Submitted by: Shanna Salazar | Hualapai Tribal Administration

The Great Spirit created Men and Women in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other, in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person; for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times.

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible - plants don't grow - there will be no life - nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyotes and other animals which were here before us.

The Greens around the symbol are pine trees, representing our name Hualapai - PEOPLE OF THE TALL PINES --

MEMORANDUM

Date: July 14, 2023

From: 
Sherry J. Parker Chairwoman
Hualapai Tribal Council

Dear Hualapai Tribal Members,

Greetings to everyone. I am writing to you today to address an issue that is very important to the Hualapai Tribe. On January 5, 2023 President Biden signed off on our Water Rights Settlement. This settlement is a great accomplishment for the tribe and has been worked on by many administrations. There were many meetings with past and current leaders to ensure that we were allocated water.

We now have the ability to get Water from the Colorado River to use for our community as well as Grand Canyon West. We had Congressional Representatives support our Water Rights Bill who spoke up for us and we were received more money than we expected along with that we received 4,000 acre feet of water. This is a great accomplishment for the tribe!

This is going to be a huge project and will take time in getting the money appropriated and placed into the federal budget. We will still have to meet with the government agencies to promote our need for the money.

This Water Rights Bill comes with strict guidelines and they must be followed or we could end up losing it. So we will be unable to provide money through this fund to tribal members. This project will bring us water which is our life and what we need to function in every aspect of our lives. This project is providing for the future of our tribe, the future of our children, and many generations to come.

Thank you for your support as we move forward with this project. We will see you all at the Water Rights Celebration on August 30, 2023 at Grand Canyon West.

1. Application. To participate in the HAF Program, a Homeowner must first submit a complete, written Application to HHD. This Application must include all information required by HHD, as described herein.

2. Participation. If an Applicant is approved for participation in the HAF Program, they must then submit information and supporting documentation each month for which they seek continued HAF Program Funds, unless such payments are to be provided for a 3-month period, for which the Applicant must provide such information for the 3-month period.

B. Qualified Expenses

1. HAF Program Funds may only be used for the following types of qualified expenses that are for the purpose of Homeowners Rehabilitation/Addition to prevent overcrowding and Heating, Ventilation and Air Conditioning (HVAC) after January 21, 2020:

a. Payment assistance for:

- 1. Homeowner's arrears**
- 2. Homeowner's Rehabilitation/Addition**
- 3. Heating, Ventilation and Air Conditioning (HVAC)**
- 4. Mortgage Payment Assistance.**
 - a) Homeowners Insurance.**
 - b) Hoa Fees or Liens.**
 - c) Delinquent Property Taxes.**
- 5. Homeowner's Internet Payment Assistance**

b. Counseling or educational efforts by housing counseling agencies approved by HUD, or legal services, targeted to households eligible to be served with funding from the HAF Program related to foreclosure prevention or displacement, in an aggregate amount up to 5% of the funding from the HAF Program received by HHD;

2. Duplication of Assistance. An Eligible Homeowner that occupies a Dwelling for which that Homeowner is receiving or has already received other federal assistance may receive HAF Program assistance, provided that HAF Program Funds are not applied to costs that have been or will be reimbursed under any other federal assistance. To the extent feasible, HHD will ensure that any financial assistance provided to an Eligible Homeowner pursuant to the HAF Program Funds is not duplicative of any other Federally funded assistance provided to such Homeowner.

a. If an Eligible Homeowner receives homeowner assistance other than through the HAF Program, the HAF Program Funds may only be used to pay for costs that are not paid for by the other homeowner assistance. When providing HAF Program Funds, HHD must review the Eligible Homeowner's income and sources of assistance to confirm that the HAF Program Funds do not duplicate any other assistance, including federal, state, and local assistance provided for the same costs.

SECTION IV. ELIGIBILITY

A. Eligibility Requirements. In order to be eligible to apply for the HAF Program, at the time the Applicant applies to the HAF Program, the Applicant must meet the following eligibility requirements:

1. The Applicant is a homeowner who has experienced a financial hardship after January 21, 2020 and have an income equal to or less than 150% of the area median income.

2. The Applicant attests to the nature of the financial hardship experienced after January 21, 2020. The attestation must describe the nature of the financial hardship (for example, job loss, reduction in income, or increased costs due to healthcare or the need to care for a family member).

3. Hualapai Tribal members must be residing on or off the Hualapai Indian Reservation or off the reservation within the state of Arizona. A homeowners home must be primary home and occupied residence of Arizona.

B. HAF Program Funds received by an Applicant must only be used for qualified expenses set forth in this Policy that are related to the Dwelling that is used as the homeowner's primary residence.

C. Income Determination. In determining the Income of a household for purposes of determining such household's eligibility for assistance from the HAF Program Funds, HHD may use HUD's definition of "annual income" in 24 C.F.R. § 5.609 or use adjusted gross income as defined for purposes of reporting on Internal Revenue Service (IRS) Form 1040 series for individual federal annual income tax purposes.

1. **Documentation of Income Determination:** Applicant must provide sufficient information to HHD to enable HHD to have a reasonable basis under the circumstances for purposes of determining if the income eligibility requirements in (A) above are met. Two approaches for income verification are permissible: (1) the household may provide a written attestation as to household income together with supporting documentation such as paystubs, W-2s or other wage statements, IRS Form 1099s, tax filings, depository institution statements demonstrating regular income, or an attestation from an employer; or (2) the household may provide a written attestation as to household income and HHD may use a reasonable fact-specific proxy for household income, such as reliance on data regarding average incomes in the household's geographic area. In implementing the HAF Program, HHD will avoid establishing documentation requirements that are likely to be barriers to participation for eligible households, including those with irregular incomes such as from a small business.

2. **Waiver or Exception to Documentation Requirement:** HHD may provide a waiver or exception to documentation of income requirement as reasonably necessary to accommodate extenuating circumstances, such as disabilities, practical challenges related to the pandemic, or a lack of technological access by homeowners; in these cases, HHD is still responsible for making the required determination regarding household income and documenting that determination.

SECTION V. APPLICATIONS FOR HAF PROGRAM

A. 4. **Denial of Application.** If upon initial review, HHD determines that the Applicant is not eligible or the request is outside of this Policy, or there are no longer any HAF Program

Funds available, HHD will notify the Applicant in writing of this determination, the applicable policies which support the determination, and the process of appeal (if allowed).

a. Process of Appeal. Any Applicant who is dissatisfied with a decision of HHD concerning eligibility of assistance, the level of benefit approved, or the type of services available, can appeal that decision to the Executive Director of HHD.

**Hualapai Per Capita Trust • Cultural Classes Required to Receive a Certificate**

Submitted by: Christine Lee | Hualapai Tribal Administration

HUALAPAI PER CAPITA TRUST

Cultural Classes Required to receive a certificate of certification

There are four quizzes to be taken to receive a certificate of completion which would satisfy the Cultural requirement of receiving your payout from the per capita trust account ..

Email: martina.dawley@hualapai-nsn.gov at Hualapai Department of Cultural Resources to get started on taking your quizzes.

Cultural Class 1: Civics

Cultural Class 2: Stories

Cultural Class 3: Cultural Geography

Cultural Class 4: Ethnobotany

Each quiz coincides with the email address that it comes from, thus each student/individual must request for the test to receive their own quiz. This helps keep track through an Excel spreadsheet automatically generated on Google Forms.

After passing each quiz, you will receive a certificate of completion by email. It is your responsibility to turn in your certificate to the Tribal Office to begin the process of your per capita trust payout. Hualapai Cultural Resource Center is not responsible for filling out any forms or turning in certificates of completions to the Tribal Office.

COMMUNITY MESSAGES

Inspirational & Encouragement Corner

Submitted by: Josie Powsey | Hualapai Tribal Elder

Good morning! Hope you had good days! The 3 types of people in your life!

- (1) - The leaf people
- (2) - The branch people
- (3) - The root people

Leaf people...

These are people who come into your life, just for a season. You can't depend on them because they are weak. They only come to take what they want, but if the wind comes they will leave. You need to be careful of these people because they love you when things are okay, but when the wind comes they will leave you!

Branch people...

They are strong, but you need to be careful with them too. They break away when life becomes tough and they can't handle too much weight. They may stay with you in some seasons, but they will go when it becomes harder!

Root people...

These people are important because they don't do things to be seen. They are supportive even if you go through a difficult time, they will water you and they are not moved by your position, they just love you like that.

Its not all people you meet or are your friends, that will stay with you. Only the root people will stay, no matter the season! Think on these things. Have a good day and be safe!

KWLP 100.9FM "The Peach" • June Volunteer of the Month: Steve DeFord AKA Pastor Steve

Submitted by: Terri Hutchens | KWLP 100.9FM - The Peach

WE LOVE OUR VOLUNTEERS

KWLP, "The Peach"

Proudly Announces and Congratulates
June 2023 Volunteer of the Month:
Steve DeFord, aka Pastor Steve

Steve DeFord, aka Pastor Steve continues to be an invaluable Peach team member. He and his family have supported and participated in the Hualapai Tribe radio programs since its inception as a Kidstar station and then EPCH, internet only. Pastor Steve is host of *Redeemed and Free*, KWLP's long-running and popular gospel show airing on Wednesday evenings at 6:00pm and rebroadcast Sunday mornings at 10:00am.

"Redeemed and Free" always begins with the segment "The Truth with Ms.

Sherry," hosted by Pastor Steve's wife, Sherry DeFord. During his show,

Pastor Steve shares scripture and features southern gospel music. Pastor

Steve and his family are well known in the PSA community. Steve is Pastor

at the Hualapai Baptist Highway Church and worked at the Walapai Market for many years. Three of his sons were original KIDSTAR show hosts and one, Micah worked at the station. Miss Sherry also teaches at the local Church school. Steve's brother Jeff shares his nationally syndicated show: "Down to the Roots," with Peach listeners at no cost to the KWLP. This Bluegrass show immediately follows Steve's show at 7:00pm Wednesday evenings.

Steve has always impressed staff with his professionalism in his preparations and presentations. When able, Steve helps at events, solicits and supports advertisers and personally contributes regularly to Listener give aways. He rarely misses a show, meeting or training! We truly appreciate all he does with and for KWLP and the community!

Pastor Steve will receive incentives valued at \$100 for being Volunteer of the Month! If you might be interested in volunteering, call at (928) 769-1110.
