Hualapai Tribal Council • February
Submitted by: Dr. Damon Clarke, Chairman | Hualapai Tribe

Jo' Gam iyuje?

Good February, as the groundhog Punxsutawney Phil has indicated we will be having an early spring. We will see if this is true and the old ground hog is telling us the truth. Well, the month of February is almost gone as we speak, by the time you read this it will be near the end of the month. We have had celebrated Valentine's Day; participated in the Shareholders' meeting; participated in Arizona's birthday; President's Day, and enjoyed the full moon. February is a very short month as we all know but things must go on...

Just wanted to share "the Dance of your left and right". Your vision springs from the creative right side of your brain. To create a workable action play, you need to bring the left side of the brain into the picture to pass ultimate judgment on your ideas and set priorities.

Begin the planning process by looking at your vision and reviewing the mission you have made. Set goals; set priorities; and develop strategies to put into place. (Sometimes you just do things without planning, and that's ok). From what some say, it is not the destiny that is important, but it is the journey. What you do along the way makes the whole purpose an adventure.

So, with that in mind, just wanted to update you with the following Resolutions that the Hualapai Tribal Council have passed within the past two months:

Resolution 01-2019 Enrollment Resolution- was adopted and passed on January 5, 2019. This was a resolution for two (2) new enrollments of tribal members.

Resolution 02-2019 - Did not pass.

Resolution 03-2019 was passed on January 5, 2019. **The Hualapai Baptist Church Lease** was approved for a term of 10 years.

Resolution 04-2019 was also passed on January 5, 2019. This was the lease of the **Hualapai Church of God Southwest Indian Ministries Lease** for a period of 10 years.

Resolution 05-2019. Adopted January 5, 2019 at the Regular Council Meeting which was the **Consuming Fire Christian Church Lease** for a period of 10 years.

Resolution 06-2019 Goldie Havatone Hualapai Residential Lease at 515 Diamond Creek Road which is a Conveyance Resolution. This was passed on January 5, 2019.

Resolution 07-2019 Carrie Imus Hualapai Residential Lease at 117 Ranch at Thorton Tank. This was the late Hardy Smith's lease and now transferred to Carrie Imus. Passed on January 5, 2019.

Resolution 08-2019 was introduced and passed by the Hualapai Tribal Council on January 5, 2019. This resolution is titled "Truxton Triangle Master Plan".

Resolution 09- 2019 was passed to submit a grant for the "2019 Coordinated Tribal Assistance Solicitation for the Correction and Correctional alternatives and The Tribal Youth Program." February 2, 2019.

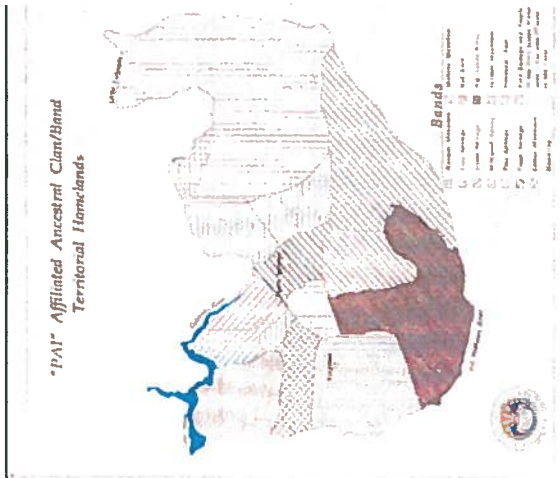

Resolution 10-2019 passed on Feb. 2, 2019 for the Hualapai Tribe entitled: "Tribal Transportation Improvement Program (TTIP) FY19-2023." The funding will focus on a Transit facility; the Youth Camp Road; Diamond Bar Road; Road Maintenance 1, 2, 3 as identified on TTIP; a walking path on Diamond Creek Road; safety features on Peach Springs Roads; and the Buck n Doe Road as identified on TTIP.

Thank you for the moisture we have long been waiting for and we hope that you have a great ending of the month and get to those goals you made and are going to make.

Our Vision to Success

"Skywalk and Grand Canyon West are the main economic drivers for the Hualapai Tribe, and we are proud of the success our dedicated tribal members and others have achieved in this beautiful location.

But there is one issue standing in the way of building upon that success: access to water. Just like the rest of Arizona, the Hualapai Tribe needs to assure its water supply to support our people in the generations to come."

Hualapai Tribal Utility Authority Seeking Two (2) New Members • Deadline: Friday, March 1st

Submitted by: Kevin Davidson | Hualapai Planning Department

SEEKING TWO NEW BOARD MEMBERS FOR THE HUALAPAI TRIBAL UTILITY AUTHORITY (HTUA)

On September 24, 2014, the Hualapai Tribal Council adopted the Hualapai Tribal Utility Authority Governing Ordinance. This is a significant step toward self-determination in the realm of public utilities for the Hualapai Tribe.

Established as an institution of Tribal government, the five members of the Hualapai Tribal Utility Authority board are chosen by Council. As noted in Section 107.b.3, of the Ordinance, the HTUA Board is authorized to acquire, construct, operate, maintain, promote, and expand electric power service, and eventually water service, and sewage service at Grand Canyon West and on such other locations within the Hualapai Reservation and on other Tribal lands under the jurisdiction of the Hualapai Tribe as the Tribal Council may deem appropriate. The HTUA board is delegated full authority and responsibility for the management and operation of HTUA consistent with the Ordinance.

At this time, the Tribe is seeking two new candidates to apply for Board membership to maintain this important function of Tribal government.

- The first Board position may be filled by a member of the Community who has sufficient education, experience, and sound judgment to learn basic utility business practices and procedures.
- The second Board position may be filled by a member or non-member of the Community who has not less than ten years' experience in business management of substantial character and has had experience in the management and operation of an electric utility.

The new board member will be appointed for a three-year term. No employee of the Bureau of Indian Affairs, employee of the HTUA or member of the Tribal Council shall be a member of the Board.

Please prepare a typed narrative offering your qualifications (resume) and general motivation to be a member of the Hualapai Tribal Utility Authority Board and what you hope to achieve while on the Board. Please bring or e-mail your letter of interest to the Tribal Office, 941 Hualapai Way, Peach Springs, Arizona, attention Christine Lee, by **Friday, March 1, 2019, at 5:00 PM**.

Thank you for your thoughtful consideration of this offer and desire to enhance utility services on the Hualapai Reservation.

2019 Range Manager of the Year Award • Peach Springs Livestock Association

Submitted by: Danielle Bravo | Hualapai Planning Department

Society for
Range
Management
Arizona Section

Congratulations to the Peach Springs Livestock Association and Philip Bravo, Jr.

Mr. Bravo recently attended a Society of Range Management meeting in Silver City, New Mexico, where they were awarded Ranch and Ranch Manager of the Year for the State of Arizona. Also, in attendance were Francis Munoz and Daniel Alvarado of the Hualapai Tribe Natural Resource Department, as well as tribal member Brandon Havatone. The society of range management has toured the Hualapai Reservation and all five associations, as well as numerous ranches within the state of Arizona.

Peach Springs Livestock Association has followed a strict rotation plan; where they rest a pasture for three growing seasons, which means it is rested for a Fall-Spring-Fall or Spring-Fall-Spring. The Association has also been involved with the NRCS since the early 70's and has continued to do so while doing projects such as: rest rotation, juniper removal, noxious weed removal, and has extended waterlines within the association and this has helped the grass land within the Association.

The Society of Range Management appreciates all the work and efforts the Bravo family and the association members have done and continue to do for Range management, within the Association. Mr. Bravo is also a member of the Arizona Cattle Growers, Arizona Farm Bureau and a board member for Mohave County Farm and Livestock Bureau (formerly known as the Mohave Livestock Association), President of the Hualapai Nation Soil and Water Conservation Board and sits on the board of Directors for the Arizona Association of Native American Conservation Districts.

Thank you Philip and Peach Springs Livestock Association.

Maintenance Department.

We have been hauling away the old playground equipment at Music Mountain and Milkweed Parks.

We will start rehab of 4 units this week. Maintenance techs continue to work on 2018 punch list, they only have 3 left to complete. They will start repairing fences next week in Peach Springs. We will not be installing any more walkways through the community. So please take care of your fence and yard area. Remember you can check out yard tools at the housing office, but it is your responsibility to return them in a timely manner or you will be billed for them.

Housing Security Concerns

1. While I am on my shift I see kids riding scooters up and down the road in the dark. This is an accident waiting to happen, on day these kids are going to get hit by a car.
2. I also see kids, little kids walking home in the cold and the dark anything can happen.
3. Parents should be responsible and control actions of the kids.
4. Property damage is done by some of these children. This is a civil liability. The parent is obligated to take responsibility of these children not just financially.
5. The parent is responsible for any damage his or her child may cause to any property.

Moby Max Day!

Our school has recently obtained a site license for the educational program known as Moby Max! The web-based program will help students diagnose and fill many of their learning gaps in English and mathematical concepts. Part of the program includes prizes and other incentives for the students.

We are fortunate to have a guest from Moby Max scheduled to visit the school on Wednesday, February 6, 2019, to go over the program with the students and the staff. The school-wide presentation will be right at the beginning of the day in the gym. Families are welcome to attend. Individual classroom workshops will follow throughout the day.

Spring Conferences!

Conference schedules went home last Thursday. If you have not received one, please call the school as soon as possible to verify your time for this Thursday. All students are being released at noon that day, so conferences may begin at 12:30. We strongly encourage families to attend conferences to discuss their students' progress with teachers and work together to develop a plan for the rest of the school year.

Author Visit

Gary Hogg's visit to Valentine Elementary was a huge success! He enjoyed it so much that he wasted no time featuring Mr. Byrne's class on his Facebook page (<https://www.facebook.com/garyhoggbooks/>). Students have been playing their Brave Cards and writing with Details for a few weeks now. Students and staff thoroughly enjoyed the visit and we hope to invite him back again in the future.

SPELLING BEE

Congratulations to our school spelling bee winner, Ernesto Balderrama, Jr. He represented our school well at the Mohave County Spelling Bee on January 18. As Junior is an 8th grader this year, someone else will be our top speller next year. Keep practicing!

In the ongoing effort to keep our students safe, we remind everyone that there are to be no glass bottles or containers brought to school or transported on the school buses.

HOW CAN I HELP MY STUDENT?

- Attend Family Conferences on February 7 – After the turnout during last year's spring conferences, we have decided to have them again this year. Conferences will be on February 7. Students will have an early out at noon that day to leave sufficient time for everyone to participate.
- Have them tell you what makes them happy – When people talk about happiness, they tend to find more of it.
- Talk to your students about the dangers of alcohol – We had an incident last week where alcohol was brought on campus by one or more students. Medical personnel had to be called. Several students have since admitted to drinking that day. As the investigation continues, consequences will be handed out. The consequences are not nearly as important, however, as the education that students will be receiving about the effects of alcohol, particularly on their young brains.

PLANNING AHEAD

- Feb 07 – Early out (noon) – Conferences
- Feb 18 – Presidents' Day – **NO SCHOOL**
- Mar 14 – Early out (2pm) – Staff Training
- Mar 18-21 – Spring Break – **NO SCHOOL**
- Apr 08-18 – AzMERIT/AIMS Testing
- May 03 – Small Schools Track Meet
- May 21 – Graduation/Promotion Ceremony
NOTE: THIS IS A CHANGE FROM THE ANNUAL CALENDAR
- May 23 – Field Day, Rec Area 1

Application Open for the American Indian College Fund Full Circle Scholarship

by Native News Online Staff | Published January 25, 2019

**AMERICAN INDIAN
COLLEGE FUND**
EDUCATION IS THE ANSWER

DENVER, Colo. — As the American Indian College Fund celebrates its 30th year, the application for its signature scholarship program - The Full Circle Scholarship - has opened to support Native American college students during the 2019-2020 school year.

Every year, the College Fund distributes millions of dollars to thousands of Native students seeking degrees in higher education. Students who are members or descendants of federally and state recognized tribes can apply for support until the application deadline of May 31, 2019. There are no financial need requirements, and students can learn more about the application guidelines and apply at www.collegefund.org/scholarships.

Only one percent college students are American Indian, and they attain bachelor's degrees at less than half the rate of the general population. However, they experience poverty at almost double the rate of the same group. Full Circle Scholarship funds, and other student support programs, are crucial components in helping Native students attain a college degree and achieve their education and career goals.

Look for and Compliment the Good Daily

Strengthening Families
Program by Dr. Karol Kumpfer

FAMILY GOALS:

1. Look for and compliment the good in each family member daily.
 - a) Record the "Reinforcing Compliments" you give each other.
2. Ignore minor annoying behavior and resist fault-finding.
3. Write one thing you noticed and appreciated in the "Gratitude Journal" each day.
4. Practice using "Three Instant Stress Busters" to self-soothe and stay calm.

FAMILY FUN:

Print off the "Family Tree" handout and pages of leaves. Let each person write his or her strengths on the leaves. Cut them out and glue them to the tree.

POWER PHRASE:

"Looking for and complimenting the good increases my appreciation for family members and helps them behave better."

- **Look for and compliment the good in each family member daily (including yourself!)**
- **Ignore annoying behavior; resist fault-finding**
- **Use "Instant Stress Busters" to self-soothe**

Look for and Compliment the Good

Tracking Sheet—Adult

Write the name of each family member below. During the week, write one word to describe the good you noticed and complimented. Put a mark each time you gave a compliment or expressed love or appreciation. We cannot change how we behave towards people until we change how we think about them. Noticing and expressing the good about a person helps us to feel better towards him or her.

Reinforcing Compliments should:

1. Be immediate
2. Express delight
3. Describe behavior
4. Tell a benefit
5. Include a touch

Record your compliments. Keep a 4:1 ratio of positive comments to negative.		Put a mark for each compliment shared

Put a mark every time you fault-find or criticize. Make a goal to stop.

Look for and Compliment the Good

Tracking Sheet—Teen

Practice makes perfect. Put a checkmark each time you compliment a family member.

Noticing the good boosts your brain power, and complimenting your family members builds loving relationships.

Name of Family Member	MON	TUES	WED	THURS	FRI	SAT	SUN

Remember to follow these steps to make it a reinforcing compliment:

1. Give it immediately.
2. Be happy and sincere.
3. Tell exactly WHAT you liked.
4. Tell HOW it helped the person.
5. Add a gentle touch.

Here's an example to get you started:

If your sister played well in her soccer game, give her a high-five and say, "Hey! You really rocked that game today. You played hard and had a lot of good touches on the ball."

No Trash Talk

Put a checkmark every time you criticize or find fault with someone.

Make a goal to stop noticing and pointing out the negative.

Look for and Compliment the Good

Tracking Sheet—Child

Draw a smiley face each time you compliment a family member.
Remember, complementing people makes them feel happy and it makes you feel happy too.

Name of Family Member	MON	TUES	WED	THURS	FRI	SAT	SUN

Follow these steps to give a super compliment:

1. Give your compliment as soon as you notice something good.
2. Be happy and really mean what you say.
3. Tell exactly WHAT you liked.
4. Tell HOW it helped the person.
5. Touch the person gently as you give your compliment.

Here's an example to get you started:

If your mom fixed you a yummy dinner, you could give her a hug and say, "Mom, I really liked your dinner tonight because it was healthy and delicious."

No Trash Talk

Mark a frowny face every time you are mean to someone, like criticizing or pointing out someone's mistakes.

Make a goal to stop noticing and pointing out the negative.

The Power of Praising and Ignoring

Two fundamental skills to change children's behavior

1. Praising the Positive Opposite:

Identify one negative behavior you'd like your child to change and write it below. Only work on one behavior at a time. Decide what that behavior's opposite would be. (It becomes the Positive Opposite you're going to praise.) Write it below. For example: the opposite of "fighting" is "getting along"; the opposite of "lying" is "telling the truth," etc. Every time you see your child doing that positive behavior, praise him or her using Reinforcing Compliments. The steps to use Reinforcing Compliments are praise immediately; be enthusiastic, be specific, give a benefit, and add a touch. Track your praise and your child's progress.

If the behavior doesn't occur often enough to be reinforcing, talk to your child privately during a calm moment and set up a reward system that allows him or her to earn special rewards or privileges (see Lesson 3). Track his or her behavior and your Reinforcing Compliments.

Praising the Positive Opposite:			Put a + sign each time you praise						
Name:	Negative Behavior	Positive Opposite Behavior:	S	M	T	W	T	F	S

2. Effective Ignoring:

The other crucial skill in changing behavior is to ignore minor negative behaviors that you want to disappear. Kids feed on attention and want to get a reaction from you. Don't give it. Ignoring needs to be done right in order to be effective. Here are the 5 Steps of Effective Ignoring:

1. Show no emotion.
2. Turn your attention immediately away; act interested in something else.
3. Don't look at the person.
4. Have no physical contact until the misbehavior stops.
5. Warmly give your child positive attention the moment the misbehavior stops.

40 Phrases That Praise

Putting deposits in your kid's "emotional bank account"

Say these phrases aloud on your own so that they will come to mind, and feel natural, as you seek opportunities to use them. Actively look for the good in all family members and give sincere compliments—especially to those who annoy you the most. Praise even their attempts at good behavior. You'll feel happier, and so will they. Only after people feel loved and accepted can they begin to change.

Three Easy Instant Stress-Busters

Practice each of these Stress-Busters until they become easy to do and you can immediately de-stress and self-soothe. Whenever a family discussion gets “hot,” call a “Ten Second Time-Out” to disengage, and use these three instant stress busters.

1

Calm Breaths

Take three slow, deep breaths through your nose; hold each breath for a second; and then very slowly release the air.

As you take slow, deep breaths through your nose, tiny cells high up in your nasal passage are stimulated, giving off nitric oxide.

Nitric oxide is a relaxing, short-lived brain neurotransmitter. It causes our blood vessels to relax and dilate so they carry more oxygen to the brain, and we feel more calm and alert.

2

Warm Waterfall (Progressive Muscle Relaxation)

a) Close your eyes and tighten all your muscles, even those in your face.

b) Imagine a gentle, warm relaxing waterfall that begins to pour softly over your head, run down your face, and flow all the way to your feet. As the soft, warm water touches each part of you, relax that set of muscles.

c) When the imaginary warm water reaches your feet, flick the water off your fingertips, open your eyes, step out of the “puddle” and you are completely relaxed, de-stressed, and alert.

3

Positive “C” Talk (“Self-Talk”)

- I am **C**alm and in **C**ontrol.
- I **C**an make this moment better.
- I **C**an smile.

As you repeat each of these three statements to yourself, take a slow, deep cleansing breath through your nose. Hold it for two seconds, and then let the air out slowly through your lips. On the last “C” statement—after you breathe out, **SMILE!**

Smiling triggers “feel-good” brain chemicals. You’ll feel a happy difference.

What Makes Our Family Strong

a. Our Family Tree

Print out this page and its companion leaf page. Together, think of strengths that your family has (loyal, helpful, etc.) or that individual family members bring to the family (kind, funny, hard-working, etc.). Give each family member several leaves and have each person write family strengths or positive qualities (including their own) on each leaf. Then glue them to the tree and post where family members can see and appreciate it. Add leaves to the tree as you think of more qualities or learn new skills.

What Makes Our Family Strong

b. Family Tree Leaves

Strengthening Families Program by Dr. Karol Kumpfer

Cut out the leaves and write strengths of your family and/or family members on them; then glue on tree.

What Makes Our Family Strong

c. Personal & Family Strengths

Below are a list of qualities and strengths to write on the leaves in the "Family Tree Leaves" handout. All people have things they do well and qualities that others value and appreciate. Think about each member of your family and write the strengths and qualities they have on your leaves and place them on the family tree. As you look for and discover new qualities continue to add them to your family tree.

Pro-Social Skills for a Successful Life

Encouraging good behavior

HOW TO

GIVE REINFORCING COMPLIMENTS

1. Give your compliment immediately.
2. Be enthusiastic and sincere.
3. Describe behavior specifically. Tell exactly what you liked.
4. Explain a benefit for doing the behavior that your child will appreciate.
5. Add a gentle touch.

HOW TO

PRAISE THE POSITIVE OPPOSITE

1. Identify one negative behavior you'd like your child to change.
2. Decide what the opposite of that behavior is.
3. Every time you see your child doing the good behavior (the opposite of the bad behavior), praise him or her using Reinforcing Compliments.

HOW TO

STOP CRITICIZING

1. Recognize that criticism harms family relationships. It doesn't encourage people to change, and it creates negative brain wiring in the person who is criticizing.
2. Make a firm commitment to yourself and family to stop being critical. Put up reminders.
3. Ask the family to remind you to not criticize, and thank them when they do. Replace your criticisms with a positive phrase.
4. Look for the good in others.
5. Each time you notice a fault or think a judgmental thought about someone, add the words, "... and me too," to the thought.
6. Use the skill of positive criticism from Lesson 7.

HOW TO

IGNORE ANNOYING BEHAVIOR

1. Show no emotion.
2. Turn your attention immediately away; act interested in something else.
3. Don't look at the person.
4. Have no physical contact until the misbehavior stops.
5. Warmly give your child positive attention the moment the misbehavior stops.
6. Praise the positive opposite.

Respect, Love & Strength

Respect, Love & Strength for January

To all beautiful native people! Red hawk here, once again I am truly honored to share positivity, strength and hope from our many tribal teachings that I am learning from our ancestors, elders and even our young people with old souls. From the Red Road teachings, may we walk the Red Road together strengthening our mind, bodies and spirits so we may help in healing our families—communities and spiritual bond with our Creator.

Red Road Lesson #1: The Good Red Road
Originally the term, "The Red Road" or "The Good Red Road" was used by the Plains people to signify one's righteous relationship with their divinity. When one walks the Red Road, one is living within the rules of the Creator, living a life of truth, friendship, respect, spirituality and humanitarians. Today, the phrase is used by numerous people all over the world. From our elders of the past, to strengthen our path to the future; "I hope the Great Heavenly Father, who will look down upon us, will give all tribes, his blessings, that we may go forth in peace and live in peace all our days and that he will look down upon our children and finally left us far above this Earth and that our Heavenly Father will look upon our children as His children. And as we shake hands today upon this broad plain, we may forever live in peace."

Teaching of the Past

The Circle has healing power. In the Circle we are all equal. When in the Circle, no one is in front of you. No one is behind you. No one is below you. The Sacred Circle is designed to create unity. The Hoop of Life is also a circle. On this hoop there is a place for every species, every race, every tree, every plant. It is this completeness of Life that must be respected in order to bring about health on this planet. To understand each other as the ripples when a stone is tossed into the water, the Circle starts small and grows until it fills the whole lake.

The 2019 Wildland Fire Season is on its way and we are looking for highly motivated individuals willing to work strenuous shifts, maintain a positive attitude, and to be a team player. Keep in mind fire is unpredictable so shifts include weeks away from home and working holidays.

What is Wildland Fire?

A wildland fire is an unwanted ignition which consumes available fuels (grass, trees, and shrubs) by crawling, creeping, jumping, and running before smoldering to rest. Unwanted fires are the results of Rodeo-Chediski Fire (2002), Wallow Fire and Horeshoe 2 fire (2011) and most recently on the Hualapai Reservation the Sage Fire (2016).

What causes a Wildland Fire?

There are two types of ignitions 1) "anthropogenic" the results of human activity such as playing with matches, dropping cigarettes, embers from chimneys, unattended camp fires, and sparks from machines 2) natural ignitions are from volcanic activity and lightning.

How do I apply?

Contact staff at Branch of Forestry or stop by the office for application and nomination form for trainings. The process for employment is to complete; 1) Drug test 2) Physical Exam required and processed through Medical Standards or a Self-Certification Health Screen Questionnaire 3) Southwest Firefighter Application 4) Work Capacity Test (WCT): Informed
