

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other; in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person; for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times.

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible – plants don't grow – there will be no life – nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name Hualapai – PEOPLE OF THE TALL PINES –

Subject: Caleb Joe Powskey Day

A Historic Resolution was passed in the Year 1977 from The Hualapai Tribal Council recognizing the Hualapai Tribal Seal with the adoption of Resolution 01-1977.

The Hualapai seal serves as a powerful reminder of our creation and the deep connection to our land, our ancestors, and our cultural values. The Hualapai Tribal Seal embodies our strength, resilience, and unwavering spirit.

The vision of the Hualapai Seal was drafted and drawn by Mr. Caleb “Joe” Powskey. Today, the Hualapai Tribal Seal not only serves as our identity, the seal is powerful testament to our creation. The Hualapai Seal will forever be a source of our pride and teaching for future generations that brings strength, unity, respect and tradition.

The extraordinary artistry and profound vision of Mr. Caleb “Joe” Powskey is forever appreciated and celebrated on the 8th Day of January.

Our ancestors have navigated challenges, celebrated triumphs and our teachings continue with the resilience of our culture, language and traditions.

Hankyu,

Duane Clarke, Chairman
