

Peach Springs Health Center (PSHC) Update

(Updates highlighted in yellow)

May 20, 2020

The clinic **remains open** during business hours: Monday through Friday, **8:00 am to 5:00 pm** providing limited services. **COVID Screening/Testing times: 8:30 am to 4:00 pm.** We **ask all patients to wear face masks when screened, please call ahead to verify.** **No visitors allowed.** **We are currently still seeing acute care patients on a walk-in basis, we ask you please call first (928-769-2900) and talk to a doctor to see if you need to come in. **This must be coordinated through the Incident Command.****

If your child needs immunizations or a well-child visit, please call first to arrange this visit.

Please call first (928-769-2992) if you have a prescription to renew or refill.

We continue to work towards **slowing** the potential spread of the CoVid-19 virus, there are **260 confirmed COVID-19** cases in the **Mohave County** and **73 confirmed positive cases** in the Peach Springs community at this time. **COVID Testing continuing, no NEW COVID cases in the last two days.** (If you have been identified as someone who has come in contact with a person tested for COVID-19, you will be receiving a phone call from our public health nurse or clinic staff to check on your wellbeing.)

As of May 11, 2020: Dental Clinic will be open Tuesdays only and for emergencies at this time. All patients requiring dental screenings can call **(928)-769-2900** to be evaluated over the phone. We will make every effort to assure all patient's needs are met. This is only temporary and will resume back to Tuesday/Thursday as current circumstances allows twice a week.

Designated parking areas for patients for medical screenings and prescription pick-up, please note the two designated areas. There will be one-way directional flow of traffic coming into the clinic parking, please be cautious and look out for other traffic or patients. All clinic staff vehicles will be parked in a designated area (south end of clinic) to allow parking spaces for patients in the two designated patient areas. All GSA vehicles have been relocated to allow additional parking. (Currently, clinic staff enter through a designated entrance to reduce any crowding of patients/staff at the designated patient screening area).

If you think you have been exposed to the Coronavirus, develop a fever or symptoms, such as cough or difficulty breathing, **please call first** to the Peach Springs Health Clinic at **928-769-2900** for medical advice.

We will continue to keep you updated and informed on any Peach Springs Health Center's clinical operations. We want to reassure the Hualapai Tribe that the Indian Health Service is here to serve the community to the best of our abilities and available
