Make Your Plan to Vote Election Day: Tuesday, November 3rd
 Submitted by: Cheryl Bird, Native Vote 2020 Coordinator | Pyramid Communications

MAKE YOUR PLAN TO VOTE!

ELECTION DAY
 TUESDAY
 NOVEMBER
 3, 2020

- ✓ Check your voter registration status
- ✓ Know how you're going to vote (by-mail, absentee or in person).
- ✓ If you plan to vote in person, know your polling place. Find state-specific voter info at Vote.org/polling-place-locator.
- ✓ Research the candidates and initiatives before voting.
- ✓ Organize transportation to the polls ahead of time and confirm laws for collecting ballots in your state.
- ✓ Bring your state-approved ID card, a mask and sanitizer.
- ✓ Stay informed about COVID-19 updates and rules.

Tap into your power, get out the Native Vote 2020!
NativeVote.org

Be sure to bring a valid ID with you to the polls. Most states require some form of voter identification with your name and address. Vote.org lists the ID requirements for each state. Below are examples of accepted forms of ID for voting (be sure to check your state requirements):

- ✓ A current state issued ID card with a photo like a driver's license
- ✓ In some states, an official tribal ID card with a physical address (*identification requirements vary by state*)
- ✓ A valid U.S. Passport
- ✓ A utility bill showing your name and address (*this also varies by state*)
- ✓ A military ID card
- ✓ A Social Security card

It is very important to check your state's voter ID laws before Election Day. Some states have very strict voter ID laws.

✓ Visit the National Congress of State Legislatures website at ncsl.org/research/elections-and-campaigns/voter-id for more information on voter ID requirements.

✓ Another resource for checking state voter ID laws is your local election office. Look up your election official and state voting requirements at OverseasVoteFoundation.org/vote/eod.htm.

Voting is slightly different in every state. Generally, it's easier to vote by mail than ever before and, in many

states, restrictions are being relaxed. In some states, they're sending ballot request forms or ballots to all registered voters. Voting by mail and an absentee ballot is legally the same.

- ✓ Request a vote by mail ballot at Vote.org/absentee-ballot
- ✓ Check your state deadlines at Vote.org/absentee-ballot-deadlines

Colorado, Hawaii, Oregon, Utah, and Washington are vote-by-mail only states. Be sure to register and use Vote.org to stay informed about your state's deadlines and ballot drop-off dates.

Use your power—Every Native Vote Counts!

TAKE BACK YOUR POWER:

RECOGNIZING & REPORTING VOTER SUPPRESSION

American Indians and Alaska Natives have been historically and systemically kept from political participation. Even with these attempts at voter suppression, the Native Vote has decided many important elections. Native people have won landmark court cases guaranteeing them the right to vote. Despite this progress, state legislatures and local governments continue to pass laws that obstruct the Native Vote.

As we head into the final days of the 2020 election, we anticipate increased attempts to suppress Native voting rights. Familiarize yourself with voter suppression and how to report it when you see it. Native American voter suppression is well documented at Vote.NARF.org.

SOME EXAMPLES OF NATIVE AMERICAN VOTER SUPPRESSION

CHALLENGES TO BALLOT BOX ACCESS

For Native people, local ballot boxes are often located far from reservation lands making it hard to access on election day.

CHECK YOUR VOTE BY MAIL ACCESS

Many in Indian Country do not have home mail delivery and often rely on P.O. Boxes, which can present challenges both for timely mail delivery and outgoing mail.

ORGANIZE TRANSPORTATION

A lack of public transportation on reservations means many voters struggle to get to polling locations, and often face discrimination while at the polling place.

BE INFORMED ON BALLOT COLLECTION

Some states have passed laws limiting how many ballots can be collected by an individual to be transported to the polls. This places an additional obstacle in more rural areas where not everyone can afford to travel to drop off a completed ballot.

RECOGNIZE ONLINE DISINFORMATION CAMPAIGNS

Groups or individuals committed to suppressing voting rights are likely spreading disinformation on social media, Internet websites, and through other sources. Disinformation campaigns could target the social media platforms of tribal governments and Native political advocacy groups with false information on voting rules and procedures.

American Indian and Alaska Natives can determine the outcome of elections. Take back the power of the #NativeVote2020

Email NativeVote@NCAI.org or visit NativeVote.org to support your vote!

IF YOU CAN'T VERIFY IT— DON'T SHARE IT!

Learn how to spot disinformation

- Be skeptical
- Consider the source
- Beware of the “copy and paste and pass it on” posts
- Double check ALL voting related information, regardless of source
- Watch out for false equivalence

MAKE A VOTING PLAN

1 Check your voter registration status

2 Know how you're going to vote

Does your state offer absentee or mail in ballot options? If so, request your ballot and vote early.

If you plan to vote in person, know your polling place. Find state-specific voter info at NativeVote.org.

3 Stay informed about the latest election information by checking your latest state laws and rules through your state's election office website

4 Research the candidates and initiatives before voting

4 Vote early if voting by mail to avoid USPS mail delays or use a voter drop box

5 Organize transportation to polling places

6 On Election Day, bring a state-approved ID card and follow CDC and tribal-approved COVID-19 protocols

First Things First (FTF) Regional Partnership Council Updates

 FIRST THINGS FIRST

HUALAPAI TRIBE
REGIONAL PARTNERSHIP COUNCIL

SUPPORTING FAMILIES OF YOUNG KIDS VIRTUALLY

Since the coronavirus pandemic began, technology has become nearly essential to stay in contact with friends and family. For many who work with young children, technology has also offered an alternative way to provide those families resources and support.

First Things First, Arizona's early childhood agency, funds early learning and family support programs across the state. Many of those programs have adjusted the way they work with families to continue to provide services during this challenging time.

In Peach Springs, the Hualapai Early Childhood Home Visitation Program continues to provide support to families during the pandemic. The First Things First Hualapai Tribe Regional Partnership Council funds the program to strengthen families by providing a trained parent educator who currently makes virtual or call visits and offers personalized support for pregnant and parenting families with children birth to age 5, not yet enrolled in kindergarten. Services are at no charge to the families, who voluntarily participate, and use the program on average of two years or until their child enrolls in kindergarten.

The Birth to Five Helpline, a statewide helpline that is partially funded by FTF, earlier this year, started offering parents and caregivers the opportunity to meet face-to-face over online video chat to answer questions. The helpline is a free service for all Arizona parents or caregivers for questions about their young child's development. The helpline can also offer families connections to local resources and supports. The Birth to Five Helpline is available at 1-877-705-KIDS (5437) from Monday through Friday, 8 a.m. to 8 p.m. You can also [submit your question online](#) or text the Helpline 24 hours a day, seven days a week.

For information about the FTF-funded early childhood programs and services that are available in your community, visit FirstThingsFirst.org and select "Find Programs."

By collaborating with other dedicated community members, they provide opportunities for young children to get a strong start in life. Research has shown a child's early experiences lay the foundation for a lifetime of success in school and beyond.

ABOUT FIRST THINGS FIRST

As Arizona's early childhood agency, First Things First funds early learning, family support and children's preventive health services to help kids be successful once they enter kindergarten. Decisions about how those funds are spent are made by local councils staffed by community volunteers. To learn more, visit FirstThingsFirst.org.

CDC Guidelines: Trick or Treating and Other Halloween Activities

Updated Oct. 9, 2020

Traditional Halloween activities are fun, but some can increase the risk of getting or spreading COVID-19 or influenza. Plan alternate ways to participate in Halloween.

- Avoid direct contact with trick-or-treaters.
- Give out treats outdoors – DO NOT hand out person to person
- Set up a station with individually bagged treats for kids to take along your driveway or fence.
- Do not place candy in a large bowl for people to touch and grab.
- Wash hands before handling treats.
- Wear a mask.

Wear a mask

- Make your cloth mask part of your costume.
- A costume mask is **not** a substitute for a cloth mask.
- Do **NOT** wear a costume mask over a cloth mask. It can make breathing more difficult.
- Masks should **NOT** be worn by children under the age of 2 or anyone who has trouble breathing

Stay at least 6 feet away from others who do not live with you

- Indoors and outdoors, you are more likely to get or spread COVID-19 when you are in close contact with others for a long time.

Wash your hands

- Bring hand sanitizer with you and use it after touching objects or other people.
- Use hand sanitizer with at least 60% alcohol.
- Parents: supervise young children using hand sanitizer.
- Wash hands with soap and water for at least 20 seconds when you get home and before you eat any treats.

Steps to Take for Other Halloween Activities

Enjoy Halloween activities and take steps to protect yourself from getting or spreading COVID-19.

Remember to always

- Wear a cloth mask
- Indoors and outdoors, stay at least 6 feet away from others who do not live with you
- Wash your hands or use hand sanitizer frequently

Decorate and carve pumpkins

- Decorate your home for Halloween.
- Carve pumpkins with members of your household or outside with neighbors or friends.

Visit an orchard, forest, or corn maze. Attend a scavenger hunt.

- Go on an outdoor Halloween-themed scavenger hunt within your house and/or property.
- Visit a pumpkin patch or orchard. Remember to wash your hands or use hand sanitizer frequently, especially after touching frequently touched surfaces, pumpkins, or apples.
- Go to a one-way, walk-through haunted forest or corn maze.

Other Ideas

- Hide Halloween treats in and around your house. Hold a Halloween treat hunt with household members.
- Hold an outdoor costume parade or contest so everyone can show off their costumes.
- Host an outdoor Halloween movie night with friends or neighbors or an indoor movie night with your household members.

FAQ's**Can we have a Halloween get together?**

Yes, but ONLY if you limit the gathering to people who reside in the same house or a virtual party.

Can we decorate our houses, including carving pumpkins?

Yes, and we encourage you to do so! Spend this time with your family and see what creative and spooky ideas can be used to decorate your house.

Can our kids leave our house for any Halloween activity?

Orange Alert: No, currently we are in the **Orange Alert** status with a Stay at Home Order and Curfew in place.

Can we have a Halloween costume contest?

Yes, but you can't do this in a group or gathering. We recommend you do this virtually on Zoom or FaceTime.

Can we visit other homes in our neighborhood?

No, you cannot visit other homes for Trick or Treating or for any other Halloween activity. At this time, we are **ORANGE Alert** Status; so no visiting is allowed at this time.

Can we drop off goodie bags for kids at other homes?

Yes, but you cannot bring these goodies bags to the door, you should leave them at the end of a driveway or fence. However, you cannot drop off goodie bags by *visiting* other homes. Visiting homes is discouraged at this time.

- To practice social distancing, goodie bags are to be at the end of a driveway or edge of yard.
- Individually wrapped candy and/or toys – NO homemade goodies. If you are preparing goodie bags, wash your hands with soap and water for at least 20 seconds before and after preparing the goodie bags.

What is "one-way" Trick or Treat?

"One-way" Trick or Treating is 'contact-less' Trick or Treating. This means that your kids can gather up goodie bags from other homes, or have them dropped off by others **ONLY** by the end of your driveway or fence line, on October 31.

The candy cannot be handed out person to person in any way.

RETURNING TO LEARNING

Based on the improved COVID-19 metrics in Mohave County, the Valentine Elementary School Board voted yesterday to allow students to return to campus beginning next **Monday, October 19**.

Safety precautions will remain in effect, including face coverings, temperature checks, handwashing and sanitizing, disinfecting of surfaces, student desk arrangements, playground and lunch procedures, etc.

Families are still encouraged to transport their students if possible, as the school bus is the most compacted space where students will be throughout the day.

Families will have the choice to continue with distance learning provided that two conditions are met:

1. The student is being successful in the distance learning program; and
2. There is a reasonable health concern for the student or a member of the household.

VOTE! – NOVEMBER 3

Even though the election of the Valentine Elementary School Board is not necessary (with only two candidates running for the two open positions), there is plenty to be decided on Election Day. From choosing

the next President of the United States to passing or defeating the Invest in Education Act (Arizona Proposition 208), every vote matters on Election Day.

Because of the challenges caused by coronavirus, Arizona has extended the deadline to register to vote until **October 15, 2020**. This is also the deadline for requesting an absentee ballot. If you are not sure if you are registered or need information on how to register, where to mail your absentee ballot, or where to vote, you can visit the Arizona Voter Information Portal at <https://my.arizona.vote/PortalList.aspx>

HOW CAN I HELP MY STUDENT? (RETURNING TO CAMPUS)

- **Reinforce safety procedures** – With “new” students on campus, there will be a lot of teaching, reminding, and reteaching safety procedures. Students at home probably didn’t need to line up for lunch, for example.
- **Talk to your students about things that concern them** – Parents and guardians aren’t the only ones who worry about what is going on. Having open and honest conversations with your student can help alleviate some of their (and possibly your) stress.
- **Make the new routine, routine** – Students transitioning back to campus may have to get up earlier, pack lunches, and be out the door to get to school. The sooner these procedures become normal, the better.
- **Continue to communicate with the school** – Just because students are back on campus doesn’t mean that you and your student’s teacher won’t still have things to talk about.

I would like to take this time to say publicly for the great work Duane Clark and the ICT has provided for our community.

They show good public relations with the community, they are courteously providing service. They are out in the heat and now the cold, that they have to deal with.

Great work crew!

September 2020 Volunteer of the Month
Barb Tinhorn*

Despite the COVID 19 shut-downs and precautions, KWLP staff have been able to count on Ms. Tinhorn to help out and volunteer regularly. Regardless of where her travels have taken her or her other commitments have occupied her time, Ms. Tinhorn has continued to be a consistent participant as a KWLP Volunteer. She Sets the perfect example of how one can volunteer at KWLP and part of the awesome group of "peaches" without hosting a regular hour long show.

Listeners may know Barb as the KWLP movie reviewer. What you may not know is: She rarely misses a meeting. She also regularly helps us screen donated music. This month Ms. Tinhorn narrated three children's books for our Sunday evening program, "Read On Hualapai," which she originally helped conceptualize. Her on-going support and contributions to the station are greatly appreciated!

Barb will receive incentive gifts valued at over \$100.00 for being Volunteer of the month and be eligible to be Volunteer of the Year 2020.

Hualapai Planning Department  Now Accepting HIP Applications

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other: in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person; for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible - plants don't grow - there will be no life - nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name Hualapai - PEOPLE OF THE TALL PINES -
