 100.9 fm for 6 months now and has demonstrated outstanding talent and skills. Preparing and performing for 2 hours a week as a relative newcomer to broadcasting and a volunteer is no small feat. Staff has truly appreciated Chirs sending us well-organized and station-compliant show plans in advance every week of his show. We have also appreciated his responsiveness to feedback and suggestions. Chris actually donated some of his rock collection to KWLP to help expand The Peach music library in the genres of music he loves. Staff, other volunteers and listeners alike love him for that, as well as his passion for his playlists and that awesome gravelly voice-right?!? It couldn't be more perfect for the host of a rock and roll radio show. Chris jokes he "has the face for radio!" We are blessed he has shared it with us for the last 6 months and wish him well in his future endeavors in radio and elsewhere! We also thank him for his gracious and generous donation of his volunteer incentives to the Peach springs boys and Girls Club. This month they value nearly \$100.00 retail and will be used by the club for incentives and give-aways to community youth! Hank'yu Chris!
