We have put together a series of questions for your safety. White water rafting is an extreme sport that requires strength, endurance, and ability to withstand extreme heat and cold-water conditions. Each participant is expected to sit for long periods of time on the raft with frequent rough water events called rapids. The rapids can be rough, similar to a bucking horse where the participant is expected to hang on. Colorado River Rapids are classified on the 1 through 10 Grand Canyon system (Class 1 – easy). On rare occasions, the boat may capsize, or an individual may fall out of the boat.

## The Planning Department Seeking One (1) New TERC Member • Due Date: Friday, June 2<sup>nd</sup>

Submitted by: Kevin Davidson | Hualapai Planning Department

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other; in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person; for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible - plants don't grow - there will be no life - nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name Hualapai - PEOPLE OF THE TALL PINES -

## The Planning Department is Seeking One New TERC Member

Greetings Community Members:

The Planning Department is looking for one new applicant for the Tribal Environmental Review Commission (TERC) or Board of Commissioners. Below is a summary of what TERC is and what duties it performs.

Under the Hualapai Environmental Review Code (HERC), the Board of Commissioners has the primary authority, under the direction of the Hualapai Tribal Council, for regulating land use and development of Hualapai Tribal Lands. The Board of Commissioners is composed of seven (7) members who are appointed by the Tribal Council.

Their function is to review and regulate, including issuing permits, for all development activities that are proposed for any land site within Hualapai Tribal lands in order to ensure that:

- (1) no development activity will be carried out without a permit; and
- (2) all development activities will be carried out in accordance with all applicable tribal and federal environmental protection laws and regulations.

If you are interested, you can pick up an application at the Hualapai Planning Department located at 887 Hwy 66 (next to 76 fuel station). You can also request an application be mailed or e-mailed to you. **The due date for applications is Friday, June 2, 2023** and may be turned in to the tribal office or the Planning Department. **Seeking One (1) New Board Member for the HTUA • Due: Friday, June 2<sup>nd</sup>***Submitted by: Kevin Davidson | Hualapai Planning Department***Seeking One New Board Member for the Hualapai Tribal Utility Authority (HTUA)**

On September 24, 2014, the Hualapai Tribal Council adopted the Hualapai Tribal Utility Authority Governing Ordinance. This is a significant step toward self-determination in the realm of public utilities for the Hualapai Tribe.

Established as an institution of Tribal government, the five members of the Hualapai Tribal Utility Authority board are chosen by Council. As noted in Section 107.b.3, of the Ordinance, the HTUA Board is authorized to acquire, construct, operate, maintain, promote, and expand electric power service, and eventually water service, and sewage service at Grand Canyon West and on such other locations within the Hualapai Reservation and on other Tribal lands under the jurisdiction of the Hualapai Tribe as the Tribal Council may deem appropriate. The HTUA board is delegated full authority and responsibility for the management and operation of HTUA consistent with the Ordinance.

At this time, the Tribe is seeking one new candidate to apply for Board membership to maintain this important function of Tribal government.

- ♦ The position may be filled by a member of the Community who has sufficient education, experience, and sound judgment to learn basic utility business practices and procedures.
- ♦ The new board member will be appointed for a three-year term.
- ♦ No employee of the Bureau of Indian Affairs, employee of the HTUA or member of the Tribal Council shall be a member of the Board.

Please prepare a letter of interest offering your qualifications (resume) and general motivation to be a member of the Hualapai Tribal Utility Authority Board and what you hope to achieve while on the Board. Please bring or e-mail your letter of interest to the Tribal Office, 941 Hualapai Way, Peach Springs, Arizona, attention Christine Lee, by **Friday, June 2, 2023, at 5:00 PM**. Thank you for your thoughtful consideration of this offer and desire to enhance utility services on the Hualapai Reservation.

**AHCCCS Suspends Payments to Behavioral Health Providers Based on Credible Allegations of Fraud***Submitted by: AHCCCS Communications Office*

May 16, 2023

**AHCCCS Suspends Payments to Behavioral Health Providers Based on Credible Allegations of Fraud***Ensuring member safety and access to needed health care services is top priority*

PHOENIX -- Today, Governor Katie Hobbs and Attorney General Kris Mayes joined the Arizona Health Care Cost Containment System (AHCCCS) Office of Inspector General (OIG) to announce payment suspensions against more than 100 unique, registered behavioral health providers of Medicaid services based on credible allegations of fraudulent billing activities, in conjunction with the Arizona Attorney General's Healthcare Fraud and Abuse Section, the Federal Bureau of Investigation, the US Department of Health and Human Services, the US Attorney's Office, and the Internal Revenue Service.

Provider payment suspensions, known as Credible Allegations of Fraud (CAF) suspensions, are the first step of required action when Medicaid payment fraud is identified, and the beginning of multi-agency investigations.

"The State of Arizona is taking swift action to stop a humanitarian crisis, root out waste, fraud and abuse, and crack down on bad actors exploiting Tribal communities," said Governor Katie Hobbs. "I'm proud of our law enforcement officials and AHCCCS for taking action to hold fraudulent billers accountable and protect some of our state's most vulnerable communities."

"I am proud of the work done by the law enforcement officials, and in particular those at Arizona Attorney General's Office in investigating fraud and abuse of taxpayer dollars," said Attorney General Kris Mayes. "Fraudulent Medicaid billing harms taxpayers and puts vulnerable individuals at risk of not receiving needed health care services. Together, the Attorney General's Healthcare Fraud and Abuse Section and AHCCCS will continue to disrupt organized fraudsters, apprehend them, and prosecute them to the full extent allowed by law."

Under federal regulations (and unless good cause exists to not suspend payment per federal regulation), AHCCCS is required to suspend all payments to a provider when it determines that a credible allegation of fraud exists. The agency makes a fraud referral to the Arizona Attorney General's Office Healthcare Fraud and Abuse Section, or a federal law enforcement agency. This is a preliminary finding of fraud indicating that evidence of fraud has been identified as reliable. Suspended providers may continue to bill AHCCCS for services provided; the reimbursement they claim is withheld pending the outcome of further investigation.

"AHCCCS Office of Inspector General and the Arizona Attorney General's Office became aware of potential fraudulent billing practices including significant increases in outpatient behavioral health services. AHCCCS was able to connect the irregular billing with alleged criminal activity targeting tribal communities and other Arizonans," said Carmen Heredia, AHCCCS director. "As with any provider payment suspension, our immediate top priority is ensuring members are safe, sheltered, and receiving the health care services they need."

"Health care fraud is often billed as a victimless crime, but that couldn't be further from the truth in this case," said Akil Davis, special agent in charge of the FBI's Phoenix field office. "This scheme we are investigating negatively affects some of the most vulnerable in our society who rely on these services. The FBI and our law enforcement partners will continue to aggressively pursue all those who seek to unlawfully enrich themselves by manipulating the system with nothing but greed as their motivation."

The FBI is seeking victims who may have been recruited to live in and receive services in group homes, and asking them to complete a form at <https://forms.fbi.gov/phoenixgrouphomes/>.

Ensuring AHCCCS members have continued access to health care services is the top priority any time a CAF payment suspension is issued. AHCCCS is working with its network of health plans, tribes, behavioral health partners, and other state agencies to contact all members for whom these providers have billed services and connect them with the resources they may need, such as:

- A dedicated member hotline at 2-1-1 (press 7) for members who have been impacted by the closure of a sober living home or residential facility (see [www.211Arizona.org/MMIP](http://www.211Arizona.org/MMIP)),
- Mobile crisis teams ready to deploy when members need hands-on, immediate behavioral health services, transportation, or care coordination, and
- Coordination of immediate housing, transportation, and health services related to a provider closure.

"When Arizonans work together, with active collaboration among state, tribal and federal partners, we best protect the most vulnerable among us," said United States Attorney Gary Restaino. "Our health care fraud investigations continue. Safety is paramount here, and we'll be looking at the efforts of facilities to help ensure the orderly transfer of residential patients."

"The Arizona Department of Health Services licenses sober living homes, behavioral health residential facilities, and outpatient clinics, among other facilities and we are utilizing our licensure oversight to support our partners in this effort," said Jennie Cunico, interim director of ADHS. "We are working to implement measures to more easily find and eliminate bad actors from the behavioral health system. We encourage Arizonans to use [AZCareCheck.com](http://AZCareCheck.com) to review the status of all the facilities we license or our complaint portal, to submit a complaint."

AHCCCS has enacted holistic, system-wide strategies to find and eliminate fraudulent billing, including recommendations from the Arizona Attorney General's Office:

- Moving three behavioral health provider types to the high-risk category for new applicants and revalidating providers, which requires on-site visits, fingerprinting, background checks, a registration fee, and additional disclosures,
- Reviewing all existing claims edits which differ from national standards and setting specific rates for current "by report" billing that pay a percentage of the total billed amount instead of a standard rate,
- Creating a trend report of all providers registering for the at-risk provider types and closely monitoring any billing anomalies,
- Creating system reporting to flag concerning claims (volume, services per day, services for minors) for review prior to payment, and
- Setting billing thresholds to deny claims for multiple services that should not be billed on the same day, and more.

An ongoing and regularly updated list of registered providers subject to payment suspension or termination is posted on the AHCCCS Office of Inspector General Provider Suspensions web page at <https://azahcccs.gov/Fraud/Providers/actions.html>.

### Integrity of Ancestral Hualapai Salt Singers

Winds blow softly as if whispering, those that left the moment they gave, they have left an imprint, that they cared completely.

Story of old, says our Ancestors don't go away they walk beside us everyday unseen, unheard, but always near. They are missed very dearly. After the late Rosabelle Powsey's passing in her honor, the Valentine Memorial was respectfully stopped for a year, since she was a descendant of Chief Schrum.

Rosabelle's mother, the late Eva Schrum, in honor of Chief Schrum started a yearly commemoration at her home in Valentine, Arizona for all deceased Hualapai's and deceased Hualapai Veterans.

Eva Schrum whom is a Salt singer sang alongside the late Sherman Whatoname under the arbor on Memorial Day in Valentine, other Hualapai Salt Singers were Jacob and Jane Honga, Beth Wauneka, Nanny Lee Nish (whom are sisters), Gladys Whatoname and Elnora Mapatis.

As they sang in solemn respect with meaning and understanding for their tribe, the late Oleda Benson from the Paiute Tribe, sang along side them. Their singing was in harmony as their voices blended, it had the pleasing effect which was comforting and soothing to the soul.

One Memorial Day, Eva covered the arbor with a cover that resembled a parachute which represented her late son, Franklin Schrum who belonged with the 82nd Airborne. Since time has its own time frame to position what is to be, these past memories are important and certainly a treasure. In closing the songs are in the wind always.

*Written by Sylvia Whatoname (daughter of the late Sherman Whatoname)*

Du Way'm jm Ma:k ja!

At this time, I want to say, condolences to all the families that have lost loved ones. All we can do is pray for families and give comfort! ♥♥

Grief, I've learned, is really just love.  
It's all the love you want to give, but cannot.  
All that unspent love gathers up  
in the corners of you, the eyes,  
the lump in your throat  
and in that hollow part of your chest.  
Grief is just "LOVE" with no place to go.  
Amen!

THE TEARS in my eyes  
I can wipe away.  
THE ACHE in my heart will always stay.
