No. 117-2 (March 11, 2021).**

An emergency declaration was issued on March 13, 2020, pursuant to section 501(b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5191(b).**
- C. Notwithstanding any provision set forth in any other HHD Policy, receipt of assistance from the HAF Program established under this Policy shall not make the Recipient or Recipient family eligible or ineligible for assistance under any of the regular HHD policies.**
- D. Nothing in this Policy shall be construed to invalidate any otherwise legitimate grounds for eviction.**
- E. Assistance to be provided under the HAF Program is subject to availability of funds. No applicant or household determined to be eligible is entitled to or has a property right to receive funding under the HAF Program. When funding for the HAF Program is fully expended, the HAF Program will terminate. HHD may terminate this Program at any time.**
- F. This Policy is based, and the HAF Program will be carried out, in reliance upon the April 14, 2021, guidance document from the Department of Treasury (entitled "Homeowner Assistance Fund Guidance"), along with any future modification, clarification, or supplementation which Treasury may provide. SECTION III. HOMEOWNER ASSISTANCE OVERVIEW

A. HHD shall only use the HAF Program Funds to provide financial assistance to Eligible Homeowners to use for qualified expenses for the uses set forth herein and in accordance with the terms of this Policy.

1. Application. To participate in the HAF Program, a Homeowner must first submit a complete, written Application to HHD. This Application must include all information required by HHD, as described herein.

2. Participation. If an Applicant is approved for participation in the HAF Program, they must then submit information and supporting documentation each month for which they seek continued HAF Program Funds, unless such payments are to be provided for a 3-month period, for which the Applicant must provide such information for the 3-month period.

B. Qualified Expenses

1. HAF Program Funds may only be used for the following types of qualified expenses that are for the purpose of Homeowners Rehabilitation/Addition to prevent overcrowding and Heating, Ventilation and Air Conditioning (HVAC) after January 21, 2020:

a. Payment assistance for:

- 1. Homeowner's arrears**
- 2. Homeowner's Rehabilitation/Addition**
- 3. Heating, Ventilation and Air Conditioning (HVAC)**
- 4. Mortgage Payment Assistance.**
 - a) Homeowners Insurance.**
 - b) Hoa Fees or Liens.**
 - c) Delinquent Property Taxes.**
- 5. Homeowner's Internet Payment Assistance**

b. Counseling or educational efforts by housing counseling agencies approved by HUD, or legal services, targeted to households eligible to be served with funding from the HAF Program related to foreclosure prevention or displacement, in an aggregate amount up to 5% of the funding from the HAF Program received by HHD;

2. Duplication of Assistance. An Eligible Homeowner that occupies a Dwelling for which that Homeowner is receiving or has already received other federal assistance may receive HAF Program assistance, provided that HAF Program Funds are not applied to costs that have been or will be reimbursed under any other federal assistance. To the extent feasible, HHD will ensure that any financial assistance provided to an Eligible Homeowner pursuant to the HAF Program Funds is not duplicative of any other Federally funded assistance provided to such Homeowner.

a. If an Eligible Homeowner receives homeowner assistance other than through the HAF Program, the HAF Program Funds may only be used to pay for costs that are not paid for by the other homeowner assistance. When providing HAF Program Funds, HHD must review the Eligible Homeowner's income and sources of assistance to confirm that the HAF Program Funds do not duplicate any other assistance, including federal, state, and local assistance provided for the same costs.

SECTION IV. ELIGIBILITY

A. Eligibility Requirements. In order to be eligible to apply for the HAF Program, at the time the Applicant applies to the HAF Program, the Applicant must meet the following eligibility requirements:

1. The Applicant is a homeowner who has experienced a financial hardship after January 21, 2020 and have an income equal to or less than 150% of the area median income.

2. The Applicant attests to the nature of the financial hardship experienced after January 21, 2020. The attestation must describe the nature of the financial hardship (for example, job loss, reduction in income, or increased costs due to healthcare or the need to care for a family member).

3. Hualapai Tribal members must be residing on or off the Hualapai Indian Reservation or off the reservation within the state of Arizona. A homeowners home must be primary home and occupied residence of Arizona.

B. HAF Program Funds received by an Applicant must only be used for qualified expenses set forth in this Policy that are related to the Dwelling that is used as the homeowner's primary residence.

C. Income Determination. In determining the income of a household for purposes of determining such household's eligibility for assistance from the HAF Program Funds, HHD may use HUD's definition of "annual income" in 24 C.F.R. § 5.609 or use adjusted gross income as defined for purposes of reporting on Internal Revenue Service (IRS) Form 1040 series for individual federal annual income tax purposes.

1. Documentation of Income Determination: Applicant must provide sufficient information to HHD to enable HHD to have a reasonable basis under the circumstances for purposes of determining if the income eligibility requirements in (A) above are met. Two approaches for income verification are permissible: (1) the household may provide a written attestation as to household income together with supporting documentation such as paystubs, W-2s or other wage statements, IRS Form 1099s, tax filings, depository institution statements demonstrating regular income, or an attestation from an employer; or (2) the household may provide a written attestation as to household income and HHD may use a reasonable fact-specific proxy for household income, such as reliance on data regarding average incomes in the household's geographic area. In implementing the HAF Program, HHD will avoid establishing documentation requirements that are likely to be barriers to participation for eligible households, including those with irregular incomes such as from a small business.

2. Waiver or Exception to Documentation Requirement: HHD may provide a waiver or exception to documentation of income requirement as reasonably necessary to accommodate extenuating circumstances, such as disabilities, practical challenges related to the pandemic, or a lack of technological access by homeowners; in these cases, HHD is still responsible for making the required determination regarding household income and documenting that determination.

SECTION V. APPLICATIONS FOR HAF PROGRAM

A. Participation Applications: To participate in the HAF Program, an Applicant must first submit a complete, written Application on the forms provided by HHD, which are attached as Exhibits to this Policy. All information required to be on the forms must be completed, or the Application will be returned. Applications for the HAF Program must be submitted to HHD by mailing or dropping off the Applications to the following address:

Hualapai Housing Department
Attn. COVID-19 HAF Program
P.O. Box 130
Peach Springs, Arizona 86434

or submit to elaina.lee@hualapai-nsn.gov or housing@hualapai-nsn.gov

The Application must include the following information and supporting documentation:

1. **Applicant and Household Information.** Homeowners must submit applicant and household information as included in the Application Form. This form is attached as an Exhibit.
 2. **Financial Hardship.** Homeowners must attest that they experienced financial hardship after January 21, 2020. The attestation must describe the nature of the financial hardship (for example, job loss, reduction in income, or increased costs due to healthcare or the need to care for a family member). This form is attached as an Exhibit.
 3. **Income.** Homeowners must have incomes equal to or less than 150% of the area median income.
 4. **Release of Information.** This form is attached as an Exhibit.
- B. Notification of Change of Eligibility.** Applicants are required to notify HHD in writing immediately whenever any determining factor of eligibility changes. This includes, but is not limited to:
1. No longer experiencing a financial hardship; or
 2. Have an income that is equal to or less than 150% of the area median income.

C. Falsification and Investigation

1. If it is discovered that an Applicant has falsified his or her Application, or otherwise abused the HAF Program, or if an Eligible Homeowner fails to notify HHD of changes to eligibility, the homeowner will be subject to penalties. Penalties will include ineligibility for continued participation in the HAF Program and repayment of the value of any benefit for which they were not eligible to receive. HHD shall have the right to seek such repayment through garnishment of the Recipient's per capita distribution or wages, if any.
2. HHD shall retain the right to conduct a follow-up investigation into any self-attestations submitted or regarding any other documentation, at its own discretion, if it determines that the reliability or accuracy of the information provided is in doubt.

D. Application Review

1. The HHD staff member receiving the Application shall sign and date the Application when it is received at the HHD office.
2. **Preferences and Priorities.** Applications will be reviewed and processed as they are received. However, in anticipation of HHD receiving a substantial number of applications within a short period of time, with a finite amount of funding available, HHD shall review and process Applications for HAF Program Funds under this Policy according to the following order of preferences, and in accordance with the HAF Plan submitted to, and approved by, the Secretary.
 - A. Not less than 60% of amounts made available to HHD must be used for qualified expenses that assist Eligible Homeowners having incomes equal to or less than 100% of the area median income or equal to or less than 100% of the median income for the United States, whichever is greater, utilizing the following preferences:
 1. First preference will be given to socially disadvantaged Eligible Homeowners that have at least one family member (regardless of whether that member is an adult or head of household) who is a Tribal Member.
 - B. The remaining 40% of amounts made available to HHD will be prioritized to socially disadvantaged individuals utilizing the same preferences as set out in subsection (a), above.
3. **Approval of Applications.** HHD will notify Applicants in writing, within fourteen (14) days of HHD's receipt of the Application, of HHD's decision of whether the Applicant has been approved to receive HAF Program Funds.
4. **Denial of Application.** If upon initial review, HHD determines that the Applicant is not eligible or the request is outside of this Policy, or there are no longer any HAF Program

Funds available, HHD will notify the Applicant in writing of this determination, the applicable policies which support the determination, and the process of appeal (if allowed).

- a. **Process of Appeal.** Any Applicant who is dissatisfied with a decision of HHD concerning eligibility of assistance, the level of benefit approved, or the type of services available, can appeal that decision to the Executive Director of HHD.
- b. **No Appeal.** If the reason for the denial of the Application is that there are no longer any HAF Program Funds remaining, such denial is not subject to appeal.

HUALAPAI PER CAPITA TRUST

Cultural Classes Required to receive a certificate of certification

There are four quizzes to be taken to receive a certificate of completion which would satisfy the Cultural requirement of receiving your payout from the per capita trust account ..

Email: martina.dawley@hualapai-nsn.gov at Hualapai Department of Cultural Resources to get started on taking your quizzes.

Cultural Class 1: Civics

Cultural Class 2: Stories

Cultural Class 3: Cultural Geography

Cultural Class 4: Ethnobotany

Each quiz coincides with the email address that it comes from, thus each student/individual must request for the test to receive their own quiz. This helps keep track through an Excel spreadsheet automatically generated on Google Forms.

After passing each quiz, you will receive a certificate of completion by email. It is your responsibility to turn in your certificate to the Tribal Office to begin the process of your per capita trust payout. Hualapai Cultural Resource Center is not responsible for filling out any forms or turning in certificates of completions to the Tribal Office.

First Things First • Tribal Liaison (Review of Resumes begin Monday, July 10th)*Submitted by: Kim Corbin | First Things First***# FIRST THINGS FIRST****TRIBAL LIAISON**

First Things First (Arizona Early Childhood Development and Health Board) is an essential leader and partner in creating a family-centered, equitable, high-quality early childhood system that supports the development, well-being, health and early education of all Arizona's children, birth to age 5. Created by voter initiative in 2006, First Things First is governed by a state Board with 28 regional partnership councils. First Things First is a decentralized organization that engages diverse constituencies to accomplish its mission. Organizational values include a commitment to diversity, equity and inclusion; a focus on accountability, transparency, coordination and collaboration; and an emphasis on the outcomes that will ensure young children start kindergarten healthy and ready to succeed in school and in life.

First Things First values its government-to-government relationships with tribes in Arizona. Tribes can participate in First Things First in one of two ways: by electing to have their tribal lands treated as separate regions by the statewide FTF Board, or by electing to have their tribal lands treated as part of the FTF regions in which their lands are geographically located. To date, 19 federally recognized tribes have elected to participate in First Things First (10 as separate regions, and nine as part of the region in their geographic area). Tribal Affairs is an integral part of the agency's work. More information on FTF Tribal Affairs is available at [Tribal Affairs - First Things First](#).

Peach Springs Elementary Summer School:

Summer School Update

Jane Baumbach-Summer School Coordinator

Summer school began May 30th and continues through June 22nd. From 7:30 a.m.-12:30 p.m. Staffing for summer school consisted of 3- 12 month employees (a coordinator and 2 cultural class teachers), 8 teachers, and 4 paraprofessionals for a total of 15 staff members.

There were 36 children enrolled with an average of 21 students in attendance every day. Kindergarten- 6, First-7, Second-4, Third-7, Fourth-4, Fifth-6, Sixth-2

The courses offered were:

Language Arts-60 minutes

Math- 60 Minutes

Cultural Arts- 50 min.

Physical Education - 50 min.

Recess-20 min.

Breakfast and Lunch-60 min.

There was an evaluation given for reading at the beginning and end of summer school for the Language Arts component. This data is reported to the state at the end of the program. Focus of the instruction for Language Arts is decoding, phonics, and sound recognition of letters utilizing Amplify lessons and Foundations Curriculum support. The higher level classes used comprehension lessons from Amplify (Dibels assessment strategies). The San Diego Quick sight word test is also administered at the beginning and end of the program. Math instruction is focused on fundamental skills- the number system, counting, addition, subtraction, multiplication, and division, based on student data and individualized to their level of ability. Math manipulatives have been the primary learning experience with a step away from technology to more hands-on-activities with small groupings of students.

30 students received reading materials and other reading resources for the summer. If you speak with a student who has attended summer school, they will probably say that the two cultural classes are their favorites. One class created Gods-eyes and beading, and the other created pottery with Hualapai symbolism and Hualapai dolls.

A new fun activity introduced to grades K-4 is a class spelling bee with a finale of the finalists that took place on the last day of school.

IN THE LOCAL NEWS!

Music Mountain Jr., Sr. High to re-open in Peach Springs

PEACH SPRINGS - The reopening of 7th to 12th grade school facilities mothballed 15 years ago is generating excitement in the rural community of Peach Springs north of Kingman. The Music Mountain Jr. and Sr. High School opened in 2000 but closed in 2008.

The school reopened two years ago, but shifted to blended, on-line learning as the Music Mountain Academy, based at the elementary school. Then about 100 students returned to bricks and mortar last year when Music Mountain welcomed back upper grade students to a traditional classroom education environment.

Peach Springs Unified School District #8 Superintendent William Santiago said enrollment is currently underway for the coming school year that will bring back sports programs.

"We're back in Division 1-A. We'll be competing in boys and girls basketball, girls volleyball and cross country," Santiago said. "There's a nice, healthy buzz about Music Mountain being back with the Warriors basketball team. There's excitement about that and we're looking forward to the first games."

"They're doing great things out there," Mohave County School Superintendent Mike Fife said. He credited Santiago and others for the Music Mountain Jr. and Sr. High School renaissance.

Kingman Unified School District (KUSD) Superintendent Gretchen Dornier is also pleased with the Music Mountain rebound.

"It's becoming extraordinarily successful. We're super proud of our neighbor district," Dornier said during the June 14 KUSD governing board meeting. "We wish them the best."

Dornier said the Intergovernmental Agreement that saw dozens of upper grade students bused between Peach Springs and Kingman for years will not be renewed. She said a handful may choose to complete their education in the KUSD, but that they'll be on their own so far as transportation is concerned.

"It's time for our students to come home," he said. "I know that's going to be a process. Our community knows that, but there's a place for them to come home to now and start writing the next chapter of Music Mountain history. And that's exciting."

Santiago said parents and guardians can visit the school at 16500 Highway 66 for enrollment information and paperwork. He said enrollment packets are available elsewhere in the community and that information can also be gathered by telephone (928-769-2202).

The new school year begins Wednesday, July 26th.

Gamyu jel!

A boy asked his father, Dad what is the size of God?

Then the father looked up at the sky,
and saw a plane, and asked his son,
what is the size of this plane?

The boy replied, it is very small, I can hardly see it!

Then the father took him to the airport,
and as they approached a plane,
father asked, now, son, how big is this plane?

The boy replied, WOW! Dad it's huge!

Then the father told him...

God's size depends on how close
or far you are to Him.

The closer you are to Him,

the greater and greater He will be in your life!!

So we are facing a lot of crises in this world today!

And we all need to get closer to God than before!

Think on this! Amen!

Take care and be safe!

.....

Why God's Morning Message Every Day?

A good morning creates a good mood.

A good morning creates a good work.

A good work creates a good day.

A good day creates a good or makes you

Happy and your happiness makes people happy.

So good morning! Be blessed

June 2023 Volunteer of the Month:
Steve DeFord, aka Pastor Steve**

Steve DeFord, aka Pastor Steve continues to be an invaluable Peach team member. He and his family have supported and participated in the Hualapai Tribe radio programs since its inception as a Kidstar station and then EPCH, internet only. Pastor Steve is host of *Redeemed and Free*, KWLP's long-running and popular gospel show airing on Wednesday evenings at 6:00pm and rebroadcast Sunday mornings at 10:00am.

"Redeemed and Free" always begins with the segment "The Truth with Ms. Sherry," hosted by Pastor Steve's wife, Sherry DeFord. During his show, Pastor Steve shares scripture and features southern gospel music. Pastor Steve and his family are well known in the PSA community. Steve is Pastor at the Hualapai Baptist Highway Church and worked at the Walapai Market for many years. Three of his sons were original KIDSTAR show hosts and one, Micah worked at the station.
