

Incident Management Team – COVID 19  
Press Release

To: Hualapai Community

From: Incident Commander, *Melvin Hunter Jr.*

Date: March 21, 2020

RE: UPDATE at 1800

Hualapai community, thank you for all your cooperation in this time of uncertainty. This past week our team received great comments about our communication with the community. Please continue your positivity and know we will get through this together.

The spread of COVID-19 has necessitated changes in our transportation program.

1. The Tribal Transportation program will be closing the local, express, and commuter routes on March 24th.
2. Indian 18, Buck & Doe, and Diamond Bar Road will also close on March 24th with limited access for the Hualapai community and our Havasupai neighbors.

The intent of these changes are to limit access within the reservation and support the tribal efforts to limit the potential spread of and exposure to COVID-19.

As precautions are taken to ensure the safety of our community, we must also take personal precautions.
