Happy New Year People of the Tall Pines

Submitted by: Dr. Damon Clarke, Chairman | Hualapai Tribe

January 2, 2019

Gum I yu je Happy New Year "People of the Tall Pines"

We have entered a new chapter in our books, and have taken another step in "Taking it to the Next Level". Lots of issues to tend to, to work on, and to make things better as we enter this new year. Let us take a short time period back to the year 2018:

Condolences ❤️ During the 2018 Year, we had 23 dearly departed Hualapai Tribal members: **January-** Danielle Keller; Timothy D. Hunter, Sr.; Allene F. Davis; Terranance G. Beale; **February-** Reggie D. Jackson; Getrude M. Manakaja/ Havatone; DeWaun F. Steele; **March-** Richard D. Two Bulls, Jr. ; **April-** Cleophas Parker Santistevan; **May-** Joshua D. Walker; **June-** Anita J. Imus/ Walker; Nadine A. Wilder; **July-** Roberta K. Lee Salazar; **August-** (n/a); **September-** Darrell D. Lee; Linda M. Powskey; **October-** Casey Talieje; Lois Nodman/ Little; **November-** Carlos V. Marshall; **December-** Leota Suminimo; Barbara Schrum/Vaughn; Carol Walema/ Matuck; Gary L. Figueroa; Jeffery Wauneka. (Rest In Peace).

To all our relatives, relations, and our fellow people of the Hualapai Tribe, let these words of wisdom, happy messages and inspirations motivate you to have your best year ever. From wishes of the Tribal Council to you of well-being, happiness and joy, to bittersweet words of wisdom, we wish you the best in 2019!

Today and tomorrow please begin your book with an opening that will bring you the most of the days ahead. Let's be thankful for what we have and look forward to the gifts of life. If we look at what we don't have, we will never realize we can never, ever have enough.

Let's leave our bitterness behind and see the better things ahead of our journey we call "Life". As we get a little older, we change, and we're a different person. We are never the same person all of our lives, think about that.

We need to be blessed of our days ahead and understand that our days are numbered, but think about the best days of our lives haven't even happened yet. Remember that we are not perfect in any way. It's the effort we bring to our purpose every day. And with that, comes transformation and that is how change takes place. So, be all you can be and make the efforts daily.

With that in mind, it's ok to make mistakes. If you are making mistakes, you are trying new things, learning, living, pushing yourself, changing, and making the world a little better. So, my wish to you, and to all of us, and even myself is to make mistakes. Do things that will make it better. Don't freeze, don't stop, don't worry that it isn't good enough, just make sure you correct the mistakes with pride, love, or with great effort. Whatever it is you're scared of doing, Do it. Make your mistakes, this year, next year, and forever. The following was taken from an excerpt:

As a follower of Christ, you are a new creation! You have a new spirit, a new walk, a new life! Are there "old" things" in your life that you are trying to get rid of? Maybe you have old behaviors or addictions that you want to change. Remember, the new is near. It's a new year, and it's time to be the new you. Let this year be the year you break old habits and addictions. Let this be the year that you move forward into a new life of victory. And your new life includes all the spiritual blessings the Lord has promised in His Word. You have a promise of peace, health, protection and provision. Be encouraged today and know that no matter what is happening in your life right now, you can embrace the new life God has prepared for you. Make the choice today to leave the old behind—leave behind old behavior, old thinking, old words. Embrace the new by faith, and you'll move forward into the life of blessing the Lord has in store for you.

"Heavenly Father, thank You for making me new. Help me to understand Your plan for me so that I can fully embrace Your promises. I choose today to leave behind the old life and ask that You empower me by Your spirit today in Jesus' name. Amen."

Have a very special year form all of us her at the Tribal Council, have a safe and wonderful 2019!

Ham o Kyu'

The Hualapai Tribe would like to welcome the new enrollees for January 2019.

TERC Seeking New Member • Deadline: Monday, January 28th

Submitted by: Kevin Davidson | Hualapai Planning Department

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other; in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person; for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible - plants don't grow - there will be no life - nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name Hualapai - PEOPLE OF THE TALL PINES -

The Planning Department is looking for One new TERC Member.

Greetings Community Members:

The Planning Department is looking for one new applicant for the Tribal Environmental Review Commission (TERC) Board of Commissioners. Below is a summary of what TERC is and what their function is.

Under the Hualapai Environmental Review Code (HERC) the Board of Commissioners has the primary authority, under the direction of the Hualapai Tribal Council, for regulating land use and development of Hualapai Tribal Lands. The Board of Commissioners is composed of seven (7) members who are appointed by the Tribal Council.

Their function is to review and regulate, including issuing permits for, all development activities that are proposed for any site within Hualapai Tribal lands, in order to ensure that:

- (1) no development activity will be carried out without a permit; and
- (2) all development activities will be carried out in accordance with all applicable tribal and federal environmental protection laws and regulations.

If any person is interested, you can pick up an application at the Hualapai Planning Department, fill it out and turn it in to the Department at 887 Hwy 66 (next to 76 fuel station). **The due date for applications is January 28, 2019.** If you have any questions please feel free to contact me at 769-1310.

Respectfully,

Kevin Davidson, Director

Attention Tribal Members - We Need You! • Become a School Board Member

Submitted by: Michelle Zephier | Hualapai Planning Department

Dear Peach Springs Community,

I feel it's important to inform the community so we can have more tribal members on the School Board, there are two more openings so please tribal members write a letter and email to: Michael File <Michael.File@mohavecounty.us>

So you can be interviewed and chosen, I will not run again for the School Board but feel it's extremely important that there be Tribal Members on the School Board: This is why I stayed on the board this time to make sure our community is heard. So please I would love to see the last two seats filled by our own people so we can make sure the people are heard. This is your time to run for the better of our school and student's education.

Effective January 1, 2019; we will have the following board members begin as PSUSD board members

- Juanita Cooper (new board member)
- Jody Donohue (new board member)
- Michelle Zephier (prior member, term ended 12/31/2018 but will begin new 2-year term as board member during our next meeting and will then begin immediately so we have quorum)
- 2 Vacant seats
- The three board members will interview and select additional two board members but may take some time for the following process. I will post announcement, accept letters, and share information with the board members for upcoming interviews during formal board meeting agenda item. After the three board members make a determination, I will forward your recommendation to Mike File for official appointment. Until then, we will continue board process as 3 board member until two others are appointed. We must have all 3 members to have a quorum.

Currently, regular monthly board meetings are scheduled the first Tuesday of each month at 6 pm. Due to Ms. Donohue not being available from January 8 until the third week of January, we will not be able to schedule regular meeting during our scheduled board meeting.

As we do not have assigned board president (this will need to be item for first meeting for board members to determine), I will send my recommendation to all board members.

- *******(For Council and Community so please come and attend)** January 29, 2019 at 6pm- TRUST board training meeting on procedures, board & superintendent roles, process following school board meeting policies, community input during board meetings, questions and answers. (TRAINING will be OPEN to the public as there has been some question from tribal council members about AZ public school board meetings compared to tribal council meetings. This is good opportunity for community and tribal representation to hear from TRUST on the Arizona School Board procedures. The more community members and tribal council members the better to build confidence and clarify that we are following the correct protocol as public school board members and school administrators. There has been some misinformation provided to tribal council members and this meeting would be perfect to clear the misunderstanding and clarify roles.
- February 5, 2019 at 6 pm – Regular board meeting after new board members have received training, sample board meeting protocol, so everyone is comfortable moving forward. This is ensuring we have a positive start and move the district forward in a positive, proactive direction for the best interest of KIDS-FIRST.

Indian Education Committee

Our Indian Education Committee will present the annual Indian policies and Procedure (IPPs) to the school board on Tuesday, January 8, 2019, during the regular board meeting that begins at 4:30 pm. The public is invited to attend. The Committee welcomes feedback, questions, concerns, and suggestions regarding our students' education at Valentine Elementary School. Thank you to Ralph and Sulinda Goldenstein for serving on our Committee this year.

Author Visit

Our school is honored to have children's book author Gary Hogg visit our school next Monday, January 14, 2019. He will be conducting a morning assembly for all of our students and then will spend about 45 minutes in each classroom conducting writing workshops for our students. Yellow fliers are going home with this newsletter if you would like to order any of his books.

SPELLING BEE

Congratulations to our school spelling bee winner, Ernesto Balderrama, Jr. He will be representing our school at the Mohave County Spelling Bee on January 18. The county bee starts at 6pm in the Mohave County Supervisors Auditorium, 700 West Beale Street in Kingman.

WINTER CARNIVAL

Reviews for this past month's carnival and concert have been predominantly positive. We always welcome input from families, so please take a moment to complete the Feedback Form for the event and return it in your student's communication binder.

The Boys & Girls Club has unfortunately had some additional maintenance issues and will remain closed through this Wednesday, but plans to reopen on Thursday, January 10.

HOW CAN I HELP MY STUDENT?

- Challenge them to learn something new every day – Learning never stops. Demonstrate for them that you are learning something new every day as well.
- Have them teach you something they learned in school each day – Research shows that when people know that they are going to have to teach someone else what they are learning, they pay more attention and generally learn the material or skill better than if they simply have to take a test on it later. Teaching helps make learning more permanent.
- Attend Family Conferences on February 7 – After the turnout during last year's spring conferences, we have decided to have them again this year. Conferences will be on February 7. Students will have an early out at noon that day to leave sufficient time for everyone to participate.

PLANNING AHEAD

- Jan 14 – Author Visit
- Jan 21 – Martin Luther King Jr. Day – **NO SCHOOL**
- Jan 24 – Early out (2pm) – Staff Training
- Feb 07 – Early out (noon) – Conferences

AZ TAX CREDIT

Valentine Elementary can accept donations in any amount. The dollar-for-dollar credit can be taken on an Arizona tax return up to certain limits, while any amount donated can be taken as a charitable contribution deduction.

In the ongoing effort to keep our school grounds looking good, we ask that you have your students enjoy their pomegranates at home and not bring them to school.

HISTORIC DAY: TWO AMERICAN INDIAN WOMEN BECOME MEMBERS OF CONGRESS

BY LEVI RICKERT / CURRENTS / 03 JAN 2019

WASHINGTON — In a history making moment, two American Indian women were sworn-in today, January 3, 2019, as members of Congress. Deb Haaland (Laguna Pueblo), from the 1st Congressional District in New Mexico and Sharice Davids (Ho-Chunk), from the 3rd Congressional District in Kansas, became the first two American Indian women ever to become members of Congress.

The 116th Congress convened just after noon today. The new Congress changes to the control of the House of Representatives from Republican control to Democratic control. Both Rep. Haaland and Rep. Davids are Democrats.

You Become What You Think

You know you sometimes think yourself into unhappiness and depression. But did you know you could also think yourself into happiness? By positive thinking, you will be well, you will prosper and your prayers will be answered. Become the master of your thoughts. Stop thinking about how tough life is, stop thinking about the future and the past, think of Gods' riches and loves, and express those thoughts daily. You will become what you think!!!

Thank You

Honor Student Destiny Max Nominated for The Congress of Future Medical Leaders in Boston, MA

OWYHEE — Destiny Max, a senior at Owyhee Combine of Owyhee will be a Delegate to the Congress of Future Medical Leaders in Lowell, MA on June 23-25, 2019.

The Congress is an honors-only program for high school students who want to become physicians or go into medical research fields. The purpose of this event is to honor, inspire, motivate and direct the top students in the country who aspire to be physicians or medical scientists, to stay true to their dream and, after the event, to provide a path, plan and resources to help them reach their goal.

Destiny's nomination letter was signed by Dr. Mario Capecchi, winner of the Nobel Prize in Medicine and the Science Director of the National Academy of Future Physicians and Medical Scientists to represent Owyhee Combine School based on her academic achievement, leadership potential and determination to serve humanity in the field of medicine.

During the three-day Congress, Destiny Max will join students from across the country and hear Nobel Laureates and National Medal of Science Winners talk about leading medical research; be given advice from Ivy League and top medical school deans on what to expect in medical school; witness stories told by patients who are living medical miracles; be inspired by fellow teen medical science prodigies; and learn about cutting-edge advances and the future in medicine and medical technology.

"This is a crucial time in America when we need more doctors and medical scientists who are even better prepared for a future that is changing exponentially," said Richard Rossi, Executive Director, National Academy of Future Physicians and Medical Scientists. "Focused, bright and determined students like Destiny Max are our future and she deserves all the mentoring and guidance we can give her."

The Academy offers free services and programs to students who want to be physicians or go into medical science. Some of the services and programs the Academy offers are online social networks through which future doctors and medical scientists can communicate; opportunities for students to be guided and mentored by physicians and medical students; and communications for parents and students on college acceptance and finances, skills acquisition, internships, career guidance and much more.

The National Academy of Future Physicians and Medical Scientists was founded on the belief that we must identify prospective medical talent at the earliest possible age and help these students acquire the necessary experience and skills to take them to the doorstep of this vital career. Based in Washington, D.C. and with offices in Boston, MA, the Academy was chartered as a nonpartisan, taxpaying institution to help address this crisis by working to identify, encourage and mentor students who wish to devote their lives to the service of humanity as physicians, medical scientists.
