

Hualapai Tribe Response COVID-19 Alert Notification PRESS RELEASE

Press Release/Public Information
COVID-19 Response Update
Peach Springs, Arizona
Hualapai Tribe

June 30, 2022

This Press Release is to inform the public that COVID-19 cases are **currently active** in the community and a spike in **Community Spread** from events has been determined by Public Health Officials and the Emergency Response Team.

The Hualapai Community COVID-19 cases are steadily arising due to a recent large gathering. The Public Health Officials and ERT have re-evaluated and assessed the situation.

It is suggested that:

- If you have attended the recent Pai Gathering at Youth Camp, please monitor yourselves for symptoms and stay home if you are not feeling well.
- If you are COVID positive and are in need of medications, please test at the IHS Clinic to receive medications based on your need of treatment
- No negative testing is required to return back to school, day care, work, ect after 5 days of quarantine
- Mask required for a period of 5 days after initial positive date and quarantine completion.
- Home test positive results do count as beginning of quarantine. Please call ERT at 928-769-0002 or IHS Clinic to report a positive result. To receive medication, please test at IHS Clinic

Events that are attended by community members are encouraged to practice CDC Guidelines to mask up, sanitize and social distance as much as possible. These steps should continue to be practiced whether large events or simple day to day activities wherever you go.

NO COLOR CODE ALERT SYSTEM IS CURRENTLY BEING USED AT THIS TIME. IT IS ENCOUARGED TO MASK UP AND STAY HOME WHEN SICK, PRACTICE THE CDC GUIDELINES IN PLACE FOR YOUR PROTECTION AND OTHERS.

This is what you and your family need to know:

- **COVID-19 is still active around the world and in our community, currently we are monitoring a marginal spike of COVID-19 cases.**
- **Individual Responsibility is going to be our best tool in staying actively vigilant to keeping our numbers controllable**
