Governor Ducey Signs Bill Taking Action for Missing and Murdered Indigenous Women
Submitted by: Danielle Bravo | Hualapai Planning Department

FOR IMMEDIATE RELEASE
August 13, 2019

<https://azgovernor.gov/>

**GOVERNOR DUCEY SIGNS BILL TAKING ACTION
FOR MISSING AND MURDERED INDIGENOUS WOMEN AND GIRLS**

PHOENIX — Governor Doug Ducey today joined families, tribal leaders, members of law enforcement, elected officials and more to sign H.B. 2570, legislation establishing a 21-member Study Committee on Missing and Murdered Indigenous Women and Girls. The new committee will consist of members of law enforcement, Arizona’s Native American tribes, family members of the murdered and missing and additional victim advocates.

H.B. 2570 passed both the Arizona House and Senate with unanimous support earlier this year.

“The crisis of missing and murdered indigenous women and girls is a heart-wrenching reality that tribal communities have been experiencing for far too long,” said Governor Ducey. “So many families have been subjected to the grief and pain of losing a loved one who was killed or sadly vanished. Today, Arizona says ‘no more.’ My compassion and thanks go out to these families and advocates involved in leading this fight for answers, action and justice. And my thanks to the many lawmakers around the state, especially Senator Victoria Steele and Representative Jennifer Jermaine, for leading to get this bill passed.”

“Today, we have taken a meaningful step toward bringing to light countless untold stories of missing or murdered indigenous women and girls,” said Representative Jennifer Jermaine. “For too long, these families have suffered in silence. The collaborative work of this committee, in partnership with our Tribal Nations, will help move us closer to ending this epidemic of violence in Arizona.”

“In some tribal communities American Indian women face murder rates 10 times the national rate, yet, there is little to no data to show what exactly is happening,” said Senator Victoria Steele. “We can’t allow our Native sisters to just disappear at this rate and not draw attention to it. Today, we are taking action by shedding light on this issue and finally giving it the attention it deserves.”

“Having worked with indigenous peoples through much of my life, it has a strong, personal element of satisfaction to be a part of this effort to gain understanding of this ongoing tragedy,” said Speaker Rusty Bowers. “I thank Representative Jermaine and the unanimous support of the House and Senate for their strong statement of support as well.”

More than 4 in 5 American Indian and Alaska Native women have experienced violence in their lifetime. The U.S. Department of Justice has reported that in some communities across the United States, the murder rate of indigenous women exceeds 10 times the national average.

###

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other; in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person; for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible - plants don't grow - there will be no life - nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name Hualapai - PEOPLE OF THE TALL PINES -

EAGLE EYES

August 12, 2019

Welcome!

We are excited to have your student at Valentine Elementary School for the 2019-2020 school year! Our staff has busy all summer improving the school, both physically and from a teaching/learning standpoint.

- The K-2 building foyer received a paint upgrade.
- The flooring inside the back door was replaced.
- Sidewalk sections were re-poured.
- K-2 building drainage issues were corrected.
- The playground was cleared of dead trees.
- Playground slides were replaced.
- A new outside water fountain was installed.
- Teaching staff attended several days of professional development trainings to improve their teaching.

As we continue to improve the campus, additional projects are in the works, including:

- Addition of outside seating and shade structures
- Replacement of swing seats and chains.

Long-term projects include:

- Exterior paint
- And of course, construction of a kitchen.

Open House

This year's Open House will be on **Wednesday, August 28, 2019**. Everyone will meet in the gymnasium at 6:00 pm for a short meeting and then move to the classrooms. We will end promptly at 7:00 pm. Students and their families are encouraged to attend.

NEW RELEASE TIME

Due to a change in Arizona law balancing instructional hours, Valentine Elementary School's release time has been moved up to 3:30 pm for grades 1-8. Kindergarten will release at 1:45 pm. With this change, we hope families can avoid signing their students out early in the afternoons.

HOW CAN I HELP MY STUDENT?

- Establish a routine – From laying out their clothes the night before to having a specific bedtime; from waking up at the same time to having a specific place and time to complete homework – routines help students manage their days. The more things can become automatic, the easier it is for students to be successful.
- Read over their student handbooks with them – Students will be receiving their handbooks the first day of school. Teachers will be spending part of each day the first week teaching expectations and procedures. It is important that you are familiar with the handbook also, so that there are no surprises down the road.
- Read, sign and return paperwork – There will be many pieces of paper that will need to be signed and returned to the school—everything from our annual Impact Aid Survey to field trip permission slips. Staying on top of the paperwork in your student's folder will make life easier for everyone.

STAFF VACANCY - FILLED

We are pleased to welcome Mrs. Clement to the Valentine staff as the Teacher Assistant in the Grade 1-2 classroom. She comes to us with quite a bit of experience with children and will be a great help to Mrs. Clouse.

I am Willing

Matthew 8:1-4

- vs. 1 - When he came down from the mountain, great multitudes followed him. (Jesus)
- vs. 2 - And behold there came a leper and worshipped him, saying Lord. If thou wilt thou canst make me clean.
- vs. 3 - And Jesus put forth his hand, and touched him saying. I will be thou clean. And immediately his leprosy was cleaned.
- vs. 4 - And Jesus saith unto him. See thou tell no man but go thy way, shew thyself to the priest and offer the gift that Moses commanded for a testimony unto them. (Read Leviticus 13:45-46)

Sin came from the inside from brain and heart, then it comes out. Sin starts and your relationship in family starts. (Separation)

Leprosy cuts you off from relationship, it numbs you, disfigures, cannot be cured with medicines. Cannot be cured without Jesus.

People with leprosy are alone with their condition and he's used to rejection.

If you are willing you have to make your move and start worshipping him. Satan attacks you again and again, if you don't ask Jesus to heal you..

The leper was all alone with his condition, the leper was used to rejection. So he turned to Jesus and asked him...if you're willing and Jesus said, "I am willing and did the unthinkable and touched the leper." and he was healed! Praise God!

I always think of people that are sick and when I hear about someone was taken to hospital, I feel for them. My heart goes out to them. I pray that people who are sick and myself too, to turn to Jesus and ask for his healing touch. Have trust in Him!

Prayer is the key that unlocks every door of difficulty. But a key is not to be used only once a day; it is to be used every time you come to a locked door.

Pray without ceasing!

"The Peach."

Proudly Announces and Congratulates

July 2019 Volunteer of the Month:

Georgetta Russell

DJ Getta

You probably know Getta for some of her many roles at KWLP. She is the friendly, upbeat voice heard so frequently on "The Peach," host of "The Morning Blend" week-days; host of Native Star Nation Friday nights and often MCing! DJing for the station at many community events; sometimes even dressed as our Peach Dude mascot! You may not know Getta has been with KWLP since it was an internet only, youth-operated station called EPCH. Getta has been both staff and volunteer at the station at various times over the last decade. Can you believe that?!

This month Getta has stepped up and helped the station out immensely in innumerable ways while staff have been new or absent and positions vacant. This help has included events, broadcasting, audio production, hosting her shows for her "peeps" and even training new staff. The Peach crew are all rooting for Getta as she pursues her dream of attending the ASU Cronkite School and securing a lifelong career in journalism and broadcasting. Look for her to continue with The Peach and probably come back one day and run KWLP! Getta will be receiving a gift package worth over \$100.00 in recognition of being Volunteer of the month for July, 2019.

If you'd like to join the Peach volunteers call 769-1110.

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other; in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person; for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purple in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times.

The Reservation is pictured to represent the land that is ours; treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible - plants don't grow - there will be no life - nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name: Hualapai - PEOPLE OF THE TALL PINES -
