

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other; in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person; for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times.

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible – plants don't grow – there will be no life – nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name Hualapai – PEOPLE OF THE TALL PINES –

From: Tribal Council Administration

Dr. Damon R. Clarke, Chairman

Re: Business at Administration

The purpose of this memo is to address two issues of concern at this time of the re-opening of the Tribal Administration Department and its offices:

1. Entering the building at one point of entry. Currently we have the South entrance with a person to check you in with a temperature check and other related issues to the COVID-19 Monitoring. Next, you will need to state your business with the receptionist. They will then call the Department to meet with you at the lobby or otherwise let you enter. Also, we would ask that you come by yourself for any business, and not come in as a group (more than 2).
2. People with keys for the electronic entry, please still check with the person at the South entrance for safety. Otherwise, if you do not need your key, please turn them into the Public Works department.

Thank you.
