## **PART I. GENERAL PROVISIONS**

### **Section 101. Purpose**

The purpose of this Ordinance is to authorize the establishment of a tribal utility authority to provide electric power service, water service, wastewater service, and telecommunications service at certain locations within the Hualapai Reservation and on other Tribal lands under the jurisdiction of the Hualapai Tribe.

### **Section 102. Findings**

The Hualapai Tribal Council hereby makes the following findings:

(a) The availability of electric utility service, water service, wastewater service, and telecommunications service is a necessity for economic development within the Hualapai Indian Reservation.

(b) To the extent electric utility service, water service, wastewater service, and telecommunications service is not available on certain lands within the Reservation, or is available but the conditions of such service are less than adequate in terms of reliability and/or reasonableness of costs of service, then the political integrity and economic security of the Hualapai Tribe are threatened, as well as the health, welfare, and safety of tribal citizens and other persons residing, doing business, or visiting within the territory of the Hualapai Tribe.

(c) As the governing body of a sovereign Indian nation, the Tribal Council has the authority, pursuant to the Constitution of the Hualapai Indian Tribe of the Hualapai Indian Reservation, Arizona ("Hualapai Constitution"), to enact legislation establishing a tribal utility authority within the Hualapai Reservation.

(d) Formation of a tribal utility authority will enable the Hualapai Tribe to improve electric utility service, water service, wastewater service, and telecommunications service within the Hualapai Reservation and on other Tribal lands under the jurisdiction of the Hualapai Tribe.

(e) There is a present need to furnish Grand Canyon West ("GCW") with access to lower cost electric power service, to be established by a tribal utility authority.

### **Section 103. Establishment**

The Tribal Council hereby establishes the Hualapai Tribal Utility Authority (HTUA). The HTUA shall be operated and governed in accordance with the provisions of this Ordinance, including any subsequent amendments to this Ordinance.

### **Section 104. Name, Location, and Place of Business**

(a) The name of the entity established by this Ordinance is the Hualapai Tribal Utility Authority, which is referred to herein as “HTUA” or the “Utility.”

(b) The principal place of business and the office of HTUA shall be Peach Springs, Arizona. The Board of Directors in its judgment may authorize additional offices at such other locations as it deems appropriate.

#### **Section 105. Seal**

The Board of Directors shall adopt a seal in such a form and with such symbols, designs, size, and colors as shall be determined by the Board. The seal shall bear the full name “HUALAPAI TRIBAL UTILITY AUTHORITY” and shall include the words “HUALAPAI TRIBE” and the year “2014.”

#### **Section 106. Duration**

The duration of HTUA is perpetual.

#### **Section 107. Mission**

(a) The missions of HTUA are several:

- (1) To establish and maintain electric power service for GCW;
- (2) To establish and maintain water service for GCW;
- (3) To establish and maintain wastewater service for GCW;
- (4) To establish and maintain telecommunications service;
- (5) To establish and maintain such additional utility services for locations within the Hualapai Reservation and on other Tribal lands under the jurisdiction of the Hualapai Tribe as the Tribal Council may deem appropriate pursuant to Section 108 of this Ordinance.

(b) In the accomplishment of its mission, HTUA is authorized to carry out the following kinds of activities:

- (1) To plan for, provide, and furnish electric power, water and wastewater utility services to GCW and provide telecommunication services for the Hualapai Reservation and other Tribal lands under the jurisdiction of the Hualapai Tribe. Such services may include other energy-related services, including energy conservation and the use of renewable energy technologies.

- (2) To promote the use of HTUA's services where available in order to improve the health and welfare of residents of the Reservation and to facilitate economic development.
- (3) To acquire, construct, operate, maintain, promote, and expand electric power service, water service, and wastewater service at GCW as well as acquire, construct, operate, maintain, promote, and expand telecommunications throughout the Hualapai Reservation and on such other locations within the Hualapai Reservation and on other Tribal lands under the jurisdiction of the Hualapai Tribe as the Tribal Council may deem appropriate pursuant to Section 108 of this Ordinance.
- (4) To operate utility services so as to provide revenue sufficient to service debt on particular component projects as may be required by creditors on such component projects.
- (5) To do everything necessary, proper, and advisable, or convenient for the accomplishment of the mission set forth in this section, and to do all things incidental to or connected with such mission, which are not forbidden by law, this Ordinance, or the Hualapai Constitution.

#### **Section 108. Authority to Modify Mission**

The Tribal Council may enlarge or otherwise modify the mission(s) of HTUA as it deems appropriate in the future. This authority includes, but is not limited to, the authority to provide for additional utility services (e.g., garbage, etc.) and the authority to provide service to locations within the Hualapai Reservation and on other Tribal lands under the jurisdiction of the Hualapai Tribe, as the Tribal Council may deem appropriate in the future.

Any actions that the Board plans to take in the upcoming year that appear to require approval by the Tribal Council shall be highlighted in the annual report, including any request for the appropriation of tribal funds for the operation of HTUA. The Board may assign the General Manager the responsibility for preparing the report, although it shall be presented to, and must be approved by, the Board before being submitted to the Tribal Council. Failure to seek Council approval in an annual report will not necessarily preclude HTUA from taking a planned action, but, if Council approval is required, a supplemental report to the Council (followed by Council approval) shall be required.

(b) The Board shall also submit a separate report to the Tribal Council on a quarterly basis. The quarterly report shall include, but need not be limited to, a summary of the matters discussed at the quarterly Board meeting required by Section 204(a). ## **PART 2. ADMINISTRATION**

#### **(b) Appointments and Terms of Office**

- (1) All appointments shall be made by the Tribal Chairperson, subject to confirmation by the Tribal Council.
- (2) For the initial Board, three members shall be appointed for a term of three years and two for a term of two years, or until their qualified successors have

been appointed. Thereafter, all terms shall be for three years. Board members shall be eligible for reappointment.

- (3) The Board shall inform the Tribal Council, in writing, at least 90 days, but not more than 120 days, before the expiration of a Board member's term and may make recommendations regarding reappointment or possible replacement candidates.

**(c) Removal, Resignations, and Vacancies**

- (2) Any member of the Board may resign at any time by giving written notice to the Chairperson of the Board and to the Tribal Council. Resignations shall become effective at the time specified in said notice and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.
- (3) Any vacancy on the Board because of death, resignation, removal or other cause shall be filled with a person of suitable experience and qualifications such that the requirements of Section 202(a) are met. Pending such appointment the vacancy shall be filled by the Tribal Chairperson, subject to confirmation of the Tribal Council.

**Section 203. Board Powers and Duties**

**(a) In General.** The direction of purpose and exercise of powers by the Board shall be subject to applicable Federal and Tribal laws and regulations. The Board shall direct the purposes and exercise the following powers and duties:

- (1) The Board is delegated full authority and responsibility for the management and operation of HTUA consistent with this Ordinance.
- (2) The Board is authorized to direct the operations to accomplish the missions set forth in Section 107 of this Ordinance and to exercise the powers set forth in subsection (b) below without prior authorization or subsequent approval (except as indicates herein) and all parties dealing with HTUA shall have the right to rely upon any action taken by the Board pursuant to such authorization.

- (4) The Board shall function in much the same capacity as an elected Board of Directors of a chartered municipal electric utility, and shall be responsible for making investment decisions, subject to the limitations contained herein or in any advance of funds; for the establishment and maintenance of effective operating policies; the selection of management personnel; and for continuous supervision of performance.
- (5) The Board shall exercise its authorized powers in the best interest of the Community within the limits of responsible business judgment and such requirements as may be established by creditors at or before such time as funds are extended by said creditors. The Board shall not incur contract obligations in excess of the ability of HTUA to make payments on due dates.

Title to all such real property shall be taken in the name of the Hualapai Tribe and title to all trust or restricted property shall be and remain in its trust or restricted status.
- (6) To Deal in Personal Property. The HTUA (acting through the Board) shall have the authority to acquire (by purchase, exchange, lease, hire, or otherwise), hold, own, manage, operate, mortgage, pledge, hypothecate, exchange, sell, deal in, and dispose of, either alone or in conjunction with others, personal property and interest therein and commodities of every kind,

- (7) To Deal in Inventions, Copyrights, and Trademarks. The Board shall have the authority to acquire by application, assignment, purchase, exchange, lease, hire or otherwise to hold, own, use license, lease, and sell, either alone or in conjunction with others, the absolute or any partial or qualified interest in and to inventions, improvements, letters patent and applications for patents, licenses, formulas, privileges, process, copyrights and applications for copyrights, trademarks and applications for trademarks, and trade names, and that title of all such acquisitions shall be taken in the name of HTUA for the Tribe.
- (8) To Execute Guaranties. The Board shall have the authority to make any guaranty respecting indebtedness, interest, contracts, or other obligations lawfully entered into by or on behalf of the Utility, to the extent that such guaranty is made in pursuance of the missions set forth in Section 107 of this Ordinance, provided that no such guaranty in excess of Fifty Thousand Dollars (\$50,000.00) shall be made without the prior written approval of the Tribal Council. - (11) To Approve Budgets. The Board shall have the authority to grant initial approval to annual HTUA budgets, and to make final approval action with reference to the use of funds under the exclusive control of HTUA for operating and capital addition purposes. With respect to funds in HTUA's budget that are appropriated by the Tribal Council from Tribal funds for use by HTUA, or that are obtained under authority of the Tribe through grant or contract, the expenditure of such funds by the Board must be in accordance with a budget that has been approved by the Tribal Council.
- (12) To Issue Bonds. The Board is authorized to issue bonds to finance investments made by HTUA, provided that such bonds meet the requirements

for bonds issued by tribal governments pursuant to the Indian Tribal Government Tax Status Act, 24 U.S.C. § 7871. Any such bond issue must have the prior approval of the Tribal Council and may be subject to a referendum pursuant to the Hualapai Constitution. Prior to any initial bond issuance under this provision the Tribal Council must set a maximum total long-term indebtedness pursuant to bonds issued by HTUA, and bond issuances may not cause such indebtedness to exceed that limit.

(13) Hearings. The Board is authorized to hold public hearings to receive input from members of the Tribe and the general public on any topic on which the Board determines that such input would be useful.

**(d) Powers not to be construed as purposes.** The powers enumerated herein shall not be construed as purposes of HTUA, but HTUA shall have and exercise such powers solely in furtherance of, but not in addition to, the mission set forth in Section 107 of this Ordinance.

**(e) Waiver of Notice.** The notice may be waived in writing signed by the Board member or members entitled to such notice whether before or after the time stated therein and such waiver shall be deemed equivalent to the giving of such notice. Attendance of any member at such quarterly or special meeting shall constitute waiver of notice.

**(f) Quorum.** Three members of the Board shall constitute a quorum for the transaction of any business. The act of the majority of the Board members present and voting at a meeting at which a quorum is present shall be the act of the Board.

The Treasurer shall render, or cause to be rendered, to the Chairperson and Board whenever required, an account of all transactions as Treasurer and the financial condition of HTUA. The Treasurer shall, at the expense of HTUA, give a bond for the faithful performance and discharge of duties as Treasurer in such amount, or so conditioned, and with such surety or sureties as the Board may require.
- (5) The Assistant Secretary and Assistant Treasurer, if appointed, shall assist the Secretary and Treasurer, respectively, in the accomplishment of their duties as specified in this Section.

(c) The officers of the Board shall be chosen annually by the Board at its annual meeting.

(d) Any officer or agent elected or appointed by the Board may be removed by the Board whenever, in its judgment, the best interests of HTUA and/or the mission of HTUA will be served thereby.

(e) Any officer may resign as an officer at any time by giving written notice to the Board, or to the Chairperson, or Secretary, such resignation to take effect at the time specified therein, and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. Any vacancy in any office because of death, resignation, removal, or any other cause may be filled for the unexpired part of the term at the next regular meeting of the Board. Resignation from the Board and appointments to fill vacancies on the Board are governed by Section 202 of this Ordinance.

#### **Section 206. General Manager**

The General Manager shall be employed by the Board under a written employment contract and shall be responsible to the Board. The General Manager must have experience in the management or operation of an electric utility, or experience relevant thereto. #### **Section 207. Indemnification of Board Members and Employees**

HTUA shall indemnify any officer, employee, or member of the Board or former officer, employee, or member of the Board, or any person who may have served at its request as an officer, employee, or member of the Board, against reasonable expenses actually and necessarily incurred in connection with the defense of any action, suit, or proceeding in which he/she is made a party by reason of being, or having been such officer, employee, or member of the Board except in relation to such matters as to which he/she shall be adjudged in such action, suit, or proceeding to be liable for negligence or misconduct in the performance of duty, or except in relation to matters in which he/she was an employee acting beyond the scope of his/her employment. HTUA shall also reimburse to any officer, employee, or member of the Board reasonable costs of settlement of any such action, suit, or proceeding if it shall be found by a majority of the Board other than Board members involved in the matter (whether or not a quorum exists) that it is in the best interest of HTUA and the Hualapai Tribe that such a settlement be made and that such officer, employee, or member of the Board was not guilty of negligence or misconduct. Such rights of indemnification and reimbursement shall not be deemed exclusive of any other rights which such officer, employee, or member of the Board may be entitled to receive.

#### **Section 208. Bonds and Notes for Support of the Utility**

**(a) No Material Change during Terms of Notes and Bonds.** The Hualapai Tribal Council does hereby pledge to contract and agree with any person, firm, or corporation, or any federal, tribal, or state agency subscribing to or acquiring notes or bonds of HTUA issued for purposes of HTUA, that it obligates itself not to limit or alter the rights or powers vested in HTUA in any material way until such notes or bonds, at any time issued, together with interest thereon, are fully met, paid, and discharged.

**(b) No Material Change Respecting Federal Creditors or Federal Contributors of Funds.** The Hualapai Tribal Council does further pledge to contract and agree with any federal

agency (including but not limited to the Rural Utility Service) that, in the event such agency shall loan or contribute any funds for construction, extension, improvement or enlargement of any facilities, the Hualapai Tribal Council will not alter or limit the rights or powers of HTUA in any manner that would be inconsistent with the continued operation and maintenance of such facilities or the extension, improvement, or enlargement thereof, or which would be inconsistent with the due performance of any agreements between HTUA and any such federal agency; and HTUA shall continue to have and may exercise all rights and powers under this ordinance, so long as the same shall be necessary or desirable for carrying out its purposes and those of any federal agency loaning or contributing funds for the construction, extension, improvement, or enlargement of any facilities.

**(c) Remedies of Note or Bond Holders.** Subject to any contractual limitations binding upon the holders of any issue of notes or bonds, or trustees for such holders, including but not limited to the restriction of the exercise of any remedy to a specified proportion or percentage of such holders, any holder of any note or bond, or trustee for such holder, shall have the right and power, for the equal benefit and protection of all holders of notes or bonds similarly situated:

- (1) By mandamus or other suit, action, or proceeding at law or in equity to compel HTUA and its Board, officers, agents, or employees to perform and carry out their duties and obligations under HTUA's covenants and agreements with such holders;
- (2) By action or suit in equity to require HTUA and its Board to account as if they were the trustees of an express trust;
- (3) By action, suit, or other proceeding at law or in equity to have a receiver appointed and/or to enforce any pledge, lien, or security agreement given in connection with the issuance of any note or bond, such enforcement right to include the power to possess, control, and sell the security in accordance with the applicable security agreement, lien, or pledge;
- (4) By action or suit in equity against HTUA or its Board to enjoin any acts or things which are in violation of the rights of the note or bond holders; and
- (5) To bring suit against the Utility upon the notes or bonds, security instruments, or loan contracts.

Unless otherwise agreed between HTUA and such holder or trustee for any such holder, such rights shall be enforceable only in the courts of the Hualapai Tribe. No remedy conferred by this Section upon any holder of the notes or bonds, or any trustee for such a holder, is intended to be exclusive of any other remedy, but each such remedy is cumulative and in addition to every other remedy, and may be exercised without exhausting and without regard to any other remedy conferred by this section or by any other law. No waiver of any default or breach of duty of contract, whether by any holder of the notes or bonds, or any trustee for such a holder, shall extend to or shall effect any subsequent default or breach of duty of contract or shall impair any rights or remedies thereon. No delay or omission of any note or bond holder, or any trustee for

such a holder, to exercise any right or power accruing upon default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon such holder may be enforced and exercised from time to time as often as may be deemed expedient. In case any suit, action, or proceeding to exercise any remedy shall be determined adversely to the holder of the note or bond, or any trustee for such a holder, then in every such case HTUA and such holder, or trustee, shall be restored to their former positions and rights and remedies as if no such suit, action, or proceeding had been brought or taken.

**(d) Limited Waiver of Sovereign Immunity.** Subsections (b) and (c) of this Section shall be construed as an explicitly limited exception to the sovereign immunity of the Hualapai Tribe and shall not be construed to waive any immunity of the Hualapai Tribe, nor to extend any liability to any assets, revenues, or incomes of the Hualapai Tribe, other than those of HTUA. The waiver in subsection (c) is expressly limited to actions in the Courts of the Hualapai Tribe, unless otherwise agreed between HTUA and the holder or trustee for any such holder. A waiver of sovereign immunity pursuant to this Section may require a referendum to the extent required by the Hualapai Constitution.

#### **Section 209. Enforceability of Contracts**

**(a) Contracts in the Course of Utility Operations.** HTUA is authorized to enter into contracts in the course of conducting its operations, and such contracts shall be enforceable in a proceeding at law or in equity in the Courts of the Hualapai Tribe and/or the federal courts of the United States (at the discretion of HTUA), in accordance with this Section. The Board shall develop a standard clause to be included in such contracts, which clause shall be presented to the Tribal Council for approval. Said clause may limit the extent of HTUA's liability for damages and shall govern the extent to which HTUA may waive immunity. Once such a clause has been approved by the Tribal Council, no further action by the Council is required for such a contract to be enforceable in accordance with this subsection (a). Until such a standard clause has been approved, or in the event that a party to a contract with HTUA does not agree to be bound by terms within the extent of the waiver contemplated by the standard clause, a clause on enforceability of any such contract will require approval by the Tribal Council.

**(b) Enforceability of Service Agreements and Special Contracts.** The Board shall develop a standard clause to be included in its service agreements and special contracts with customers to ensure that such contracts can be enforced in the Courts of the Hualapai Tribe. The standard clause may limit the extent to which HTUA will be liable for damages resulting from power outages, disruptions in water, wastewater, or telecommunications services, or other service failures. This standard clause shall be presented to the Tribal Council for approval.

**(c) Limited Waiver of Sovereign Immunity.** Subsections (a) and (b) of this Section, and any waiver of sovereign immunity included in any contract other than those contracts contemplated by those subsections, shall be construed as an explicitly limited exception to the sovereign immunity of the Hualapai Tribe and shall not be construed to waive any immunity of the Hualapai Tribe, nor to extend any liability to any assets, revenues, or incomes of the

Hualapai Tribe, other than those of HTUA. A waiver of sovereign immunity may require a referendum to the extent required by the Hualapai Constitution.

**Section 210. Accounting and Fiscal Year**

A modern accounting system shall be established and installed in conformity with accounting principles generally accepted in the utility business. The accounting system shall insure the availability of information as may be necessary to comply with any applicable Federal, State, and Tribal regulatory requirements. Use of automatic data processing is encouraged. The fiscal year of HTUA shall be from October 1 to September 30.

The General Manager shall prepare and present to the Board for its approval an Operations Manual for HTUA. The Operations Manual shall be a written compilation of its procedures and practices which govern service provided by HTUA and shall include such information as the Board directs, or the General Manager determines should be included, to supplement the information set out in this Ordinance. The Operations Manual may be altered, amended, or repealed by the Tribal Council at any regular or special meeting, provided notice of such meeting shall have contained a copy of the proposed alteration, amendment, or repeal and shall be at least fourteen (14) days prior to the meeting.

### **Section 302. Annual Budget**

The General Manager shall prepare and present to the Board for its approval an annual budget for HTUA. The timing of the preparation and Board approval of the annual budget shall be done in a way that is coordinated with the budget process used by the Tribal Council. To the extent that HTUA's annual budget includes planned expenditures of any tribal funds or federal funds subject to control of the Tribal Council, HTUA's budget must be approved by the Tribal Council.

### **Section 303. Five Year Plan**

The Board is responsible for preparation of a five-year plan for the development of HTUA, which shall include plans for accomplishment of the mission specified in Section 107(a)(1) above and shall, at the Tribal Council's option, include plans for accomplishment of the missions specified elsewhere in Section 107(a). The five-year plan shall be updated in a biennial basis. The plan shall be available for review by tribal members and the general public, and the Board shall accept written comments on the five-year plan on an ongoing basis.

### **Section 304. Rates and Other Charges for Services**

(a) **Setting Rates.** The Board shall propose all rates and surcharges for utility services, and when adopted by the Tribal Council shall become effective at such time as the Council shall determine. Upon a petition being filed by any fifty (50) users, HTUA shall, after giving such notice as the Board determines adequate, hold a formal public hearing to review such rates and charges.

(b) **Rate Considerations for Electricity Service.** In setting rates for electricity services, the Board must set rates in amounts sufficient (at a minimum ) to satisfy the requirements of any federal agency (including but not limited to the Rural Utility Service) which has provided a loan or grant to HTUA for electricity-related purposes and which requires sufficient rates in order to

make its loan or grant. The Board, acting (as it may) through the General Manager and/or authorized agents of the Board or General Manager, may consult with any such agency throughout the ratemaking process as necessary in order to ensure compliance with the above. The Board is also authorized to adopt rate designs that encourage energy efficiency and/or the distributed generation of electricity using renewable energy technologies.

**(c) Classes of Service.** The Board may establish different classes of service that are subject to different rates. The rationale for any such classes of service must be specifically explained to the Tribal Council when the rate design is presented for Council approval.

**(d) Appeals.** The Board shall establish procedures for appeals of rate decisions to the Council. However, in processing such appeals the Council shall be bound by the Rate Considerations for Electricity Services contained in Section 304(b) of this Ordinance.

### **Section 305. Conservation Services**
