COVID-19 Alert Notification

Elevated Response: Red Alert

August 17, 2021

On July 01, 2021 the Hualapai Tribal Council passed Resolution 44-2021 regarding revisions to the Color Coding Alert System for COVID-19 Response on the Hualapai Reservation.

Communicable disease and COVID-19 still active, Community Spread is evident through contact tracing and monitored by Health Officials. Based on recent contact tracing it has been determined to elevate the Color Coding Alert to a **RED ALERT**.

The Hualapai Nation COVID-19 Color Coding Alert will be at **RED ALERT**, effective 5 PM on August 18, 2021 until it is determined to deescalate. (14 to 21 days)

Here is a breakdown of the provisions of a **RED ALERT** on the Hualapai Reservation:

- **CURFEW** enforced from the hours of 8pm to 5am for individuals 17 and under to slow the spread of COVID-19 virus. PARENTS will be responsible for children out after curfew.
- **MASK WEARING** is Mandatory throughout the Hualapai Reservation regardless if the individual's vaccination status.
- **ALL Non-Essential ACTIVITIES** are prohibited; All in-person, non-essential activities (not to include school, daycare or work) are to be suspended for a period of 14 days, up to but not to exceed 21 Days.
 - NO FOOD VENDING.
 - Memorial or Traditional Wakes are limited to 40 People, mask's are mandate and CDC guidelines followed with all precautionary measures in place. *Refer to Wake protocol
 - In addition to tribal departments, travel will be ceased during **RED ALERT**.
- **Stay Home, Stay Alert in Place.** Community members are encouraged to stay at home with the exception of essential needs, community members should only travel outside the boundaries of the reservation for essential supplies.

**** Although this is not a "lock-down",** Law Enforcement and Security will be contacting individuals throughout the day/night and ensuring those that are traveling throughout the community are doing so for an Essential Need, not just roaming around, visiting multiple residences and transporting COVID.

Community members are always encouraged to get vaccinate. Vaccination are held Friday's from 1:00PM to 4:00PM. For more information about vaccination, contact the Peach Springs Health Center at 1-(928)-769-2900.

COVID & Pandemics, Condition Levels (Colors), and Laws under the Resolutions

Under Tribal Constitution, the Tribal Council can adopt special provisions (Resolutions) during times of haste to protect the people and the community. In July 2021 the new Pandemic Resolution was passed and has since went into effect.

Specifics of Condition Levels (Red, Orange, Blue & Green) should be known by all, as they are the guidelines that will hopefully keep us all protected during pandemics and other emergency incidents. RED & ORANGE are the two most restrictive Conditions and have specifics everyone needs to remember and ensure their families and friends are aware of.

Resolutions act like "Laws" in the sense they have rules and procedures that need to be followed. If not followed, you can be held responsible for failing to follow. The difference is in the Law & Order codes.

****There are no "LOCK_DOWNS" in the new Resolutions, as we hope the people will assist and keep Hualapai safe; but that does not mean the Law Enforcement or Security cannot contact you if you are walking around. With the July 2021 Pandemic Resolution, IF you are found walking around, hanging out, driving around, or other acts, you can be found to be neglectful in helping protect the Hualapai Reservation, and CAN be arrested and charged with **Endangerment (6.92)** for walking around, house to house, without an *Essential Need*. Essential Needs means ordinary needs for food, clothing, accommodation, learning, medical care and other ordinary needs which are indispensable in the life of each person and family.

ALSO, you, as a parent, can be charged with **Contributing to the Delinquency of a Minor (6.202)** and **Non-Enforcement of Curfew by Parent or Guardian (6.204)** if your juvenile child is out past the 8: pm curfew imposed by the Pandemic Resolution. They are your responsibility to maintain and monitor.

If you have any questions, or need assistance, please call the Police Dispatch at 769-2220, or the Police Department at 769-1024.

Thank you; Mask Up; Stay Safe and Stay at Home, and protect our elders, and our future.

According to the flyer (Exhibit 1) it states: "Hosted live on: KWLP (www.kwlpradio.com) (internet) or 100.9FM (radio).

Justification for utilizing KWLP was to relay information to those tribal members who were unable to attend the debate at the Multi-Purpose Building.

Unfortunately, the debate was not aired. I apologize for the inconvenience. This debate "was" very, very important to the tribal members, as "we" are to vote who is to be on Council next month.

In conclusion, per the Hualapai Tribe's Personnel Policies and Procedures (PP&P) Handbook revised 6/5/2012, it states Section 1.1, the purpose of the PP&P is to, "maintain an effective and competent workforce." Therefore, the action by this department has directed me to utilize the PP&P manual for a resolution.

Gamyu People of the Tall Pines,

This is Philip Bravo, Jr. I am proud to announce that I am running for the vacant tribal council seat. Let me start off by saying that it is hard for **ANYBODY** to say that they have an agenda for the council and/or make promises. The one thing that I can see is that a lot of our departments are real heavy on upper management and not enough employees to actually do the work. This will change if I am elected. Also, one thing that I will really focus on is getting infrastructure to Grand Canyon West. Getting electricity and water out there has been long overdue. Our council needs to focus on Grand Canyon water rights due to the drought that we are currently in. I attended the debate on Wednesday, August 11, 2021 but I can answer any questions that you may have.

Thank you, Philip Bravo, Jr.

Special Election Candidate • Michael J. Whatoname
Submitted by: Mike Whatoname | Hualapai Tribal Candidate

Hello,

As you are all aware of the current council position available, I too am interested therefore, I have placed my name as a candidate of Tribal Council to represent you.

I've been living among you my entire adult life. I left when I was 20 entering the U. S. Army, serving my country and was Honorable Discharged.

These are the following that I have achieved for you the people of the tall pines.

I have served this community by singing for you since 1994 to present.

Planned and created the La Paz run which started in 1997.

Amended the Law and Order Code to include Rape, one of the major crimes act.

Assisted in increasing and implemented into the Domestic Violence Section to increase penalties of Chapter 7.

Created and implemented Grandparents rights to give rights to opposing Grandparents who are denied the right to visitations of their grandkids into the Law and Order Code.

Thinking of all of your fathers, uncles, brothers, and grandfathers, and not forgetting them was to go forward to the State of Arizona to push for recognition for our Hualapai Veterans. A recognition well deserved. In addition to the current Highway 66 to Hualapai Veterans Highway, a legacy that will be ours forever.

I believe that any person can achieve anything, if believing in themselves it can be done. I'm not going to say I will do this or that. What I'm going to do is stand and defend each of you. You all know me. I don't back down, or simply talk. I stand my ground as I will stand and represent each of you, with pride and honor. Following the Constitution of the Hualapai Tribe. The code of ethics, that is always forgotten.

Thank you

Michael J. Whatoname

Dear Hualapai Tribal Members,

It is with great pride I can say I am Hwal'bay. My name is Robert Bravo Jr. and I am running for Hualapai Tribal Council. My professional background is business. I have over 25 years of upper business management and leadership experience. Family is of most importance to me. I enjoy hunting, camping, golfing and spending quality time with my entire family and friends. My father and mother are Robert Bravo Sr. and Marilyn "Imus Bravo. My father was born and raised in Nelson Arizona where his father Torivio Bravo was raised from the age of 14. My mother Marilyn is full blooded Hwal'Bay. My paternal great grandmother is Queenie Imus who was married to John "Wath-Nack-A-Ma Imus who was an Indian Scout for the U.S. Army. My maternal great grandmother was Alma "Lane" Fielding from the Big Sandy. Alma was married to Tom Lane who was from the Blue Mountain area.

It is my honor to be a Hualapai Tribal member. Our Constitution permits all tribal members to share in the responsibility of tribal government. The responsibility is not just an elected position, but to become a leader of our great nation to help make decisions that will be in the best interest of our people and the land we live on.

Here is my interpretation of what a Hualapai Tribal Council member should focus on:

- As a Hualapai Tribal Council member I will devote official time and my own personal time to the problems of basic policy and as a liaison between the Tribal Council and our Hualapai people.
- I would promote economic development opportunities to ensure a stable working environment to provide more jobs for Hualapai's and show the world once again that Hualapai's are great entrepreneurs.
- I would serve the Hualapai people first and foremost in everything that I do and not my own personal interests. Putting the Hualapai people first means doing what is in the best interest of the community. After all, that is the primary reason the Hualapai Tribal Council member position exists.
- I would avoid any conflict of interest that would keep me from putting the Hualapai people first.
- I will focus my efforts on day to day operations and also the future development of the tribe. I feel it is a public official's responsibility to be honest with the public, disclose any possible conflict of interest and provide information to the Tribal Membership as needed.

As Hualapai Tribal members we are truly blessed to live in such a unique area which is encompassed within one million acres of beautiful pristine land. Our reservation borders 108 miles of the Colorado River that is located on one of the World's Natural Seven Wonders, the "Grand Canyon". There are many issues we need to focus on so we can continue to be self sufficient and not allow anyone to take away our great opportunities for economic development. For example, our tribe has been in negotiations with the National Parks on the Colorado River Management Plan. For many years the National Parks has tried to regulate and cap our business to less than what the Hualapai River Runners, Grand Canyon 9 Rapids and the Grand Canyon Pontoon operations are currently doing. This could potentially mean that the amount of passengers the Hualapai Tribe can sell in our tourism operations will be controlled by the National Parks. Many of the companies that travel from Lees Ferry are not paying for their guests who encroach on our tribal lands. I will help adopt a procedure that monitors our land to make sure we are getting paid for each guest that trespasses on our property.

I was fortunate to start working with the Grand Canyon Resort Corporation in 1997. During my tenure I have seen many challenges and have had the opportunity to be part of the newest changes that have occurred. I was also involved with the runway project team and worked closely with FAA representatives to develop the new runway. In 202 I participated with the Hualapai Tribal Council, GCRC and the National Parks to discuss the Colorado River Management Plan.

If elected, I would gather information and share it with you so all tribal members have a clear understanding of the issues that affect the Hualapai Tribe. Political terms don't last forever therefore communication is very important. We must all know what is at risk so our younger generations can continue to protect our land and our constitutional rights.

We have a great community that every tribal member should take pride in. What can we do as tribal members to make it a better place to live? What can we do to turn Peach Springs into a more cohesive community? My goal as an elected official will be to help our community be a better living place for all tribal members.

We have social issues similar to other communities and reservations and we need to focus and devote more of our resources on:

- Covid 19 (my sincere condolences to tribal members who have lost loved ones)
- Substance abuse
- Domestic violence
- Political interference

As your elected Council member it would be my responsibility to help implement programs to curb these and other issues to help our people. We also must never forget about our culture and traditions. Our parents and grandparents were taught to respect everyone. I feel we must regain that pride and have respect for one another within our community if we are to move forward as a united tribe. As your potential elected official I give you my word it will be my responsibility to work with our Chairman, Vice Chairman and our Council to look out for the best interest of the Hualapai people, our tribal businesses, the Hualapai Tribal assets and the tribes Natural Resources. I will support Council decisions and promise to keep you informed. Currently, I am familiar with the issues the Hualapai tribal council has been dealing with. Even with the community shutdown due to the Covid-19 crisis, I have kept updated on the current political activity by following the council meetings with KWLP radio and via zoom.

If elected, as your Council member, I pledge to lead by example and enforce the Hualapai Constitution and all laws within our tribal government. In closing, I would appreciate your vote and support as your newly elected Council Member of our "Great" Hualapai Nation.

Sincerely,

Robert Bravo Jr.

Hualapai Tribal Member #00000082

To The Hualapai Community

From Cheyenne Majenty, 2021 Council Candidate

Gam'yu Hwal'by

I am proud to be running for the 2021 Special Election for Council. As such, it is my duty to inform the people of who I am, my background, and what my intentions are for this election.

My name is Cheyenne Isabella "Yu Hundav" Majenty, the daughter of the late Travis Majenty and descendant of Ha'k sigela, Big Sandy Band. I am a 27-year-old single mother of 6 children, 2 of my own and 4 are my siblings that I have adopted. I have always been family orientated and stepped up to carry on our family when our father passed away. I will not hide the fact that losing our father did cause me to spiral into an alcoholic in 2016 but it is possible for people to change for the better. I am very proud to say I have been sober for 5 years strong.

I never came from money, fancy cars and houses or new electronics. I grew up in a humble home from a hard-working man that loved his family and people more than anything. His values have passed down through myself and try to carry that down to my children. I have learned to help others even when you have nothing yourself, to be the listening ear when no one else wants to hear, to be the one to give my shirt off my back and never ask for anything in return, to stand for what is right, even if that means standing alone. To be forever grateful to my Tribe and people are what I hold dear to my heart and being.

I have served the tribe for over 11 years in various fields like shelter security, a domestic violence advocate, emergency communications technician, ICT Deputy Commander and my current position as the WIC Program Coordinator. My longest standing service was the emergency communications technician for 6 years. In that time, I had seen the hardships, deaths and tragedies our People have endured. Many families that have suffered losses I sat with on the phone, in person and hurt with you. Working in emergency services placed the foundation in my morals to help the community, not for money but because you have a passion to help and serve.

Working for ICT was not a career jump but an opportunity to help my community during the beginning stages of the COVID-19. It was an honor to be recruited by the 1st commanding staff to serve as a security guard. As the pandemic continued, I offered my experience and skills for use and was promoted to Public Information Chief. With that position, I was able to see and hear the community concerns, questions, and problems. I had a great crew to help be able to problem solve and be resourceful to help the community. It was a great opportunity to educate people on the Incident Command System, how Resolutions were worded, and encourage to be there for one another. When I was selected to serve as the Deputy Incident Commander, I was overwhelmed with honor. In that position, I really got an opportunity to see firsthand how the operation worked, plan and oversee the execution of plans and work with Council on handling the pandemic. During this time, I learned what it really meant to be FOR the people and stand BY the People. Our operations were for the benefit and welfare for the community but it became just another monetary expense to our Leadership that, in certain people's eyes was unnecessary. Even a voluntary team was shot down as we had our complete interest in protecting the people rather than getting paychecks.

I give our People tremendous credit for doing what they can in protecting themselves from COVID-19. Continue being strong and resilient! We mustn't forget those we have lost to this virus. Their memory lives on through each one of us. Those that have recovered, you hold their memory as well and carry on in survival. Every death was not in vain as our People pulled together to stop as many deaths as possible. My sincerest condolences to those who have lost a loved one.

My people, my Tribe are beautiful, strong and resilient but we are not invincible. We have other issues that plague our way of life- alcoholism, drugs, lack of available food to low-income families, and mental health are just a few to name off. I'm not going to promise you that I can change all these things and paint a picture of perfection. What I can do is be a voice for our People, a voice to be heard and listened to. I come from the same place you do and understand the hardships. We have facilities and resources to help battle these issues, why are they not available or known to the community? WE can come together and question, challenge the issues. WE are responsible for ourselves as well as the people we place in Council. WE have the power to make changes for the better! A councilmember is the representative of the People and I fully intend to be that voice. I will not be hushed into silence because of a topic that isn't "meant for the People to hear". Enough of the secrets.

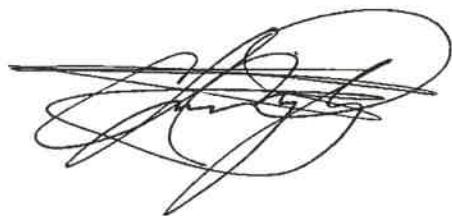

We deserve to be a part of the financial decisions, to know what our budgets are, acknowledge the alcohol abuse here and do more than just sit in meetings. Actions speak louder than words and we need to see more

action happening. Explaining the process and proceedings need to be explained to the people as not everyone is politically versed, we need to be able to get the information out in an understanding manner. We need to encourage our Youth that there is so much more to life than just finishing high school. Encourage them to go to college, explore the world! Peach Springs will always be here and be home. We need to stop demonizing those who do leave in search of better for themselves. If we want to retain educated Hualapai, then make positions to where a Hualapai employee can be qualified for otherwise, they will find jobs elsewhere. We need to rebuild our Tribe with structure and integrity. I had a very good leader say before "you make it clear and cut across the board for everyone, otherwise you'll get lost in what you let slide by and what you didn't". We have the potential to be a great people, especially in times of darkness but let's grow stronger and better than ever!

I have used the term "we" a lot in this letter. That is because I alone cannot make these changes, but we together can! I can be the voice you need to get your thoughts out there. It takes a team to get us to our goals and WE CAN DO IT HUALAPAI!

We vote to place the persons we chose in these positions to lead and help our Tribe. I may be young but I know my heart is forever with my People and to be a servant of the Hualapai Tribe is buried in my morals. Han'kyu for reading and your support!

VOTE JULIET STEELE

FOR HUALAPAI TRIBAL COUNCIL

I WILL BE YOUR VOICE....

Gamyu! Hwal'bay, Mihanjeh?

My Story

Why did I run for Council?

I feel motivated to run for a seat on the Tribal Council because of the tribal issues. I feel that we need to have a voice in addressing the issues here on our homelands and protect our people and tribal interests. The only way I see that happening is I win a seat at the leadership table. I believe I can make a good representative for our tribal members.

Issues addressed with the tribe are: lack of communication by the current Tribal Council of informing the tribal membership of the tribal issues, the status of the Tribe's Grand Canyon Resort Corporation, the tribal Constitution, housing, education, suicides, lockdowns, tribal members deaths that were not considered, healthcare concerns, Judicial Department, proper organizational structure within the tribal Committee's and Board's to address the tribal issues.

As you can see, I already have a long list of issues to address. I know there are many, many more that have yet to be heard.

My Family

My father is Rupert Steele, an enrolled member of the Goshute-Shoshoni Confederated Tribe in Utah. My mother is Catalina Querta from the Hualapai Tribe. I was raised by my great-grandma Annie Querta. I have 2 brothers; Dugan and Fernando Steele, 2 sisters: Ruby and Edna Steele. I have 3 children: Carmella, Anthony and Theresa Fuentes. I have 2 grandbabies Joey Sullivan and Anthony Thompson, 8 nieces/nephews: McKell Oldbull, Kaylise Oldbull, Floyd Oldbull Jr., Quentin Steele, Devette Greymountain, Dayna Steele, Reila Steele, Brayden Morgan.

I respect the teachings of my elders as I grew up. At the time, I didn't know how important it would be to me in my future to learn the things they were trying to teach me. As I got older, I realize the reasons behind the teachings and I'm very thankful.

My parents are fluent in their tribal language. I grew to understand it, but never got fluent and I know there are a lot of our tribal members in the same boat.

My Education

Educational Certification in Child Development Associates at MCC.

Business Management courses at MCC. Need to complete 2 courses; Statistics and Finite Math to complete the ABus Degree Program. This ABus Program concentrates on transferring to a Arizona University to continue with the Bachelor's Management Degree Program, which is my personal future educational endeavor.

I have gained a lot of experience over the years by working in various areas of the tribal government.

Special Interests

- 7th/8th Grade Girls Basketball Coach. Go Tigers!

➤ Served on:

1. Headstart Parent Committee
2. The Wildlife, Fisheries & Parks Committee
3. Education Committee
4. Events Committee
5. Recreation Committee
6. Health Board
7. Election Board

- Firefighter with the Elko, Nevada firefighters.
- Traditional performer: Bird Dancer (I understand and am very strong in the Hualapai culture/tradition)

My education, job experience's, knowledge, training, culture/traditions and special interests will be my foundation when addressing issues facing our tribe.

Support the future

The future is our children, we "MUST" prepare them for leadership. Education and training is needed to succeed. We can't be old school all the time, the world will leave us behind, and will take advantage of our lack of education and knowledge. We need to use "OUR" resources better to take advantage of the many opportunities that are out there. We need to make sure tribal members have the tools to be successful.

By increasing the communication between the Tribal Council and the members, some of the trust can eventually be restored. Discussion of future endeavors "NEEDS" to include the tribal members. If leadership doesn't share their vision with the members, we cannot be expected to blindly support it. I make no unrealistic promises.

I will do my best to be your voice and I encourage your participation in the growth and future of the tribe. Without each of you we can do nothing; with "US" working together we can accomplish a lot.

Finally, I have been in the workforce since I was 14 years old. I have worked with many of you, played volleyball, basketball and softball with a lot of you. Taught many of your kids. I have made lasting friendships with many of you and have always respected the opinions of others. I may not always agree, but I will always respect you. I may not always be ready to give you what you want or need, but I will do my best to understand your needs and will provide options and ideas.

YOUR VOTES ARE IMPORTANT TO ME AND IF I AM ELECTED, I WILL LISTEN AND DO MY BEST TO REPRESENT. THANK YOU.

Sincerely,

Juliet Steele

 - b. The Hualapai Tribal Council is the governing legislative body of the Hualapai Tribe and has the sole and exclusive authority to grant, deny, or withdraw the privilege of doing business within the Reservation, trust and fee lands, except where such authority is limited or withdrawn from the Tribe by the applicable laws of the United States.

Hualapai Planning Department • What Happens When You Have a Probate?

Submitted by: Michelle Zephier | Hualapai Planning Department

What happens when you have a PROBATE?

If there is a living will that is taken to the Hualapai Tribal Court and the court will follow what is stated in the will. If there is no living will for the person who has passed then it still goes to Hualapai Tribal Court for a probate hearing. This usually will cost about \$20 to file and needs to be a family member that files it. Once the Probate is completed, the family will bring the Probate Decree to Michelle Zephier at the Planning Department. This is the only time that the Planning Department has any action in this process. Planning Department

will place the lease into whoever's name the court/family has decided. Planning then prepares a new lease if the old one has expired or amends the last lease. Also, Planning will presents to Tribal Council for approval and then forwards all documents to Bureau of Indian Affairs for final approval.

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other: in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person: for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible - plants don't grow - there will be no life - nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name Hualapai - PEOPLE OF THE TALL PINES -

FIRST THINGS FIRST SERVES AS A READY RESOURCE FOR PARENTS OF BABIES, TODDLERS AND PRESCHOOLERS

Babies don't come with instruction manuals. That's why First Things First, Arizona's early childhood agency, works to help families of young children feel confident in their role as their child's first and best teacher.

From birth to age 5, a child's brain grows more than any other time in their life. And the early years are the best opportunity to develop the brain connections they need to be healthy, capable, successful adults. That's why FirstThingsFirst.org has tons of resources for raising babies, toddlers and preschoolers. Everything from tips on how to support tummy time for infants to learning how every day back-and-forth interactions help to build early literacy skills.

One of the most unique things about First Things First is that they fund early childhood programs that are locally focused to ensure that families in communities such as Peach Spring Community are getting the services that local parents need most. In the FTF Hualapai Region, this includes supports such as home visitation programs, service coordination and the Quality First program, which helps families have access to quality child care and preschool programs.

"Our home visitation program ensures that parents in the Hualapai region have the tools they need to be confident in their roles. Adding service coordination to our funded strategies ensures that providers work together to better meet the needs of our Hualapai families."
Chira Walema Parent Seat, FTF Hualapai Tribe Regional Partnership Council

Children with access to quality early learning environments, whether at home or in an early childhood program, are more prepared for kindergarten and do better in school. Research shows that when babies, toddlers and preschoolers have caregivers that are engaged in their development, the better they'll do in the long run. Not only academically, but in their relationships with their classmates.

Visit FirstThingsFirst.org to find out about the free programs offered in your area, to read about families being helped in your community or for ways to get involved. Whether you have a child age 5 and younger in your life or not – investing time, energy and resources in helping kids arrive at kindergarten prepared to be successful is not only right, it's smart.

ABOUT FIRST THINGS FIRST

As Arizona's early childhood agency, First Things First funds early learning, family support and children's preventive health services to help kids be successful once they enter kindergarten. Decisions about how those funds are spent are made by local councils staffed by community volunteers. To learn more, visit FirstThingsFirst.org

August 4, 2021

Dear Parent/Guardian:

We are excited to welcome your student to Valentine Elementary School for the 2021-2022 school year!

With the recent increase of cases of the COVID-19 Delta variant, I wanted to reassure you that your and your student's health and safety is a top priority, and we will continue to implement many of our mitigation strategies. Although the Arizona Legislature passed ARS § 15-342.05 prohibiting schools from requiring face coverings, we will continue to honor your decision if you choose to have your student wear one. As has always been the case, you are our first line of defense by making the decision to keep your student home if there are symptoms of infection, particularly a fever.

One of the mitigation strategies that you can assist with is reducing the number of students on the bus. If you are able to transport your student to and from school, you are encouraged to do so.

Our first day of school for students is scheduled for August 16, 2021. Once again, Peach Springs Elementary has been gracious enough to act as our kitchen, so our students will have access to breakfast and lunch each day. Students should arrive at campus between 7:30 and 7:45 am, whether they are riding the bus or being transported by family.

Following our Tribal Consultation Meeting at 4:30 pm (which you are welcome to attend), our Back-to-School Night will be on Wednesday, August 11, 2021, from 5:30 – 6:30 pm. It is important for you and your students to attend. There will be a brief opening session in the gym, before families can go and visit their students' classrooms. This is not a time for conferences. This is a time to see the school, meet the teacher, ask general questions, etc. We will conclude the evening at 6:30 so that staff can enjoy the rest of their summer before school starts for students on Monday, August 16, 2021.

Included with this letter is a copy of our school's annual calendar and the latest copy of our school newsletter, Eagle Eyes. Take a moment to read through them. We intend on publishing regularly with the Gam'Yu newsletter as well to help keep the community informed. We are also developing a smart phone app to assist in keeping families current about school activities and events.

We recommend waiting to purchase school supplies until after the meeting on the 11th, as some teachers may have specific requests. The following items should NOT be brought to school:

Personal pencil sharpeners	Gum	Cash
Permanent markers (Sharpies)	Slime	Expensive toys

A more comprehensive list will be in the Family Handbook, which will be available at the Back-to-School Night.

We have so much in store for your students this year. I look forward to meeting each and every one of you on the evening of the 11th and throughout the school year.

Please feel free to contact me at the school with any questions, comments, concerns, or suggestions.

Educationally,

Cliff Angle
Superintendent

BACK TO NORMAL

We will be back to full in-person learning this year! Our first day of school is August 16, 2021. Students should arrive by 7:45 am each day, especially if they wish to take advantage of the school breakfast program, once again supplied by Peach Springs Elementary School's kitchen.

Given the recent increase in COVID cases, we are once again asking that if you are able to transport your student to and from school, please do so to reduce the number of students on the buses. Our buses will run their normal routes both mornings and afternoons.

Kindergarten students are dismissed at 1:45 pm. An adult must meet the bus for us to release a kindergarten student. Hualapai Daycare and the Boys' and Girls' Club count as adults meeting the bus. All other students are dismissed at 3:30 pm. Families should call by noon to make changes to their student's end-of-the-day transportation.

Hualapai Tribal Practices for Wellness in Indian Country • Beaded Cape

Submitted by: Jessica Powskey | Hualapai Health, Education & Wellness

Skùl Sadám Beaded Cape

This tutorial is one way of creating a necklace. There are many techniques and intricate designs out there. For this demonstration- a basic odd count will be used. Once you have mastered the pattern, you can incorporate your own design, bead counts, etc.

For this tutorial we will use 3 colors. Colors will be identified as 1, 2, and 3.

This design is for a 15" necklace with a zig zag design. We will begin with 1, 5, 1, 5, 1, 5, 1, 5, 1, 5, 1, 5. This will be your 5 bead diamonds. Continue with 1, 7, 1, 7, 1, 7, 1, 7, 1, 7, 1, 7. This will be your 7 bead diamonds. Continue with 1, 9, 1, 9, 1, 9, 1, 9, 1, 9, 1, 9. This will be your 9 bead diamonds. Continue with 1, 11, 1, 11, 1, 11, 1, 11. This will be your 11 bead diamonds. Continue with 1, 13, 1, 13, 1, 13, 1, 13. This will be your last diamonds. In all you will have 3 diamonds of 5 beads, 3 diamonds of 7 beads, 3 diamonds of 9 beads and 2 diamonds of 11 beads and 2 diamonds of 13 beads.

String 104 beads of color 1

String 11 beads of color 2.

String 9 beads of color 1

String 57 color 2

String 11 color 3

String 15 color 2

String 42 color 3.

This is the beginning of the design.

Now you will add the bottom of the necklace with a fringe. This design will be your choice of length. For example- a 20-5-3-5-20-3 pattern for a straight fringe or a 40-5-2-5-40 for a loop fringe. Its entirely up to you. Now that you have created your fringe its time to go back up.

String 27 beads of color 3 and enter the 28th bead going back up. Do this again, string 27 beads of color 3 and enter the last bead of color 2. You should have 2 diamonds with 13 beads on each side.

String 12 beads of color 2 and 11 beads of color 3. Enter the 24th bead of color 2.

String 23 beads of color 2 and enter the 24th bead of color 2. You should have 2 diamonds with 11 beads on each side

String 19 beads of color 2 and enter the 20th bead.

String 10 beads of color 2 and 9 beads of color 1 and enter 20th bead.

String 10 beads of color 2 and 9 beads of color 1 and enter 20th bead. You should have 3 diamonds with 9 beads on each side.

String 15 beads of color 1 and enter 16th bead. Do this 3 times. You should have 3 diamonds with 7 beads on each side.

String 11 beads of color 1 and enter the 12th bead. Do this 3 times, you should have 3 diamonds.
Once you have reached the top your diamonds should all match on each side.

String 10 beads of color 1. 4 beads will stay at top, the 5th bead is your connect and the other 5 beads is the beginning of the next diamond.

You will enter the 6th bead going back down.

String 11 beads of color 1 and enter the 6th bead of the next diamond. Repeat 11 beads and enter the 3 diamond at the 6th bead

String 13 beads and enter the 4th diamond at the 8th bead.

String 15 beads and enter the 5th diamond at the 8th bead. Repeat for the 6th diamond

String 7 beads of color 1 and 10 beads of color 2 and enter the 7th diamond at color 2.

String 9 beads of color 1 and 10 beads of color 2 and enter 8th diamond of color 2

String 19 beads of color 2 and enter 10th bead of 9th diamond

String 21 beads of color 2 and enter 12th bead of 10th diamond

String 11 beads of color 2 and 12 beads of color 2 and enter 11th diamond at 12th bead

String 24 beads of color 3 and enter 12 diamond at 14th bead

String 27 beads of color 3 and enter 14th bead of last diamond

String 13 beads of color 3, and connector color and do your fringe

This is the pattern you will follow.

Each time you reach the top- string 4 beads for the neckline, 1 connect and 5 beads to begin the next diamond. Be sure to enter the 6th bead going back down.

Once your zig zag design reaches the top of necklace or you wish to create a smaller zig zag, you will reverse direction of color 2.

For more one-on-one tutorials, contact me in my office or ask a friend who is known to bead capes. I hope this step by step tutorial helps.

Once you have created the first row of diamonds, you will see your pattern Beading is relaxing and inspires to create beautiful art pieces. I share this tutorial to preserve the art of making beautiful necklaces.

Beading should be created when you are relaxed and have good intentions. You will find that your string may tangle or bead count will not come out right if you mind is not focused on the project.

My Monya created many arts of work from baskets, necklaces, barrettes and many many arts. I spent many beautiful moments with her and she was always good to me. I share my work in memory of my teachers, Monya -Mazie Powskey and Nya Nibih -Cornelia Yazzie.

Preventing Suicide

Suicide is a leading cause of death.

Suicide is death caused by injuring oneself with the intent to die. A suicide attempt is when someone harms themselves with any intent to end their life, but they do not die as a result of their actions.

Many factors can increase the risk for suicide or protect against it. Suicide is connected to other forms of injury and violence. For example, people who have experienced violence, including child abuse, bullying, or sexual violence have a higher suicide risk. Being connected to family and community support and having easy access to health care can decrease suicidal thoughts and behaviors.

Suicide is a large and growing public health problem.

Suicide rates increased 33% between 1999 and 2019, with a small decline in 2019. Suicide is the 10th leading cause of death in the United States. It was responsible for more than 47,500 deaths in 2019, which is about one death every 11 minutes. The number of people who think about or attempt suicide is even higher. In 2019, 12 million American adults seriously thought about suicide, 3.5 million planned a suicide attempt, and 1.4 million attempted suicide.

Suicide affects all ages. It is the second leading cause of death for people ages 10-34, the fourth leading cause among people ages 34-54, and the fifth leading cause among people ages 45-54.

Some groups have higher suicide rates than others. Suicide rates vary by race/ethnicity, age, and other factors. The highest rates are among American Indian/Alaska Native and non-Hispanic White populations. Other Americans with higher than average rates of suicide are veterans, people who live in rural areas, and workers in certain industries and occupations like mining and construction. Young people who are lesbian, gay, or bisexual have a higher rate of suicidal ideation and behavior compared to their peers who identify as straight.

Suicide has far-reaching impacts.

Suicide and suicide attempts cause serious emotional, physical, and economic impacts. People who attempt suicide and survive may experience serious injuries that can have long-term effects on their health. They may also experience depression and other mental health concerns. The good news is that more than 90% of people who attempt suicide and survive never go on to die by suicide.

Suicide and suicide attempts affect the health and well-being of friends, loved ones, co-workers, and the community. When people die by suicide, their surviving family and friends may experience shock, anger, guilt, symptoms of depression or anxiety, and may even experience thoughts of suicide themselves.

The financial toll of suicide on society is also costly. Suicides and suicide attempts cost the nation over \$70 billion per year in lifetime medical and work-loss costs alone.

Suicide can be prevented.

Suicide is preventable and everyone has a role to play to save lives and create healthy and strong individuals, families, and communities. Suicide prevention requires a comprehensive public health approach. CDC developed [Preventing Suicide: A Technical Package of Policy, Programs, and Practices](#) (also available in Spanish), which provides information on the best available evidence for suicide prevention. States and communities can use the technical package to help make decisions about suicide prevention activities. Strategies range from those designed to support people at increased risk to a focus on the whole population, regardless of risk.

Dental Fluoride Varnishing

Dental Fluoride varnishing is one of the best ways to prevent tooth decay. Varnish (Cavity Shield) is a topical application that hardens upon contact with saliva therefore is safe to use on younger children. Varnish helps stop tooth decay in its early stages. It can be applied to teeth up to 4X a year to help slow down the cavity causing bacteria.

The application is painless and does not require numbing or drilling in the mouth. Minor risks include: gagging, or a funny taste when applied.

Parker Dental Hygienist, Nida Lerch RDH. BS Will provide dental screening and apply fluoride varnish for Children ages 0-15 every third Friday of the month in Peach Springs Clinic. Please call the clinic for an appointment, Limited walk-ins are available.

NEXT VISIT IS FRIDAY: June 18th, July 16th, August 20th, September 17th, October 15th, November 19th, and December 17th.

ROADSIDE HELP

GRAND OPENING!

Welcome all!

Hello, my name is Joseph Salazar, I have created and developed Roadside Help here in Peach Springs, AZ. Roadside Help is a sole proprietorship that is insured, licensed in Mohave County, and educated as an Advanced automotive technician. I grew up in the town of Peach Springs, and know all too well about the lack of resources here especially for automotive repairs.

I set out to establish an automotive repair resource in Peach Springs due to the lack of resources for our locals here in town. Everyone is typically left no choice but to drive their vehicle 45 miles to the resources we need to have vehicles serviced, repaired, and preventative maintenance performed. I spent years learning, and obtaining information on how to go about even opening up a automotive repair service here. I own all my own tools, and have reliable transportation to meet your needs upon request. It is my joy to announce Roadside Help is officially up and running!

Roadside Help offers all mobile repair services primarily in Peach Springs, but includes all surrounding areas within Mohave County. Contract work, POs, personal hire I am available for all needs whether you are a department here in Peach Springs, or a local needing some service work.

Services Roadside Help offers -

ENGINE REPAIR – WIRING/ELECTRICAL SYSTEMS – HEATING & SOME AIR CONDITIONING – ENGINE PERFORMANCE DIAGNOSIS – BRAKES – SUSPENSION/STEERING - DRIVE TRAINS – MANUAL/AUTOMATIC TRANSMISSIONS – AUDIO SYSTEM INSTALLS – CHASSIS SERVICE – SENSORS
