Please note the voter registration deadlines for 2020. The Presidential Preference Election is scheduled for March 17, 2020 with a deadline to register to vote of February 18, 2020. As it states "Ballots are political party specific. Voters registered without a political party by the Voter Registration Deadline cannot participate in this election. The only candidates in this election are the Arizona qualified Presidential Primary candidates."

**PLEASE IF YOU ARE 18 YEARS AND OLDER AND YOU ARE NOT REGISTERED TO VOTE, PLEASE COME TO THE TRIBAL OFFICE AND I WILL ASSIST YOU IN GETTING REGISTERED, OR IF YOU MOVED AND CHANGED YOUR ADDRESS.**

VOTER REGISTRATION 101: DATES AND DEADLINES

**Election Calendar 2019 to 2020**

Be aware of upcoming elections and voter registration deadlines. Each deadline is calculated by counting backwards from Election Day. For example, the Voter Registration Deadline is E-29, meaning 29 days before Election Day.

Election Day	Election Type	Voter Registration Deadline (E-29)	Ballots Mailed (E-27)	Return Ballots By* (E-6)
March 12, 2019	Jurisdictional	February 11, 2019	February 13, 2019	March 6, 2019
May 21, 2019	Jurisdictional	April 22, 2019	April 24, 2019	May 15, 2019
August 27, 2019	Jurisdictional	July 29, 2019	July 31, 2019	August 21, 2019
November 5, 2019	Jurisdictional	October 7, 2019	October 9, 2019	October 30, 2019
March 10, 2020	Jurisdictional	February 10, 2020	February 12, 2020	March 4, 2020
March 17, 2020	Presidential Preference	February 18, 2020	February 19, 2020	March 11, 2020
May 19, 2020	Jurisdictional	April 20, 2020	April 22, 2020	May 13, 2020
August 4, 2020	Primary	July 6, 2020	July 8, 2020	July 29, 2020
November 3, 2020	General	October 5, 2020	October 7, 2020	October 28, 2020

\*After this deadline MCRO recommends dropping your ballot off at a voting location rather than mailing it in.  
 \*\*Moved per ARS 16-120 due to E-29 days being a holiday.

**Election Types Key:**

**Jurisdictional**– Refers to off-season elections where Jurisdictions like Cities, Towns, School Districts, and Special Districts may choose to hold their elections. Stay informed about whether or not your local district is having an election by visiting our website [Maricopa.Vote](http://Maricopa.Vote).

**Presidential Preference**– Ballots are political party specific. Voters registered without a political party by the Voter Registration Deadline cannot participate in this election. The only candidates in this election are the Arizona qualified Presidential Primary candidates.

**Primary**– In August of even years partisan candidates run on this ballot to represent their party for the General Election. Ballots are party specific and voters without a political party must tell MCRO which ballot they would like to receive. See page 5 for more details.

**General**– In November of even years the winners of the Primary election, judges, nonpartisan candidates, and propositions appear on this ballot. Ballots are precinct specific, not party specific.

Find the full Voter Registration Drive Toolkit by visiting [Maricopa.Vote](http://Maricopa.Vote) and selecting the "Community Resources" button.

### **Grand Opening for the Park, Playground and Basketball Court**

## **Grand Opening for the Park, Playground and Basketball Court**

On Friday, January 24, 2020, the Hualapai Tribe held the grand opening for the new park, playground and basketball court located in uptown Peach Springs. After several years of planning, securing funding, working with architects and engineers and then construction contractors, both projects are ready to use. Over 200 people attended the event as members of Tribal Council, Hualapai Royalty and tribal staff made presentations on their appreciation and care of these new recreational facilities. Mr. Ivan Bender, Drake Havatone, Larry Cardy, Jr. and Leland Cardy were so kind to give the blessing.

### **Park and Playground on Juniper Street**

The new park and playground contains a 576 sq. ft. ramada, two BBQs grilles, a drinking fountain, mini-basketball court for youth, a swing set, climbing structure, slides, a seated spinner and a sandbox. We would like to thank Exerplay, Competitive Edge Contracting, American Fence, Public Services Apprenticeship Program, Utilities, TERO and of course the generous support from tribal council and Freeport McMoRan.

### Basketball Court on Oak Street

The new full-size court has six hoops and over 6,100 square feet of surface area. Eight-foot high perimeter fencing will help keep balls from rolling into the street and eight security lights will keep the court well lit at night for safety. The court will be striped when the weather warms up. The hours of operation are from dawn to dusk for the basketball court and the park and playground.

### Community Notice • Hualapai Youth Camp Closure

Submitted by: Adeline Crozier | Hualapai Tribal Administration

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other; in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person, for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times.

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible - plants don't grow - there will be no life - nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name Hualapai - PEOPLE OF THE TALL PINES -

## ATTENTION PARENTS

Head Start is developing an Emergency Response Plan. Working together and communicating what to do during an event is essential. Understanding everyone's role during an emergency before the emergency occurs helps make the response procedure quicker and more efficient. Head Start is continuously improving children's safety. Safety is our number one priority. You as parents can help make this happen.

There are many types of emergencies. In some situations, we may need to safely evacuate the building (example: fire). However, there are other emergencies, when it's best to shelter in place (example: weather or earthquakes) or lockdown (example: danger in your neighborhood).

The key to remember is that each emergency there is a method to put effective barriers between Head Start children, staff and a threat.

Children all year have been practicing monthly fire drill evacuating the building. This next month we will be practicing how to prepare for an Earthquake drill (stop, crawl under the table and crouch down and cover your head). We would appreciate you talking to your child about being safe at school and why teachers practice these drills.

Head Start staff are working with the Police department to help write procedures for a "lockdown" drill. A lockdown drill is when there is danger in the neighborhood. These procedures will be coming home in a flyer and the March newsletter. If you have any questions or concerns please feel free to stop in the center or call. I appreciate your support. Thank you, April Keller, Director

# FRIENDSHIP DAY

THE HUALAPAI HEAD START WILL BE CELEBRATING FRIENDSHIP DAY FEBRUARY 13.

WE ASK THAT NO OUTSIDE FOOD, SNACKS OR CANDY BE BROUGHT IN AS PART OF THE FRIENDSHIP DAY CELEBRATION AS PART OF OUR HEAD START PERFORMANCE STANDARDS. FOR ANY QUESTIONS, CONTACT THE HEAD START AT 769-2522.

# 2020 CENSUS

## Counting Young Children in the 2020 Census

About 1 million children under age 5 were not counted in the last U.S. Census. For the 2020 Census, everyone's help is needed to close that gap.

In Arizona, early childhood supporters are sharing the message that the census is easy, safe and important to encourage more families to respond when their invitation arrives in March. Responding to the 2020 Census ensures needed resources are provided for babies, toddlers and preschoolers and their communities for the

IF YOU'RE CHILD IS LATE, THEY ARE ALLOWED TO HAVE BREAKFAST SERVED TO THEM. WE ASK THAT THE PARENTS STAY WITH THEIR CHILD UNTIL THEY'RE FINISHED WITH BREAKFAST. WE DO HAVE A DESIGNATED AREAS FOR BOTH PARENT AND CHILD TO SIT DURING THIS TIME. PARENTS ARE NOT COVERED UNDER OUR CACFP GRANT SO WE'LL NOT BE ABLE TO PROVIDE ANY FOOD TO PARENTS.

## Impact Aid Application

Our annual Impact Aid application will be submitted by January 31. Once it is published, we will be posting the information to our school website, as well as making it available in paper form at the school. Additionally, a copy will be forwarded to the Hualapai Tribal Council.

As always, if you ever have questions, concerns, suggestions, etc., about the educational programs here at Valentine Elementary, you are encouraged to contact the school.

## SPELLING BEE

Congratulations to our school spelling bee winner, Jacob Truesdell. He represented our school well at the Mohave County Spelling Bee on January 24. As Jacob is a 6<sup>th</sup> grader this year, and our runner-up is a 5<sup>th</sup> grader, we look forward to more years of friendly competition. Keep practicing!

Remind your students to:

- Stay seated, facing forward, feet out of the aisle;
- Keep their body parts and objects to themselves and inside the bus;
- Respect the bus, driver, and riders at all times;
- Use classroom voices;
- Load and unload in an orderly manner;
- Cross a street at a bus stop IN FRONT of the bus;
- Know that they can lose their privilege to ride the bus if they choose not to follow the bus procedures.

## HOW CAN I HELP MY STUDENT?

- Attend Family Conferences February 6 – This is a great opportunity for you to sit down with your student and their teacher and discuss their progress past the midway point of the year. If you do not have access to your ParentVUE account, just ask, and we'll be happy to set it up for you.
- Remind them that it is normal to make mistakes. – An alarming number of our students regularly tell us that they are "stupid." Many use that as an excuse for not putting forth any effort or to justify their poor behavior decisions. Making mistakes is normal and healthy—they are learning opportunities.

## AZ TAX CREDIT

Valentine Elementary can accept donations in any amount. The dollar-for-dollar credit can be taken on an Arizona tax return up to certain limits, while any amount donated can be taken as a charitable contribution deduction. Everyone has until April 15, 2020, to make donations and still count them on their 2019 tax returns.

**CDC Features • February is Teen Dating Violence Awareness**

Submitted by: Jessica Powskey | Hualapai Strategic Prevention

**CDC** Centers for Disease Control and Prevention  
CDC 24/7: Saving Lives. Protecting People™

### Teen Dating Violence

February is Teen Dating Violence Awareness and Prevention Month. Teen dating violence can be prevented when teens, families, organizations, and communities work together to implement effective prevention strategies. Learn how to prevent teen dating violence and promote healthy relationships with CDC's online resources.

### Background

Teen dating violence can be physical, emotional, or sexual, and includes stalking. It can occur in person or electronically, which includes texting, social media, and other online applications. In a recent national survey [<https://www.cdc.gov/healthyyouth/data/yrbs/pdf/2017/ss6708.pdf>], 8 percent of high school students reported physical violence and 7 percent reported that they experienced sexual violence from a dating partner in the 12 months before the survey. Victims of teen dating violence are more likely to experience symptoms of depression and anxiety. They might also engage in unhealthy behaviors, such as using tobacco, drugs, and alcohol. Teens who are victims in high school are at higher risk for victimization during college and throughout their lifetimes.

### What You Can Do

Teaching healthy relationship skills and changing norms about violence can help prevent teen dating violence. Talk to teens now about the importance of developing healthy, respectful relationships.

### What CDC Is Doing

CDC's Division of Violence Prevention is leading the initiative, Dating Matters®: Strategies to Promote Healthy Teen Relationships [[https://www.cdc.gov/violenceprevention/intimatepartnerviolence/datingmatters/index.html?CDC\\_AA\\_refVal=https%3A%2F%2Fwww.cdc.gov%2Fviolenceprevention%2Fdatingmatters%2Findex.html](https://www.cdc.gov/violenceprevention/intimatepartnerviolence/datingmatters/index.html?CDC_AA_refVal=https%3A%2F%2Fwww.cdc.gov%2Fviolenceprevention%2Fdatingmatters%2Findex.html)]. Dating Matters is a comprehensive teen dating violence prevention model that builds upon current evidence-based practice to promote respectful, nonviolent dating relationships among youth. Three components of Dating Matters are currently available on CDC's VetoViolence website [<https://vetoviolence.cdc.gov/dating-matters>]. CDC also developed technical packages to help states and communities prioritize efforts to prevent or reduce public health problems, including teen dating violence and intimate partner violence.

### About American Heart Month: Ways to Get Involved

Each February, NHLBI and The Heart Truth® celebrate American Heart Month by motivating Americans to adopt healthy lifestyles to prevent heart disease. Research shows that we're more successful at meeting personal health goals when we join forces with others. That's why we're asking you to join the #OurHearts movement—a national initiative to encourage people to be heart healthy together. Get Involved!

Share what we post to The Heart Truth Facebook and Twitter accounts or create your own! This year, our weekly themes include:

Week	Theme	Ideas
1	<b>Be physically active together</b>	Share how you're moving more with others. Have walking meetings. Start a walking club with your church group. Join an exercise class with a neighbor. Share on social media!

# National Wear Red Day®

*The First Friday in February*

*The National Heart, Lung, and Blood Institute and many groups around the country observe National Wear Red Day® each year on the first Friday in February to raise awareness about heart disease as the leading cause of death among Americans, especially women.*

**Risk factors for heart disease are:**

- Smoking
- High blood pressure
- High blood cholesterol
- Overweight/obesity
- Physical inactivity
- Diabetes
- Family history of early coronary heart disease
- Age (for women, 55 and older)

**Heart disease is largely preventable. Here's what you can do now to reduce your risk:**

- Don't smoke
- Eat for heart health
- Aim for 30 minutes of physical activity at least 5 days a week
- Ask your doctor to check your blood pressure, cholesterol, and blood glucose

**Protect Your Community • Don't Sell Loosies***Submitted by: Rebecca Rice | Indian Health Services***PROTECT YOUR COMMUNITY—DON'T SELL LOOSIES****WE NEED YOUR HELP**

People are buying “loosies” throughout the United States. You can help us stop this problem.

**WHAT ARE LOOSIES?**

Loosies are single cigarettes sold to customers. Federal law prohibits manufacturers, distributors, and retailers from selling loosies.

**WHY DOES THIS MATTER?**

By law, cigarettes must be sold in packs of no less than 20 cigarettes, and retailers cannot break open any cigarette package to sell or distribute loosies.

**The U.S. Food and Drug Administration (FDA) is also concerned that loosies may be sold more often to children.**

**YOU CAN HELP US BY:**

**1. Not selling loosies.**

**3. Not selling packs of cigarettes that contain less than 20 cigarettes.**

**2. Not opening cigarette packs to sell loosies.**

**4. Not offering free cigarette samples.**

FDA has included double-sided stickers in this mailing to help educate consumers. Place them on windows near or next to your cash register.

**WHAT HAPPENS IF FDA FINDS THAT A RETAILER IS SELLING LOOSIES?**

Generally, FDA sends warning letters to retailers the first time a tobacco compliance check inspection reveals a violation of the federal tobacco laws and regulations that FDA enforces. FDA will inspect retail establishments periodically to make sure retailers are complying with the law. If FDA finds more violations at a retail establishment after issuing a warning letter, it may issue a Civil Money Penalty (CMP) to the retailer. A CMP is a monetary penalty assessed for violations of the law. If a retailer commits five repeated violations in a 36-month period, FDA may issue a No-Tobacco-Sale Order, which prohibits the sale of tobacco products at a retail outlet indefinitely or for a specific period of time. For a complete list of federal requirements and to order additional free resources, please visit FDA's website ([www.fda.gov/tobacco](http://www.fda.gov/tobacco)). Questions? Please contact [CTPOutreach@fda.hhs.gov](mailto:CTPOutreach@fda.hhs.gov).

**February is National Children's Dental Month**

# Infant Teething Timeline

### Before birth bone formation

While still in the womb, the baby's mouth, tongue, and jaws develop. During the second trimester, tooth buds form. By birth, all 20 primary teeth are present in the jawbone.

### 6-10 months lower central incisors

The middle 2 teeth on the bottom are the first to emerge. They often arrive at the same time.

### 4-6 months teething begins

Your baby's gums may be swollen and red as teeth begin to push through.

### 8-12 months upper central incisors

The next teeth are the 2 middle on the top.

### 9-16 months lateral incisors

The teeth on either side of the middle teeth on the top and bottom will grow in next.

### 13-18 months - first molars

Because they are larger and have more surface area, the molars may cause more pain than the other teeth as they come in.

### 16-22 months canines (cuspids)

The canines are the sharp, pointed teeth on the side of the mouth between the lateral incisors and the first molars. They are also called cuspids.

### 23-33 months second molars

These are often called the 2 year molars because they generally arrive shortly after a child's second birthday.

### by 1 year first dentist visit

Many pediatricians and dentists recommend taking your child to the dentist by their first birthday to check the status of the jaw, gums, and emerging teeth.

### by 3 years full set of baby teeth

All 20 primary teeth should be in by your child's 3rd birthday.

**Lecture: For the Love of Turquoise • Carrie Cannon**

*Submitted by: Danielle Bravo, Hualapai Planning Department | Source: [SuperstitionMountainMuseum.org](http://SuperstitionMountainMuseum.org)*

**Carrie Cannon speaking "For The Love of Turquoise." Lecture  
03/19/2020 from 2:00 pm - 3:00 pm**

Turquoise has a long standing tradition among Native cultures of the Southwest, holding special significance and profound meanings to specific individual tribes. Even before the more contemporary tradition of combining silver with turquoise, cultures throughout the southwest used turquoise in necklaces, earrings, mosaics, fetishes, medicine pouches, and made bracelets of basketry stems lacquered with piñon resin and inlaid turquoise. Found on six continents across the world, turquoise forms in arid regions through the process of water seeping through rock and interacting with copper, aluminum, and iron deposits. In the southwest, used decoratively for millennia, this iconic art form has a

compelling story all its own. For the 11<sup>th</sup> lecture of our 2020 Thursday Lecture Series, Carrie Cannon explores a long tradition of distinctive cultural styles, history, and transition of this wondrous stone.

Carrie Cannon is a member of the Kiowa Tribe of Oklahoma and is also of Oglala Lakota descent. She has a B.S. in Wildlife Biology, and an M.S. in Resource Management. She began working for the Hualapai Tribe of Peach Springs, Arizona in 2005 where she began the creation of an intergenerational ethnobotany program for the Hualapai community. She is currently employed as an Ethnobotanist for the Hualapai Department of Cultural Resources. She administers a number of projects promoting the intergenerational teaching of Hualapai ethnobotanical knowledge working towards preservation and revitalization to ensure tribal ethnobotanical knowledge persists as a living practice and tradition.
